## Guitar Intro 16x

### Verse 16x

.. Brainstorm Take me away from the norm  
I've got to tell you somethin' This phe-  
nomenon I had to put it in a song And it  
goes like

### Chorus 24x

Whoa Amber is the color of your energy  
Whoa Shades of gold displayed naturally

You want to know what brings me here?  
Ohh oh You glide through my head blind  
to fear And I know why?

Whoa Amber is the color of your energy  
Whoa Shades of gold displayed naturally

### Drum 8x

### Guitar 16x

### Chorus 28x ?

Whoa Amber is the color of your energy  
Whoa Shades of gold displayed naturally

... You live too far away Your voice rings like  
a bell anyway Don't give up your indepen-  
dence Unless it feels so right Nothin' good  
comes easily Sometimes you've got to fight

### Chorus 24x

Whoa Amber is the color of your energy  
Whoa Shades of gold displayed naturally

Launched a thousand ships in my heart, so  
easy Still, it's fine from afar, and you know  
that

Whoa Brainstorm Take me away from the  
norm Whoa I've got to tell you somethin'

## 2 Black

### Intro 8x

Hey...ooh...

### Verse 16x

Sheets of empty canvas, untouched sheets  
of clay

Were laid spread out before me as her  
body once did.

All five horizons revolved around her soul

As the earth to the sun

Now the air I tasted and breathed has  
taken a turn

### Prechorus 16x ?

Ooh, and all I taught her was everything

Ooh, I know she gave me all that she wore

And now my bitter hands chafe beneath  
the clouds

Of what was everything?

Oh, the pictures have all been washed in  
black, tattooed everything...

### Verse 8x I take a walk outside

I'm surrounded by some kids at play

I can feel their laughter, so why do I sear

### Prechorus 32x ?

Oh, and twisted thoughts that spin round  
my head

I'm spinning, oh, I'm spinning

How quick the sun can, drop away

And now my bitter hands cradle broken  
glass

Of what was everything?

All the pictures have all been washed in  
black, tattooed everything... All the love

gone bad turned my world to black

Tattooed all I see, all that I am, all I'll  
be...yeah...

Uh huh...uh huh...ooh...

### Prechorus 8x

I know someday you'll have a beautiful life,

I know you'll be a star

In somebody else's sky, but why

Why, why can't it be, why can't it be mine...

### Outro 32x

do do doot do doo do doo (x?)

### 3 Back In Black

Back in black I hit the sack I've been too long I'm glad to be back Yes I'm let loose From the noose That's kept me hanging about Lookin' at the sky 'Cause it's gettin' me high Forget the hearse 'cause I'll never die I got nine lives Cat's eyes Abusin' every one of them and running wild

'Cause I'm back Yes I'm back Well I'm back Yes I'm back Well I'm hey hey hey hey (Hey hey hey hey) Well I'm back in black Yes I'm back in black

Back in the back Of a Cadillac Number one with a bullet I'm a power pack Yes, I'm in a band, with a gang They've got to catch me if they want me to hang Cause I'm back on the track And I'm beatin' the flack Nobody's gonna get me on another rap So look at me now I'm just makin' my play Don't try to push your luck Just get out of my way

'Cause I'm back Yes I'm back Well I'm back Yes I'm back Well I'm hey hey hey hey (Hey hey hey hey) Well I'm back in black Yes I'm back in black

Well I'm back, Yes I'm back Well I'm back, Yes I'm back Well I'm hey hey hey hey (Hey hey hey hey) Well I'm back in black Yes I'm back in black

Oh yeah Oh yeah Yes I am Hey yeah, yeah oh yeah Back in now Well I'm hey hey hey hey, I'm back Hey hey hey hey, (I'm back) Hey hey hey hey, (I'm back) Hey hey hey hey, (I'm back) Hey hey hey hey, (I'm back) Hey hey hey hey Back in black Yes I'm back in black

## 4 Born To Run

### Intro Vamp 8x

### Verse 8x

In the day we sweat it out on the streets  
of a runaway American dream At night we  
ride through mansions of glory in suicide  
machines

### B Section 14x

Sprung from cages out on Highway 9  
Chrome-wheeled, fuel-injected, and step-  
pin' out over the line Oh, baby, this town  
rips the bones from your back It's a death  
trap, it's a suicide rap

We gotta get out while we're young 'Cause  
tramps like us Baby, we were born to-

-runnnnnnnnnnn ... Yes, girl, we were ...

### Verse 8x

Wendy, let me in, I wanna be your friend I  
wanna guard your dreams and visions Just  
wrap your legs 'round these velvet rims  
And strap your hands 'cross my engines

### B Section 14x

Together we could break this trap We'll  
run 'til we drop, baby, we'll never go back  
Oh, will you walk with me out on the wire?  
'Cause, baby, I'm just a scared and lonely  
rider

But I gotta know how it feels I wanna know  
if love is wild Babe, I want to know if love  
is-

### Intro Vamp 8x

-reallllllllll ... Oh, can you show me? ...

### Sax Solo 12x

### Bridge 1 16x

Beyond the Palace, hemi-powered drones  
scream down the boulevard Girls comb  
their hair in rear-view mirrors, and the  
boys try to look so hard The amusement  
park rises bold and stark, kids are huddled  
on the beach in a mist I wanna die with  
you, Wendy, on the streets tonight in an  
everlasting kiss

### Bridge 2 17x

*pause at the end 1-2-3-4!*

### Verse 8x

The highway's jammed with broken heroes  
on a last-chance power drive Everybody's  
out on the run tonight, but there's no place  
left to hide

### B Section 14x

Together, Wendy, we can live with the  
sadness I'll love you with all the madness  
in my soul Oh, someday, girl, I don't know  
when We're gonna get to that place where  
we really wanna go

And we'll walk in the sun But 'til then  
tramps like us Baby, we were born to-
