Cool kids never have the time

On a live wire right up off the street

You and I should meet

### Verse 2 14x

June bug skipping like a stone

With the .. headlights pointed at the dawn

.. We were sure we'd never see an end .. to  
it all

### Chorus 14x

And we don't know

just where our bones will

forgotten and absorbed

To the earth below

## Guitar Vamp 4x

.. Double cross the vacant and the bored

.. They're not sure just what we have in the

Morphine city slippin' dues

down to see

We don't even care

as restless as we are

We feel the pull

in the land of a thousand

guilts, And poured cement

lamented and assured

## Bridge 14x

To the lights .. and towns below

Faster than .. the speed of sound

Faster than .. we thought we'd go

Beneath the sound .. of hope

Hung down with the freaks and .. ghouls

No a..pologies ever need be made

.. I know you .. better than you fake it to

forgotten and absorbed

Into the earth below

The street heats the urgency of now

As you see there's no one around

## 2 6th Avenue Heartache

Sirens ring, the shots ring out  
A stranger cries, screams out loud  
I had my world strapped against my back  
I held my hands, never knew how to act  
And the same black line that was drawn  
on you  
Was drawn on me  
And now it's drawn me in  
6th Avenue heartache  
Below me was a homeless man  
I'm singin' songs, I knew complete  
On the steps alone, his guitar in hand  
It's fifty years, he stood where he stands  
And the same black line that was drawn  
on you  
Was drawn on me  
And now it's drawn me in  
6th Avenue heartache  
And the same black line that was drawn  
on you  
Was drawn on me  
And now it's drawn me in  
6th Avenue heartache  
Now walkin' home on those streets  
The river winds move my feet  
Subway steam, like silhouettes in dreams  
They stood by me, just like moonbeams  
And the same black line that was drawn  
on you  
Was drawn on me  
And now it's drawn me in  
6th Avenue heartache, heartache  
And the same black line that was drawn  
on you  
Was drawn on me  
And now it's drawn me in  
6th Avenue heartache, heartache  
Look out the window, down upon that  
street  
And gone like a midnight was that man

But I see his six strings laid against that  
wall  
And all his things, they all look so small  
I got my fingers crossed on a shooting star  
Just like me, just moved on  
And the same black line that was drawn  
on you  
Was drawn on me  
And now it's drawn me in  
6th Avenue heartache, heartache  
And the same black line that was drawn  
on you  
Was drawn on me  
And now it's drawn me in  
6th Avenue heartache, heartache  
And now it's drawn me in  
And the same black line that was drawn  
on you  
Was drawn on me  
And now it's drawn me in  
6th Avenue heartache, heartache

## 7 All These Things That I've Done

When there's nowhere else to run  
 Is there room for one more son  
 One more son  
 If you can hold on  
 If you can hold on, hold on  
 I want to stand up, I want to let go  
 You know, you know, no you don't, you don't  
 I want to shine on in the hearts of men  
 I want a meaning from the back of my broken hand  
 Another head aches, another heart breaks  
 I am so much older than I can take  
 And my affection, well it comes and goes  
 I need direction to perfection, no no no no  
 Help me out  
 Yeah, you know you got to help me out  
 Yeah, oh don't you put me on the back-burner  
 You know you got to help me out  
 And when there's nowhere else to run  
 Is there room for one more son  
 These changes ain't changing me  
 The gold hearted boy I used to be  
 Yeah, you know you got to help me out  
 Yeah, oh don't you put me on the back-burner  
 You know you got to help me out  
 You're gonna bring yourself down  
 Yeah, you're gonna bring yourself down  
 Yeah, you're gonna bring yourself down  
 I got soul, but I'm not a soldier  
 I got soul, but I'm not a soldier  
 I got soul, but I'm not a soldier  
 I got soul, but I'm not a soldier  
 I got soul, but I'm not a soldier  
 I got soul, but I'm not a soldier  
 I got soul, but I'm not a soldier

I got soul, but I'm not a soldier  
 I got soul, but I'm not a soldier  
 I got soul, but I'm not a soldier  
 Yeah, you know you got to help me out  
 Yeah, oh don't you put me on the back-burner  
 You know you got to help me out  
 You're gonna bring yourself down  
 You're gonna bring yourself down  
 Yeah, oh don't you put me on the back-burner  
 You're gonna bring yourself down  
 Yeah, you're gonna bring yourself down  
 Over and again, last call for sin  
 While everyone's lost, the battle is won  
 With all these things that I've done  
 All these things that I've done  
 (Time, truth, hearts)  
 If you can hold on  
 If you can hold on

## 8 Allison

Oh it's so funny to be seeing you after so long, girl

And with the way you look I understand  
That you were not impressed but I heard  
You let that little friend of mine

Take off your party dress  
I'm not gonna to get too sentimental  
Like those other sticky valentines

'Cause I don't know if you are loving  
Somebody, I only know it isn't mine  
Alison, I know this world is killing you

Oh, Alison, my aim is true  
Well I see you've got a husband now  
Did he leave your pretty fingers lying  
In the wedding cake? You used to hold him

Right in your hand, I bet he took all he could take  
Sometimes I wish that I could stop you from talking

When I hear the silly things that you say  
I think somebody better put out the big light

'Cause I can't stand to see you this way  
Alison, I know this world is killing you  
Oh, Alison, my aim is true, my aim is true  
Alison, I know this world is killing you  
Oh, Alison, my aim is true, my aim is true

## 11 American Idiot

Don't wanna be an American idiot  
Don't want a nation under the new media  
And can you hear the sound of hysteria?  
The subliminal mind fuck America  
Welcome to a new kind of tension  
All across the alien nation  
Where everything isn't meant to be okay  
Television dreams of tomorrow  
We're not the ones who're meant to follow  
For that's enough to argue  
Well maybe I'm the faggot America  
I'm not a part of a redneck agenda  
Now everybody do the propaganda  
And sing along to the age of paranoia  
Welcome to a new kind of tension  
All across the alien nation  
Where everything isn't meant to be okay  
Television dreams of tomorrow  
We're not the ones who're meant to follow  
For that's enough to argue  
Don't want to be an American idiot  
One nation controlled by the media  
Information age of hysteria  
It's going out to idiot America  
Welcome to a new kind of tension  
All across the alien nation  
Where everything isn't meant to be okay  
Television dreams of tomorrow  
We're not the ones who're meant to follow  
For that's enough to argue

## 12 Angel from Montgomery

### Intro ?x

### Verse 1 ?x

I am an old woman named after my mother  
My old man is another child that's grown old

If dreams were lightnin' and thunder were desire

This old house would've burned down a long time ago

### Chorus ?x

Make me an Angel that flies from Montgomery

Make me a poster of an old rodeo

Just give me one thing that I can hold onto

To believe in this livin' is just a hard way to go

### Verse 2 ?x

When I was a young girl, well, I had me a cowboy

Weren't much to look at just a free ramblin' man

But that was a long time and no matter how I try

The years just flow by like a broken down dam

### Chorus ?x

Make me an Angel that flies from Montgomery

Make me a poster of an old rodeo

Just give me one thing that I can hold onto

To believe in this livin' is just a hard way to go

### Verse 3 ?x

There's flies in the kitchen, I can hear 'em in there buzzin'

And I ain't done nothin' since I woke up to-day

How the hell can a person go to work in the mornin'

And come home in the evenin' and have nothin' to say?

### Chorus ?x

Make me an Angel that flies from Montgomery

Make me a poster of an old rodeo

Just give me one thing that I can hold onto

To believe in this livin' is just a hard way to go

To believe in this livin' is just a hard way to go

## 13 Animal

Here we go again, I kinda want to be more  
than friends  
So take it easy on me, I'm afraid you're  
never satisfied  
Here we go again, we're sick like animals,  
we play pretend  
You're just a cannibal and I'm afraid I won't  
get out alive  
No, I won't sleep tonight  
Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
Take a bite of my heart tonight  
Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
What are you waiting for?  
Say goodbye to my heart tonight  
Here we are again, I feel the chemicals  
kicking in  
It's getting heavy and I want to run and  
hide  
I want to run and hide  
I do it every time, you're killing me now  
And I won't be denied by you, the animal  
inside of you  
Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
Take a bite of my heart tonight  
Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
What are you waiting for?  
Say goodbye to my heart tonight  
Hush, hush, the world is quiet  
Hush, hush, we both can't fight it  
It's us that made this mess  
Why can't you understand  
Whoa, I won't sleep tonight  
I won't sleep tonight  
Here we go again  
Oh, oh, I want some more  
Oh, oh, what are you waiting for?

Take a bite of my heart tonight  
Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
What are you waiting for?  
What are you waiting  
Here we go again, oh, oh  
Here we go again, oh, oh  
Here we go again, oh, oh  
Say goodbye to my heart tonight  
Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
What are you waiting for  
Say goodbye to my heart tonight

Any way you want it  
She loves to laugh  
She loves to sing  
She does everything  
She loves to move  
She loves to groove  
She loves the lovin' things  
All night  
Oh, every night  
Hold tight  
Ooh, baby, hold tight  
She said  
"Any way you want it  
That's the way you need it  
Any way you want it"  
"Any way you want it  
That's the way you need it  
Any way you want it"  
I was alone  
I never knew  
What good love could do  
Ooh, then we touched  
Then we sang  
About the lovin' things  
All night  
Oh, every night  
Hold tight  
Ooh baby, hold tight  
Any way you want it  
That's the way you need it  
Any way you want it  
Any way you want it  
That's the way you need it  
Any way you want it  
She said, "ohh"  
She said  
"Any way you want it  
That's the way you need it

Any way you want it"  
"Any way you want it  
That's the way you need it  
Any way you want it"  
Any way you want it  
That's the way you need it  
Any way you want it  
Any way you want it  
That's the way you need it  
Any way you want it  
Any way you want it  
That's the way you need it  
Any way you want it  
Any way you want it  
That's the way you need it  
Any way you want it  
Any way you want it  
That's the way you need it  
Any way you want it  
Any way you want it  
That's the way you need it  
Any way you want it

## 15 Are You Gonna Be My Girl

Go!

It's one, two, three

Take my hand and come with me

Because you look so fine

That I really wanna make you mine

I say you look so fine

That I really wanna make you mine

Oh, four, five, six

C'mon and get your kicks

Now you don't need that money

When you look like that, do ya, honey?

Big black boots

Long brown hair

She's so sweet with her

**Guitar/Drum Flam 8x**

**Add Bass 8x**

**Verse 1 16x**

I was born long ago  
I am the chosen, I'm the one  
I have come to save the day  
And I won't leave until I'm done

So, that's why you've got to try  
You got to breath and have some fun  
Though I'm not paid, I play this game  
And I won't stop until I'm done

**Chorus 2x+4x**

(But what I really want to know is) Are you  
gonna go my way ?  
(Please baby) And I got to  
(please) Got to know

**Verse 2 16x**

I don't know why we always cry  
This we must leave and get undone  
We must engage and rearrange  
And turn this planet back to one

So, tell me why we got to die  
And kill each other one by one  
We've got to hurt and rub a dub  
We've got to dance and be in love

## 17 Back In Black

Back in black  
I hit the sack  
I've been too long I'm glad to be back  
Yes I'm let loose  
From the noose  
That's kept me hanging about  
Lookin' at the sky  
'Cause it's gettin' me high  
Forget the hearse 'cause I'll never die  
I got nine lives  
Cat's eyes  
Abusin' every one of them and running wild  
'Cause I'm back  
Yes I'm back  
Well I'm back  
Yes I'm back  
Well I'm hey hey hey hey  
(Hey hey hey hey)  
Well I'm back in black  
Yes I'm back in black  
  
Back in the back  
Of a Cadillac  
Number one with a bullet  
I'm a power pack  
Yes, I'm in a band, with a gang  
They've got to catch me if they want me to hang  
Cause I'm back on the track  
And I'm beatin' the flack  
Nobody's gonna get me on another rap  
So look at me now  
I'm just makin' my play  
Don't try to push your luck  
Just get out of my way  
'Cause I'm back  
Yes I'm back  
Well I'm back  
Yes I'm back  
Well I'm hey hey hey hey

(Hey hey hey hey)  
Well I'm back in black  
Yes I'm back in black  
  
Well I'm back, Yes I'm back  
Well I'm back, Yes I'm back  
Well I'm hey hey hey hey  
(Hey hey hey hey)  
Well I'm back in black  
Yes I'm back in black  
  
Oh yeah  
Oh yeah  
Yes I am  
Hey yeah, yeah oh yeah  
Back in now  
Well I'm hey hey hey hey, I'm back  
Hey hey hey hey, (I'm back)  
Hey hey hey hey, (I'm back)  
Hey hey hey hey, (I'm back)  
Hey hey hey hey, (I'm back)  
Hey hey hey hey  
Back in black  
Yes I'm back in black

## 19 Bad Things

When you came in the air went out.  
And every shadow filled up with doubt.  
I don't know who you think you are,  
But before the night is through,  
I wanna do bad things with you.  
I'm the kind to sit up in his room.  
Heart sick and eyes filled up with blue.  
I don't know what you've done to me,  
But I know this much is true:  
I wanna do bad things with you.  
OK.

When you came in the air went out.  
And all those shadows there, are filled up  
with doubt.  
I don't know who you think you are,  
But before the night is through,  
I wanna do bad things with you.  
I wanna do real bad things with you.  
Ow ooh.  
I don't know what you've done to me,  
But I know this much is true:  
I wanna do bad things with you.  
I wanna do real bad things with you.

## 22 Beer Drinkers n Hell Raisers

If you see me walkin' down the line  
With my fav'rite honky tonk in mind  
Well, I'll be here around supper time  
With my can of dinner and a bunch of fine  
Beer drinkers, hell raisers, yeah  
Uh huh huh, baby, don't you wanna come  
with me?

The crowd gets loud when the band gets  
right  
Steel guitar cryin' through the night  
Yeah, try'n to cover up the corner fight  
But ev'rything's cool 'cause they's just tight  
Beer drinkers, hell raisers, yeah  
Huh, baby, don't you wanna come with me?  
Ah, play it boy

The joint was jumpin' like a cat on hot tin  
Lord, I thought the floor was gonna give in  
Soundin' a lot like a house congressional  
'Cause we're experimental and profes-  
sional

Beer drinkers, hell raisers, yeah  
Well, baby, don't you wanna come with me?

## 23 Behind Blue Eyes

No one knows what it's like  
To be the bad man  
To be the sad man  
Behind blue eyes  
No one knows what it's like  
To be hated  
To be fated  
To telling only lies  
But my dreams  
They aren't as empty  
As my conscience  
Seems to be  
I have hours  
Only lonely  
My love is vengeance  
That's never free  
No one knows what it's like  
To feel these feelings  
Like I do  
And I blame you  
No one bites back as hard  
On their anger  
None of my pain and woe  
Can show through  
But my dreams  
They aren't as empty  
As my conscience  
Seems to be  
I have hours  
Only lonely  
My love is vengeance  
That's never free  
When my fist clenches  
Crack it open  
Before I use it  
And lose my cool  
And when I smile  
Tell me some bad news  
Before I laugh  
And act like a fool

And if I swallow  
Anything evil  
Put your finger  
Down my throat  
And if I shiver  
Please give me a blanket  
Keep me warm  
Let me wear your coat  
No one knows what it's like  
To be the bad man  
To be the sad man  
Behind blue eyes

## 24 Bent

If I fall along the way  
Pick me up and dust me off  
And if I get too tired to make it  
Be my breath so I can walk  
If I need some other love, then  
Give me more than I can stand  
And when my smile gets old and faded  
Wait around I'll smile again  
Shouldn't be so complicated  
Just hold me and then  
Oh, just hold me again  
Can you help me I'm bent  
I'm so scared that I'll never  
Get put back together  
Keep breaking me in  
And this is how we will end  
With you and me bent  
If I couldn't sleep, could you sleep?  
Could you paint me better off?  
Could you sympathize with my needs?  
I know you think I need a lot  
I started out clean but I'm jaded  
Just phoning it in  
Oh, just breaking the skin  
Can you help me I'm bent  
I'm so scared that I'll never  
Get put back together  
Keep breaking me in  
And this is how we will end  
With you and me bent  
Start bending me, it's never enough  
As I feel all your pieces  
Start bending me, keep bending me  
Oh, until I'm completely broken in  
Shouldn't be so complicated  
Just touch me and then  
Oh, just touch me again  
Can you help me I'm bent  
I'm so scared that I'll never  
Get put back together

Keep breaking me in  
And this is how we will end  
With you and me will let them  
Without understanding  
Here I go there again  
Can you help me I'm bent  
I'm so scared that I'll never  
Get put back together  
Yeah, you're breaking me in  
And this is how we will end  
With you and me bent

## 25 Betterman

Waitin', watchin' the clock  
It's four o'clock, it's got to stop  
Tell him, take no more... she practices her  
speech  
As he opens the door, she rolls over  
Pretends to sleep as he looks her over  
She lies and says she's in love with him,  
can't find a better man  
She dreams in color, she dreams in red,  
can't find a better man  
Can't find a better man, can't find a better  
man  
Oh  
Talkin' to herself, there's no one else who  
needs to know  
She tells herself, oh  
Memories back when she was bold and  
strong, and waiting for the world to come  
along  
Swears she knew it, now she swears he's  
gone  
She lies and says she's in love with him,  
can't find a better man  
She dreams in color, she dreams in red,  
can't find a better man  
She lies and says she still loves him, can't  
find a better man  
She dreams in color, she dreams in red,  
can't find a better man  
Can't find a better man, can't find a better  
man  
Yeah  
She loved him, yeah, she don't want to  
leave this way  
She feeds him, yeah, that's why she'll be  
back again  
Can't find a better man, can't find a better  
man, can't find a better man, can't find a  
better man

## 26 Black Hole Sun

*breakdown note pushed*

### **Intro 7x**

### **Verse 16x + 4 ?**

In my eyes, indisposed  
In disguise as no one knows  
Hides the face, lies the snake  
The sun in my disgrace

Boiling heat, summer stench  
'Neath the black, the sky looks dead  
Call my name through the cream  
And I'll hear you scream again

### **Chorus 8x + 4 ?**

Black hole sun, won't you come?  
And wash away the rain  
Black hole sun, won't you come?  
Won't you come?

### **Verse 16x + 4 ?**

Stuttering, cold and damp  
Steal the warm wind, tired friend  
Times are gone for honest men  
And sometimes far too long for snakes

In my shoes, a walking sleep  
And my youth, I pray to keep  
Heaven send Hell away  
No one sings like you anymore  
Hang my head, drown my fear  
Till you all just disappear

### **Chorus 24x ?**

Black hole sun, won't you come?  
And wash away the rain  
Black hole sun, won't you come?  
Won't you come?  
(x3)

## 27 Black

### Intro 8x

Hey...ooh...

### Verse 16x

Sheets of empty canvas, untouched sheets  
of clay

Were laid spread out before me as her  
body once did.

All five horizons revolved around her soul

As the earth to the sun

Now the air I tasted and breathed has  
taken a turn

### Prechorus 16x ?

Ooh, and all I taught her was everything

Ooh, I know she gave me all that she wore

And now my bitter hands chafe beneath  
the clouds

Of what was everything?

Oh, the pictures have all been washed in  
black, tattooed everything...

### Verse 8x I take a walk outside

I'm surrounded by some kids at play

I can feel their laughter, so why do I sear

### Prechorus 32x ?

Oh, and twisted thoughts that spin round  
my head

I'm spinning, oh, I'm spinning

How quick the sun can, drop away

And now my bitter hands cradle broken  
glass

Of what was everything?

All the pictures have all been washed in  
black, tattooed everything... All the love

gone bad turned my world to black

Tattooed all I see, all that I am, all I'll  
be...yeah...

Uh huh...uh huh...ooh...

### Prechorus 8x

I know someday you'll have a beautiful life,

I know you'll be a star

In somebody else's sky, but why

Why, why can't it be, why can't it be mine...

### Outro 32x

do do doot do doo do doo (x?)

## 28 Blister In The Sun

When I'm out walkin' I strut my stuff, man,  
I'm so strung out  
I'm high as a kite, I just might stop to check  
you out  
Let me go on like I blister in the sun  
Let me go on, big hands, I know you're the  
one  
Body and beats, I stain my sheets, I don't  
even know why  
My girlfriend, she's at the end, she is start-  
ing to cry  
Let me go on like I blister in the sun  
Let me go on, big hands, I know you're the  
one  
When I'm out walkin' I strut my stuff, man,  
I'm so strung out  
I'm high as a kite, I just might stop to check  
you out  
When I'm out walkin' I strut my stuff, man,  
I'm so strung out  
I'm high as a kite, I just might stop to check  
you out  
Body and beats, I stain my sheets, I don't  
even know why  
My girlfriend, she's at the end, she is start-  
ing to cry  
When I'm out walkin' I strut my stuff, man,  
I'm so strung out  
I'm high as a kite, I just might stop to check  
you out  
Let me go on like I blister in the sun  
Let me go on, big hands, I know you're the  
one

## 29 Blue Monday

How does it feel to treat me like you do  
When you've laid your hands upon me and  
told me who you are  
I thought I was mistaken , I thought I heard  
your words  
Tell me how do I feel tell me now? How do  
I feel?  
How does it feel?  
How should I feel?  
Tell me how does it feel?  
To treat me like you do  
Those who came before me lived through  
their vocations  
From the past until completion they'll turn  
away no more  
And I still find it so hard to say what I need  
to say  
But I'm quite sure that you'll tell me just  
how I should feel today  
I see ship in the harbor, I can and shall  
obey  
But if it wasn't for your misfortunes I'd be  
a heavenly person today  
And I thought I was mistaken and I thought  
I heard you speak  
Tell me now how should I feel?  
Now I stand here waiting  
I thought I told you to leave me  
While I walked down to the beach  
Tell me how does it feel when your heart  
grows cold  
How does it feel?  
How should I feel?  
Tell me how does it feel?  
To treat me like you do

## 30 Born To Run

### Intro Vamp 8x

#### Verse 8x

In the day we sweat it out on the streets  
of a runaway American dream  
At night we ride through mansions of glory  
in suicide machines

#### B Section 14x

Sprung from cages out on Highway 9  
Chrome-wheeled, fuel-injected, and step-  
pin' out over the line  
Oh, baby, this town rips the bones from  
your back  
It's a death trap, it's a suicide rap  
We gotta get out while we're young  
'Cause tramps like us  
Baby, we were born to-

### Intro Vamp 8x

rims  
And strap your hands 'cross my engines

Together we could break this trap  
We'll run 'til we drop, baby, we'll never go  
back  
Oh, will you walk with me out on the wire?  
'Cause, baby, I'm just a scared and lonely  
rider  
But I gotta know how it feels  
I wanna know if love is wild  
Babe, I want to know if love is-

#### Bridge 1 16x

Beyond the Palace, hemi-powered drones

The amusement park rises bold and stark,  
kids are huddled on the beach in a mist  
I wanna die with you, Wendy, on the streets  
tonight in an everlasting kiss

#### Bridge 2 17x

*pause at the end 1-2-3-4!*

The highway's jammed with broken heroes  
on a last-chance power drive  
Everybody's out on the run tonight, but  
there's no place left to hide

Together, Wendy, we can live with the  
sadness  
I'll love you with all the madness in my  
soul  
Oh, someday, girl, I don't know when We're

wanna go

And we'll walk in the sun  
But 'til then tramps like us  
Baby, we were born to-

I would say I'm sorry  
If I thought that it would change your mind  
But I know that this time  
I have said too much  
Been too unkind  
I try to laugh about it  
Cover it all up with lies  
I try and laugh about it  
Hiding the tears in my eyes  
Because boys don't cry  
Boys don't cry  
I would break down at your feet  
And beg forgiveness  
Plead with you  
But I know that it's too late  
And now there's nothing I can do  
So I try to laugh about it  
Cover it all up with lies  
I try to laugh about it  
Hiding the tears in my eyes  
Because boys don't cry  
I would tell you  
That I loved you  
If I thought that you would stay  
But I know that it's no use  
That you've already  
Gone away  
Misjudged your limit  
Pushed you too far  
Took you for granted  
I thought that you needed me more  
Now I would do most anything  
To get you back by my side  
But I just keep on laughing  
Hiding the tears in my eyes  
Because boys don't cry  
Boys don't cry  
Boys don't cry

## 35 Budapest

My house in Budapest  
My hidden treasure chest,  
Golden grand piano  
My beautiful Castillo  
For you  
You  
I'd leave it all  
My acres of a land  
I have achieved  
It may be hard for you to,  
Stop and believe  
But for you  
You  
I'd Leave it all  
Give me one good reason  
Why I should never make a change  
And baby if you hold me  
Then all of this will go away  
My many artifacts  
The list goes on  
If you just say the words  
I'll up and run  
Oh, to you  
You  
I'd leave it all  
Give me one good reason  
Why I should never make a change  
And baby if you hold me  
Then all of this will go away  
Give me one good reason  
Why I should never make a change  
And baby if you hold me  
Then all of this will go away  
My friends and family  
They, don't understand  
They fear they'd lose so much  
If, you took my hand  
But, for you  
You,  
I'd lose it all.

Give me one good reason  
Why I should never make a change  
And baby if you hold me  
Then all of this will go away  
Give me one good reason  
Why I should never make a change  
And baby if you hold me  
Then all of this will go away  
My house in Budapest  
My hidden treasure chest,  
Golden grand piano  
My beautiful castillo  
You  
You  
I'd leave it all.

### Verse 6x

## 37 Can't Stop

Can't stop addicted to the shindig  
Chop top he says I'm gonna win big  
Choose not a life of imitation  
Distant cousin to the reservation  
Defunkt the pistol that you pay for  
This punk the feeling that you stay for  
In time I want to be your best friend  
Eastside love is living on the Westend  
Knock out but boy you better come to  
Don't die you know the truth is some do  
Go write your message on the pavement  
Burn so bright I wonder what the wave meant  
White heat is screaming in the jungle  
Complete the motion if you stumble  
Go ask the dust for any answers  
Come back strong with 50 belly dancers  
The world I love  
The tears I drop  
To be part of  
The wave can't stop  
Ever wonder if it's all for you  
The world I love  
The trains I hop  
To be part of  
The wave can't stop  
Come and tell me when it's time to  
Sweetheart is bleeding in the snow cone  
So smart she's leading me to ozone  
Music the great communicator  
Use two sticks to make it in the nature  
I'll get you into penetration  
The gender of a generation  
The birth of every other nation  
Worth your weight the gold of meditation  
This chapter's going to be a close one  
Smoke rings I know your going to blow one  
All on a spaceship persevering  
Use my hands for everything but steering  
Can't stop the spirits when they need you

Moptops are happy when they feed you  
J. Butterfly is in the treetop  
Birds that blow the meaning into bebop  
The world I love  
The tears I drop  
To be part of  
The wave can't stop  
Ever wonder if it's all for you  
The world I love  
The trains I hop  
To be part of  
The wave can't stop  
Come and tell me when it's time to  
Wait a minute I'm passing out  
Win or lose just like you  
Far more shocking  
Than anything I ever knew  
How about you  
Ten more reasons  
Why I need somebody new just like you  
Far more shocking than anything I ever knew  
Right on cue  
Can't stop addicted to the shindig  
Chop top he says I'm gonna win big  
Choose not a life of imitation  
Distant cousin to the reservation  
Defunkt the pistol that you pay for  
This punk the feeling that you stay for  
In time I want to be your best friend  
Eastside love is living on the Westend  
Knock out but boy you better come to  
Don't die you know the truth is some do  
Go write your message on the pavement  
Burn so bright I wonder what the wave meant  
Kick start the golden generator  
Sweet talk but don't intimidate her  
Can't stop the gods from engineering  
Feel no need for any interfering  
Your image in the dictionary  
This life is more than ordinary

Can I get two maybe even three of these  
Coming from space  
To teach you of the Pleides  
Can't stop the spirits when they need you  
This life is more than just a read through

## 39 Chasing Cars

We'll do it all  
Everything  
On our own  
We don't need  
Anything  
Or anyone  
If I lay here  
If I just lay here  
Would you lie with me  
And just forget the world?  
I don't quite know  
How to say  
How I feel  
Those three words  
Are said too much  
They're not enough  
If I lay here  
If I just lay here  
Would you lie with me  
And just forget the world?  
Forget what we're told  
Before we get too old  
Show me a garden  
That's bursting into life  
Let's waste time  
Chasing cars  
Around our heads  
I need your grace  
To remind me  
To find my own  
If I lay here  
If I just lay here  
Would you lie with me  
And just forget the world?  
Forget what we're told  
Before we get too old  
Show me a garden  
That's bursting into life  
All that I am  
All that I ever was

Is here in your perfect eyes  
They're all I can see  
I don't know where  
Confused about how as well  
Just know that these things  
Will never change for us at all  
If I lay here  
If I just lay here  
Would you lie with me  
And just forget the world?

## 40 Cheap Sunglasses

When you get up in the morning and the  
light is hurt your head  
the first thing you do when you get up out  
of bed  
is hit that streets a runnin' and try to beat  
the masses

and go get yourself some cheap sun-  
glasses  
oh yeah, oh yeah, oh yeah

Spied a little thing and i followed her all  
night  
in a funky fine levis and her sweater's kind  
of tight

she had a west coast strut that was as  
sweet as molases

but what really knocked me out was her  
cheap sunglasses  
oh yeah, oh yeah, oh yeah

(solo)

Now go out and get yourself some big  
black frames

with the glass so dark thay won't even  
know your name

and the choice is up to you cause they  
come in two classes:

rhinestone shades or cheap sunglasses

oh yeah, oh yeah, oh yeah

## 41 Closer To Fine

I'm trying to tell you something 'bout my life

Maybe give me insight between black and white

And the best thing you ever done for me

Is to help me take my life less seriously

It's only life after all, yeah

Well, darkness has a hunger that's insatiable

And lightness has a call that's hard to hear

And I wrap my fear around me like a blanket

I sailed my ship of safety till I sank it

I'm crawling on your shores

And I went to the doctor, I went to the mountains

I looked to the children, I drank from the fountains

There's more than one answer to these questions

Pointing me in a crooked line

And the less I seek my source for some definitive (The less I seek my source)

Closer I am to fine, yeah

Closer I am to fine, yeah

And I went to see the doctor of philosophy

With a poster of Rasputin and a beard down to his knee

He never did marry or see a B grade movie

He graded my performance, he said he could see through me

I spent four years prostrate to the higher mind

Got my paper and I was free

And I went to the doctor, I went to the mountains

I looked to the children, I drank from the fountains

There's more than one answer to these questions

Pointing me in a crooked line

And the less I seek my source for some definitive (The less I seek my source)

Closer I am to fine, yeah

Closer I am to fine, yeah

I stopped by the bar at 3 A.M.

To seek solace in a bottle or possibly a friend

And I woke up with a headache like my head against a board

Twice as cloudy as I'd been the night before

And I went in seeking clarity

I went to the doctor, I went to the mountains

I looked to the children, I drank from the fountains

We go to the doctor, we go to the mountains

We look to the children, we drink from the fountain

Yeah, we go to the Bible, we go through the workout

We read up on revival, we stand up for the lookout

There's more than one answer to these questions

Pointing me in a crooked line

And the less I seek my source for some definitive (The less I seek my source)

Closer I am to fine

Closer I am to fine

Closer I am to fine, yeah

## 42 Closing Time

Closing time, open all the doors  
And let you out into the world  
Closing time, turn all of the lights  
On over every boy and every girl  
Closing time, one last call for alcohol  
So finish your whiskey or beer  
Closing time, you don't have to go home  
But you can't stay here  
I know who I want to take me home  
I know who I want to take me home  
I know who I want to take me home  
Take me home  
Closing time, time for you to go out  
To the places you will be from  
Closing time, this room won't be open  
Till your brothers or your sisters come  
So gather up your jackets, move it to the  
exits  
I hope you have found a friend  
Closing time, every new beginning comes  
From some other beginning's end  
I know who I want to take me home  
I know who I want to take me home  
I know who I want to take me home  
Take me home  
Closing time, time for you to go out  
To the places you will be from  
I know who I want to take me home  
I know who I want to take me home  
I know who I want to take me home  
Take me home  
I know who I want to take me home  
I know who I want to take me home  
I know who I want to take me home  
Take me home  
Closing time, every new beginning comes  
From some other beginning's end

## 43 Cold Hard Bitch

Gotta leave town  
Got another appointment  
Spent all my rent  
Girl you know I enjoyed it, yeah  
Ain't gonna hang around  
Till there's nobody dancing  
I don't wanna hold hands  
And talk about our little plans, alright  
Cold hard bitch just a kiss on the lips  
Then I was on my knees, I'm waitin', give me  
Cold hard bitch she was shakin' her hips  
So that was all that I needed  
Gonna check her out  
She's my latest attraction  
Gonna hang around  
Wanna get a reaction, yeah  
Gonna take her home  
'Cause she's over romancing  
Don't wanna hold hands  
And talk about our little plans, alright  
Cold hard bitch just a kiss on the lips  
Then I was on my knees, I'm waitin', give me  
Cold hard bitch she was shakin' her hips  
So that was all that I needed, I'm waitin', give me  
Cold hard bitch just a kiss on the lips  
And I was on my knees  
Yeah I'm waitin', yeah I'm waitin'  
Yeah I'm waitin', yeah I'm waitin'  
Yeah, yeah  
Cold hard bitch just a kiss on the lips  
Then I was on my knees, I'm waitin', give me  
Cold hard bitch she was shakin' her hips  
So that was all that I needed, I'm waitin', give me  
Cold hard bitch just a kiss on the lips  
And I was on my knees, I'm waitin' give me

## 44 Come As You Are

Come as you are, as you were  
As I want you to be  
As a friend, as a friend  
As an old enemy  
Take your time, hurry up  
The choice is yours, don't be late  
Take a rest as a friend  
As an old  
Memoria, memoria  
Memoria, memoria  
Come doused in mud, soaked in bleach  
As I want you to be  
As a trend, as a friend  
As an old  
Memoria, memoria  
Memoria, memoria  
And I swear that I don't have a gun  
No I don't have a gun  
No I don't have a gun  
Memoria, memoria  
Memoria, memoria  
(No I don't have a gun)  
And I swear that I don't have a gun  
No I don't have a gun  
No I don't have a gun  
No I don't have a gun  
No I don't have a gun  
Memoria, memoria

## 46 Counting Blue Cars

“Tell me all your thoughts on God”

Must of been mid afternoon  
I could tell by how far  
The child's shadow stretched out and  
He walked with a purpose  
In his sneakers, down the street  
He had many questions  
Like children often do, he said  
“Tell me all your thoughts on God”  
“Tell me am I very far?”  
Must of been late afternoon  
On our way the sun broke free of the  
clouds  
We count only blue cars  
Skip the cracks, in the street  
And ask many questions  
Like children often do, we said  
“Tell me all your thoughts on God  
'Cause I would really like to meet her  
And ask her why we're who we are”  
“Tell me all your thoughts on God  
'Cause I am on my way to see her  
So tell me am I very far  
Am I very far now?”  
It's getting cold picked up the pace  
How our shoes make hard noises in this  
place  
Our clothes are stained  
We pass many cross eyed people  
And ask many questions  
Like children often do  
“Tell me all your thoughts on God  
'Cause I would really like to meet her  
And ask her why we're who we are”  
“Tell me all your thoughts on God  
'Cause I am on my way to see her  
So tell me am I very far?”  
Am I very far now?  
Am I very far now?  
Am I very far now?  
“Tell me all your thoughts on God”

## 47 Crash

You've got your ball  
you've got your chain  
tied to me tight tie me up again  
who's got their claws  
in you my friend  
Into your heart I'll beat again  
Sweet like candy to my soul  
Sweet you rock  
and sweet you roll  
Lost for you I'm so lost for you  
You come crash into me  
And I come into you  
I come into you  
In a boys dream  
In a boys dream  
Touch your lips just so I know  
In your eyes, love, it glows so  
I'm bare boned and crazy for you  
When you come crash  
into me, baby  
And I come into you  
In a boys dream  
In a boys dream  
If I've gone overboard  
Then I'm begging you  
to forgive me  
in my haste  
When I'm holding you so girl  
close to me  
Oh and you come crash  
into me, baby  
And I come into you  
Hike up your skirt a little more  
and show the world to me  
Hike up your skirt a little more  
and show your world to me  
In a boys dream. In a boys dream  
Oh I watch you there  
through the window  
And I stare at you

You wear nothing but you  
wear it so well  
tied up and twisted  
the way I'd like to be  
For you, for me, come crash  
into me

Break me down, you got a lovely face  
We're going to your place, and now you  
got to freak me out  
Scream so loud, getting fuckin' laid  
You want me to stay but I got to make my  
way  
Hey! You're a crazy bitch  
But you fuck so good I'm on top of it  
When I dream I'm doing you all night  
Scratches all down my back to keep me  
right on  
Hey! You're a crazy bitch  
But you fuck so good I'm on top of it  
When I dream I'm doing you all night  
Scratches all down my back to keep me  
right on  
Take it off, the paper is your game  
You jump in bed with fame  
Another one night paid in full  
You're so fine, it won't be a loss  
Cashing in the rocks just to get you face to  
face  
Hey! You're a crazy bitch  
But you fuck so good I'm on top of it  
When I dream I'm doing you all night  
Scratches all down my back to keep me  
right on  
Hey! You're a crazy bitch  
But you fuck so good I'm on top of it  
When I dream I'm doing you all night  
Scratches all down my back to keep me  
right on  
Get the video, fuck you so good  
Get the video, fuck you so good  
Crazy bitch, crazy bitch

But you fuck so good I'm on top of it  
When I dream I'm doing you all night  
Scratches all down my back to keep me

right on  
Hey! You're a crazy bitch  
But you fuck so good I'm on top of it  
When I dream I'm doing you all night  
Scratches all down my back, c'mon  
Baby girl you want it all  
To be a star you'll have to go down  
Take it off no need to talk  
You're crazy but I like the way you fuck me  
Hey! You're a crazy bitch  
But you fuck so good I'm on top of it  
When I dream I'm doing you all night  
Scratches all down my back to keep me  
right on  
Hey! You're a crazy bitch  
But you fuck so good I'm on top of it

## 51 Criminal

I've been a bad bad girl  
I've been careless with a delicate man  
And its a sad sad world  
When a girl will break a boy  
Just because she can  
Don't you tell me to deny it  
I've done wrong and I want to  
Suffer for my sins  
I've come to you 'cause I need  
Guidance to be ture  
And I just don't know where I can begin  
What I need is a good defense  
'Cause I'm feelin' like a criminal  
And I need to redeemed  
To the one I've sinned against  
Because he's all I ever knew of love  
Heaven help me for the way I am  
Save me from these evil deeds Before I get  
them done  
I know tomorrow brings the consequence  
At hand  
But I keep livin' this day like  
The next will never come  
Oh help me but don't tell me  
To deny it  
I've got to cleanse myself  
Of all these lies till I'm good  
Enough for him  
I've got a lot to lose and I'm  
Bettin' high  
So I'm beggin' you before it ends  
Just tell me where to begin  
What I need is a good defense  
'Cause I'm feelin' like a criminal  
And I need to redeemed  
To the one I've sinned against  
Because he's all I ever knew of love  
Let me know the way  
Before there's hell to pay  
Give me room to lay the law and let me go

I've got to make a play  
To make my lover stay  
So what would an angel say The devil  
wants to know  
What I need is a good defense  
'Cause I'm feelin' like a criminal  
And I need to redeemed  
To the one I've sinned against  
Because he's all I ever knew of love  
What I need is a good defense  
'Cause I'm feelin' like a criminal  
And I need to redeemed  
To the one I've sinned against  
Because he's all I ever knew of love

Or down in London town to go, go

In the crowded lonely night  
Well I wait so long  
For my love vibration  
And I'm dancing with myself

## 54 Dani California

Gettin' born in the state of Mississippi  
Poppa was a copper and her momma was  
a hippie  
In Alabama she was swinging hammer  
Price you gotta pay when you break the  
panorama  
She never knew that there was anything  
more than poor  
What in the world does your company take  
me for?  
Black bandana, sweet Louisiana  
Robbin' on a bank in the state of Indiana  
She's a runner, rebel and a stunner  
On her merry way saying baby what you  
gonna  
Lookin' down the barrel of a hot metal .45  
Just another way to survive  
California rest in peace  
Simultaneous release  
California show your teeth  
She's my priestess, I'm your priest  
Yeah, yeah  
She's a lover, baby and a fighter  
Should've seen her coming when it got a  
little brighter  
With a name like Dani California  
Day was gonna come when I was gonna  
mourn ya  
A little loaded she was stealing another  
breath  
I love my baby to death  
California rest in peace  
Simultaneous release  
California show your teeth  
She's my priestess, I'm your priest  
Yeah, yeah  
Who knew the other side of you?  
Who knew what others died to prove?  
Too true to say goodbye to you  
Too true, too sad sad sad

Push the fader, gifted animator  
One for the now and eleven for the later  
Never made it up to Minnesota  
North Dakota man was a gunnin' for the  
quota  
Down in the badlands she was saving the  
best for last  
It only hurts when I laugh  
Gone too fast  
California rest in peace  
Simultaneous release  
California show your teeth  
She's my priestess, I'm your priest  
Yeah, yeah  
California rest in peace  
Simultaneous release  
California show your teeth  
She's my priestess, I'm your priest  
Yeah, yeah

## 55 Dark Necessities

Coming on to the light of day  
We got many moons that are deep at play  
So I keep an eye on the shadow smile  
To see what it has to say  
You and I both know  
Everything must go away  
What do you say?  
Spinning Knot that is on my heart  
Is like a bit of light in a touch of dark  
You got sneak attack from the zodiac  
But I see your fire spark  
Eat the breeze and go  
Blow by blow and go away  
What do you say?  
Yeah, you don't know my mind  
You don't know my kind  
Dark Necessities are part of my design and  
Tell the world that I'm falling from the sky  
Dark necessities are part of my design  
Stumble down to the parking lot  
You got no time for the after thought  
They're like ice cream for an astronaut  
Well that's me looking for we  
Turn the corner and...  
Find the world at your command  
Playing the hand  
Yeah, you don't know my mind  
You don't know my kind  
Dark necessities are part of my design  
Tell the world that I'm falling from the sky  
Dark necessities are part of my design  
Do you want this love of mine?  
Darkness helps us all to shine  
Do you want it, do you want it now?  
Do you want it all the time?  
But darkness helps us all to shine  
Do you want it, do you want it now?  
Pick you up like a paper back  
With the track record of a maniac  
So I move it in and we unpack

It's the same as yesterday  
Any way we roll  
Everything must go away,  
What do you say?  
Yeah, you don't know my mind  
You don't know my kind  
Dark necessities are part of my design  
Tell the world that I'm falling from the sky  
Dark necessities are part of my design

## 56 Darling Nikki

I knew a girl named Nikki  
I guess u could say she was a sex fiend  
I met her in a hotel lobby  
Masturbating with a magazine  
She said how'd u like 2 waste some time  
And I could not resist when I saw little  
Nikki grind  
She took me 2 her castle  
And I just couldn't believe my eyes  
She had so many devices  
Everything that money could buy  
She said sign your name on the dotted  
line  
The lights went out  
And Nikki started 2 grind  
Nikki  
The castle started spinning  
Or maybe it was my brain  
I can't tell u what she did 2 me  
But my body will never be the same  
Her lovin' will kick your behind  
Oh, she'll show u no mercy  
But she'll sho'nuff, sho'nuff show u how 2  
grind  
Darlin' Nikki  
Woke up the next morning  
Nikki wasn't there  
I looked all over and all I found  
Was a phone number on the stairs  
It said thank u 4 a funky time  
Call me up whenever u want 2 grind  
Oh, Nikki, ohhhh  
Come back Nikki, come back  
Your dirty little prince  
Wanna grind, grind, grind, grind, grind,  
grind, grind, grind, grind  
"Hello, how r u? I'm fine. 'cause I know  
That the lord is coming soon, coming,  
coming soon."

## 57 Daughter

Alone listless breakfast table in an other-  
wise empty room

Young girl, violin's center of her own at-  
tention

The mother reads aloud, child, tries to  
understand it

Tries to make her proud

The shades go down, into her head

Painted room, can't deny there's some-  
thing wrong

Don't call me daughter, not fit to

The picture kept will remind me

Don't call me daughter, not fit to

The picture kept will remind me

Don't call me

She holds the hand that holds her down

She will rise above

Don't call me daughter, not fit to

The picture kept will remind me

Don't call me daughter, not fit to be

The picture kept will remind me

Don't call me daughter, not fit to

The picture kept will remind me

Don't call me daughter, not fit to

The picture kept will remind me

Don't call me

The shades go down

The shades go down

The shades go down

The shades go down

I see a girl of the night

With a baby in her hand

Under an old street light

Oh, next to a garbage can

Now she's put her kid away

She's going to get a hit

She hates her life

And what she's done with it

That's one more kid

That'll never go to school

Never get to fall in love

Never get to be cool

That's one more kid

That'll never go to school

Never get to fall in love

Never get to be cool

He won the lottery

When he was born

A big hand slapped

The white male American

Do no wrong

So clean cut

Dirty his hands

It comes right off

Police man, police man

## 58 Demons

When the days are cold and the cards all fold  
And the saints we see are all made of gold  
When your dreams all fail and the ones we hail  
Are the worst of all and the blood's run stale  
I want to hide the truth, I want to shelter you  
But with the beast inside, there's nowhere we can hide  
No matter what we breed, we still are made of greed  
This is my kingdom come, this is my kingdom come  
When you feel my heat, look into my eyes  
It's where my demons hide, it's where my demons hide  
Don't get too close, it's dark inside  
It's where my demons hide, it's where my demons hide  
At the curtain's call is the last of all  
When the lights fade out, all the sinners crawl  
So they dug your grave and the masquerade  
Will come calling out at the mess you made  
I Don't want to let you down, but I am hell bound  
Though this is all for you I don't want to hide the truth  
No matter what we breed, we still are made of greed  
This is my kingdom come, this is my kingdom come  
When you feel my heat, look into my eyes  
It's where my demons hide, it's where my demons hide  
Don't get too close, it's dark inside  
It's where my demons hide, it's where my

demons hide

They say it's what you make, I say it's up to fate

It's woven in my soul, I need to let you go

Your eyes, they shine so bright, I want to save their light

I can't escape this now, unless you show me how

When you feel my heat, look into my eyes

It's where my demons hide, it's where my demons hide

Don't get too close, it's dark inside

It's where my demons hide, it's where my demons hide

## 61 Don't Go Back To Rockville

REM

Miscellaneous

Don't Go Back To Rockville

Looking at your watch a third time waiting  
in the station for a bus

Going to a place that's far, so far away and  
if that's not enough

Going where nobody says hello, they don't  
talk to anybody they don't know

You'll wind up in some factory that's full  
time filth and nowhere left to go

Walk home to an empty house, sit around  
all by yourself

I know it might sound strange, but I believe  
You'll be coming back before too long

Don't go back to Rockville

And waste another year

At night I drink myself to sleep and pretend  
I don't care if you're not here with me

'Cause it's so much easier to handle

All my problems if I'm too far out to sea

But something better happen soon

Or it's gonna be too late to bring you back

It's not as though I really need you

If you were here I'd only bleed you

But everybody else in town only wants to  
bring you down and

That's not how it ought to be

I know it might sound strange, but I believe  
You'll be coming back before too long

I changed by not changing at all, small  
town predicts my fate  
Perhaps that's what no one wants to see

I just wanna scream hello  
My god, it's been so long, never dreamed  
you'd return

But now here you are, and here I am  
Hearts and thoughts, they fade away

### Chorus 24x +

Hearts and thoughts, they fade, fade away  
Hearts and thoughts, they fade, fade away

Hearts and thoughts, they fade away  
Hearts and thoughts, they fade, fade away  
Hearts and thoughts, they fade, fade away  
Hearts and thoughts, they fade, fade away  
Hearts and thoughts, they fade

## 64 Enter Sandman

Say your prayers little one  
Don't forget my son  
To include everyone  
I tuck you in, warm within  
Keep you free from sin  
'Til the sandman, he comes, yeah  
Sleep with one eye open  
Grippin' your pillow tight  
Exit light  
Enter night  
Take my hand  
Off to never, never land  
Something's wrong, shut the light  
Heavy thoughts tonight  
And they aren't of snow white  
Dreams of war, dreams of liars  
Dreams of dragons fire  
And of things that will bite, yeah  
Sleep with one eye open  
Grippin' your pillow tight  
Exit light  
Enter night  
Take my hand  
Off to never, never land  
Now I lay me down to sleep  
Now I lay me down to sleep  
Pray the Lord my soul to keep  
Pray the Lord my soul to keep  
If I die before I wake  
If I die before I wake  
Pray the lord my soul to take  
Pray the lord my soul to take  
Hush little baby, don't say a word  
And never mind that noise you heard  
It's just the beasts under your bed  
In your closet, in your head  
Exit light  
Enter night  
Grain of sand  
Exit light

Enter night  
Take my hand  
Off to never, never land  
We're off to never, never land  
(Take my hand)  
We're off to never, never land  
(Take my hand)  
We're off to never, never land

## 65 Even Flow

Freezin', rests his head on a pillow made  
of concrete, again  
Oh, feelin', maybe he'll see a little better  
set a days  
Oh, hand out faces that he sees time again,  
ain't that familiar  
Oh, dark grin, he can't help when he's  
happy, looks insane, yeah  
Even flow, thoughts arrive like butterflies  
Oh, he don't know, so he chases them  
away, yeah  
Oh, someday yet, he'll begin his life again  
Life again, life again  
Kneeling, looking through the paper  
though he doesn't know to read  
Oh, praying, now to something that has  
never showed him anything  
Oh, feeling understands the weather of  
the winters on its way  
Oh, ceilings, few and far between all the  
legal halls of shame, yeah  
Even flow, thoughts arrive like butterflies  
Oh, he don't know, so he chases them  
away  
Oh, someday yet, he'll begin his life again  
Oh, whispering hands gently lead him  
away  
Him away, him away, yeah  
Oh, even flow, thoughts arrive like butter-  
flies  
Oh, he don't know, so he chases them  
away, yeah  
Someday yet, he'll begin his life again,  
maybe in the next life  
Whispering hands gently lead him away  
Him away, him away, yeah

### Intro 2x

### Verse 8x

Well I guess it would be nice  
If I could touch your body

But I've got to think twice  
Before I give my heart away  
And I know all the games you play  
Because I play them too

### Pre chorus 8x

Oh but I  
Need some time off  
From that emotion  
Time to pick my heart up off the floor  
Oh, and that love comes down  
Without devotion  
Well it takes a strong man baby  
But I'm showing you the door

### Chorus 4x

Because I gotta have faith  
I gotta have faith  
Because I got to have faith, faith  
I gotta have faith, faith, faith

### Verse 8x

Baby  
I know you're asking me to stay  
Sayin' please, please, please, don't go  
away  
You say I'm giving you the blues  
Maybe  
You mean every word you say  
Can't help but think of yesterday  
And another who tied me down to lover  
boy rules

### Pre chorus 8x

Before this river  
Becomes an ocean  
Before you throw my heart back  
On the floor  
Oh, baby I reconsider

## 74 Fire On The Mountain

Long distance runner, what you standin'  
there for?

Get up, get out, get out of the door  
Your playin' cold music on the barroom  
floor

Drowned in your laughter and dead to the  
core

There's a dragon with matches that's loose  
on the town

Takes a whole pail of water just to cool  
him down

Fire! Fire on the mountain

Almost ablaze still you don't feel the heat  
It takes all you got just to stay on the beat

You say it's a livin', we all gotta eat

But you're here alone, there's no one to  
compete

If Mercy's a bus'ness, I wish it for you

More than just ashes when your dreams  
come true

Fire! Fire on the mountain

Long distance runner, what you holdin'  
out for?

Caught in slow motion in a dash for the  
door

The flame from your stage has now spread  
to the floor

You gave all you had. Why you wanna give  
more?

The more that you give, the more it will  
take

To the thin line beyond which you really  
can't fake

## 75 Fly Away

I wish that I could fly  
Into the sky  
So very high  
Just like a dragonfly  
I'd fly above the trees  
Over the seas  
In all degrees  
To anywhere I please  
Oh, I want to get away  
I want to fly away  
Yea, yea, yea  
I want to get away  
I want to fly away  
Yea, yea, yea  
Let's go and see the stars  
The Milky Way or even Mars  
Where it could just be ours  
Let's fade into the sun  
Let your spirit fly  
Where we are one  
Just for a little fun  
Oh, oh, oh yea  
I want to get away  
I want to fly away  
Yea, yea, yea  
I want to get away  
I want to fly away  
Yea, yea, yea  
I got to get away  
Girl I got to get away  
Oh, oh, oh yea  
I want to get away  
I want to fly away  
Yea, yea, yea  
(With you )  
Oh yeah  
I want to get away  
I want to fly away  
Yea, yea, yea  
(With you )

I got to get away  
I want to get away  
I want to get away  
I want to get away  
I want to get away  
Yea  
I want to get away  
I want to fly away  
Yea, yea, yea  
(With you )  
Girl I got to get away  
I want to get away  
I want to get away  
I want to get away  
I want to get away  
Yea  
I want to get away  
I want to fly away  
Yea, yea, yea  
(With you )  
Yea, yea, yea, yea, yea

## 76 Follow Me

You don't know how you met me  
You don't know why  
You can't turn around and say goodbye  
All you know is when I'm with you  
I make you free  
And swim through your veins like a piss in  
the sea  
I'm singin'  
Follow me everything is alright  
I'll be the one to tuck you in at night  
And if you  
Want to leave I can guarantee  
You won't find nobody else like me  
I'm not worried bout the ring you wear  
'Cause as long as no one knows than no-  
body can care  
You're feelin' guilty and I'm well aware  
But you don't look ashamed and baby I'm  
not scared  
I'm singin'  
Follow me everything is alright  
I'll be the one to tuck you in at night  
And if you  
Want to leave I can guarantee  
You won't find nobody else like me  
Won't give you money  
I can't give you the sky  
Your better off if you don't ask why  
I'm not the reason that you go astray and  
We'll be all right if you don't ask me stay  
Follow me everything is alright  
I'll be the one to tuck you in at night  
And if you  
Want to leave I can guarantee  
You won't find nobody else like me  
You don't know how you met me  
You don't know why  
You can't turn around and say goodbye  
All you know is when I'm with you  
I make you free

And swim through your veins like a piss in  
the sea  
I'm singin'  
Follow me everything is alright  
I'll be the one to tuck you in at night  
And if you  
Want to leave I can guarantee  
You won't find nobody else like me  
Follow me everything is alright  
I'll be the one to tuck you in at night  
And if you  
Want to leave I can guarantee  
You won't find nobody else like me  
Follow me everything is alright  
I'll be the one to tuck you in at night  
And if you  
Want to leave I can guarantee  
You won't find nobody else like me

## 77 Folsom Prison Blues

### Intro 2x

### Verse 11x

I hear the train a comin'  
it's rollin' 'round the bend  
And I ain't seen the sunshine  
since I don't know when

I'm stuck at Folsom Prison  
and time keeps draggin' on

But that train keeps rollin'  
on down to San Antone

### Verse 11x

When I was just a baby,  
my mama told me  
"Son always be a good boy,  
don't ever play with guns"

But I shot a man in Reno,  
just to watch him die

When I hear that whistle blowin'  
I hang my head and cry

### Solo 11x

### Verse 11x

I bet there's rich folk eatin'  
from a fancy dinin' car  
They're prob'ly drinkin' coffee  
and smokin' big cigars

Well I know I had it comin',  
I know I can't be free

But those people keep a movin',  
and that's what tortures me

### Solo 11x

... (heidi ho!!!)

### Verse 11x

Well, if they freed me from this prison,  
if that railroad train was mine

I bet I'd move it a little farther down the  
line

Far from Folsom Prison,  
that's where I want to stay  
And I'd let that lonesome whistle  
blow my blues away

### Outro 2x

## 78 Free Fallin'

She's a good girl, loves her mama  
Loves Jesus and America too  
She's a good girl, crazy 'bout Elvis  
Loves horses and her boyfriend too  
It's a long day living in Reseda  
There's a freeway runnin' through the yard  
And I'm a bad boy 'cause I don't even miss  
her  
I'm a bad boy for breakin' her heart  
And I'm free, free fallin'  
Yeah, I'm free, free fallin'  
And all the vampires walkin' through the  
valley  
Move west down Ventura Boulevard  
And all the bad boys are standing in the  
shadows  
And the good girls are home with broken  
hearts  
And I'm free, free fallin'  
Yeah, I'm free, free fallin'  
Free fallin', now I'm free fallin', now I'm  
Free fallin', now I'm free fallin', now I'm  
I wanna glide down over Mulholland  
I wanna write her name in the sky  
I'm gonna free fall out into nothin'  
Gonna leave this world for a while  
And I'm free  
(Free fallin', now I'm free fallin', now I'm)  
Free fallin'  
(Free fallin', now I'm free fallin', now I'm)  
Yeah I'm free  
(Free fallin', now I'm free fallin', now I'm)  
Free fallin'  
(Free fallin', now I'm free fallin', now I'm)  
(Free fallin', now I'm free fallin', now I'm)  
Yeah I'm free, free fallin'  
(Free fallin', now I'm free fallin', now I'm)  
Free fallin'  
(Free fallin', now I'm free fallin', now I'm)  
And I'm free

(Free fallin', now I'm free fallin', now I'm)  
Free fallin'

(Free fallin', now I'm free fallin', now I'm)  
(Free fallin', now I'm free fallin', now I'm)

## 80 Gimme All Your Lovin

I got to have a shot  
'Cause what you got is oh so sweet  
You got to make it hot  
Like a boomerang I need a repeat  
Gimme all your lovin'  
All your hugs and kisses too  
Gimme all your lovin'  
Don't let up until we're through  
You got to whip it up  
And hit me like a ton of lead  
If I blow my top  
Will you let it go to your head?  
Gimme all your lovin'  
All your hugs and kisses too  
Gimme all your lovin'  
Don't let up until we're through  
You got to move it up  
And use it like a screwball would  
You got to pack it up  
Work it like a new boy should  
Gimme all your lovin'  
All your hugs and kisses too  
Gimme all your lovin'  
Don't let up until we're through

## 81 Gimme Shelter

Yeah, a storm is threatening  
My very life today  
If I don't get some shelter  
Lord, I'm gonna fade away  
War, children, yeah, it's just a shot away  
It's just a shot away  
War, children, yeah, it's just a shot away  
It's just a shot away, hey, yeah  
Oh, see the fire is sweepin'  
At our streets today  
Burnin' like a red coal carpet  
A mad bull lost its way  
War, children, yeah, it's just a shot away  
It's just a shot away  
War, children, yeah, it's just a shot away  
It's just a shot away, hey, yeah  
Rape, murder, it's just a shot away  
It's just a shot away  
Rape, murder, it's just a shot away  
It's just a shot away  
Rape, murder, it's just a shot away  
It's just a shot away  
Yeah, a storm is threatening  
My very life today  
A gimme, a gimme shelter  
Or I'm gonna fade away  
War, children, yeah, it's just a shot away  
It's just a shot away  
War, children, yeah, it's just a shot away  
It's just a shot away  
It's just a shot away, it's just a shot away  
It's just a shot away, shot away, shot away  
It's just a shot away, it's just a shot away  
It's just a shot away, shot away, shot away  
I tell love, sister, yeah, it's just a kiss away  
I tell love, sister, yeah, it's just a kiss away  
It's just a kiss away, it's just a kiss away  
It's just a kiss away, it's just a kiss away  
Kiss away, kiss away  
It's just a kiss away, it's just a kiss away

It's just a kiss away, it's just a kiss away  
Kiss away, kiss away, kiss away, kiss away  
Gimme shelter, yeah, gimme shelter, yeah  
Gimme shelter, yeah, gimme shelter  
Gimme shelter, gimme shelter

## 82 Gimme Three Steps

### Intro 9x

### Intro 2 17x

### Verse 1 17x

I was cutting a rug  
Down at a place called Jug  
With a girl named Linda Lu  
When I walked a man  
With a gun in his hand  
And he was looking for you know who  
He said, "Hey fat fellow  
With the hair colored yellow  
Watcha tryin' to prove?  
'Cause that's my woman there  
And I'm a man who cares  
And this might be all for you"  
... I said, "Excuse me"

### Bridge 8x

### Verse 2 17x

I was scared and fearing for my life  
I was shakin' like a leaf on a tree  
'Cause he was lean, mean  
Big and bad, Lord  
Pointin' that gun at me  
Oh, wait a minute, Mister  
I didn't even kiss her  
Don't want no trouble with you  
And I know you don't owe me  
But I wish you would let me  
Ask one favor from you

### Chorus 9x

Oh, won't you give me three steps  
Gimme three steps, Mister  
Gimme three steps towards the door  
Gimme three steps  
Gimme three steps, Mister  
And you'll never see me no more, for sure

### Bridge 17x

### Verse 3 17x

Well, the crowd cleared away  
And I began to pray  
And the water fell on the floor  
And I'm telling you son  
Well, it ain't no fun  
Staring straight down a forty four  
Well, he turned and screamed at Linda Lu  
And that's the break I was looking for  
And you could hear me screaming a mile  
away  
As I was headed out towards the door

### Chorus 9x

Oh, won't you give me three steps  
Gimme three steps, Mister  
Gimme three steps towards the door  
Gimme three steps  
Gimme three steps, Mister  
And you'll never see me no more  
Show me the back door

### Solo Out

## 83 Give Me One Reason

Give me one reason to stay here  
And I'll turn right back around  
Give me one reason to stay here  
And I'll turn right back around  
Said, I don't wanna leave you lonely  
You got to make me change my mind  
Baby, I got your number  
And I know that you got mine  
You know that I called you  
I called too many times  
You can call me, baby  
You can call me anytime  
You got to call me  
Give me one reason to stay here  
And I'll turn right back around  
Give me one reason to stay here  
And I'll turn right back around  
Said, I don't wanna leave you lonely  
You got to make me change my mind  
I don't want no one to squeeze me  
They might take away my life  
I don't want no one to squeeze me  
They might take away my life  
I just want someone to hold me  
And rock me through the night  
This youthful heart can love you, yes  
And give you what you need  
I said, This youthful heart can love you  
And give you what you need  
But I'm too old to go chasing you around  
Wasting my precious energy  
Give me one reason to stay here  
And I'll turn right back around  
Give me one reason to stay here  
I'll turn right back around  
Said, I don't wanna leave you lonely  
You got to make me change my mind  
Baby just give me one reason  
Give me just one reason why  
Baby just give me one reason

Give me just one reason why I should stay  
Said, I told you that I loved you  
And there ain't no more to say

## 84 Givin The Dog A Bone

She takes you down easy  
Going down to her knees  
Going down to the devil  
Down down to ninety degrees  
Oh, she's blowing me crazy  
'Til my ammunition is dry  
Oh, She's using her head again  
She's using her head  
Oh, She's using her head again  
I'm just a givin' the dog a bone  
Givin' the dog a bone  
Givin' the dog a bone  
Givin' the dog a bone  
I'm just a givin' the dog a bone  
Givin' the dog a bone  
I'm just a givin' the dog a bone  
Givin' the dog a bone  
Yeow  
She's no Mona Lisa  
No, she's no Playboy star  
But she'll send you to heaven  
Then explode you to Mars  
Oh, she's using her head again  
Using her head again  
She's using her head  
Using her head again  
Oh, she's using her head again  
Using her head  
I'm just a givin' the dog a bone  
Givin' the dog a bone  
Givin' the dog a bone  
Givin' the dog a bone  
I'm just a givin' the dog a bone  
Givin' the dog a bone  
I'm just a givin' the dog a bone  
Givin' the dog a bone  
Let's go  
Oooh, oh, oh, oh

She got the power of union  
Yeah, she only hits when it's hot  
And if she likes what you're doing  
Yeah, she'll give you alot  
(Given everything she got)

I've just given the dog a bone  
Givin' the dog a bone  
Givin' the dog a bone  
Givin' the dog a bone  
Givin' the dog a bone  
Givin' the dog a bone  
I've just given the dog a bone  
Givin' the dog a bone  
I'm just givin' the dog a bone  
Givin' the dog a bone  
Givin' the dog a bone  
Givin' the dog a bone  
Givin' the dog a bone  
I'm just a givin' the dog a bone  
Givin' the dog a bone  
I'm just a given a dog  
Givin' a dog  
Givin' a dog  
Ooooh  
I'm just a givin' a dog a bone

## 85 Glycerine

It must be your skin I'm sinking in  
Must be for real 'cause now I can feel  
And I didn't mind, it's not my kind  
It's not my time to wonder why  
Every thing's gone white and every thing's  
gray  
Now you're here, now you're away  
I don't want this, remember that  
I'll never forget where you're at  
Don't let the days go by, Glycerine, Glycer-  
ine  
I'm never alone, I'm alone all the time  
Are you at one or do you lie  
We live in a wheel where everyone steals  
But when we rise, it's like strawberry fields  
If I treated you bad, you bruise my face  
Couldn't love you more, you got a beauti-  
ful taste  
Don't let the days go by  
Could have been easier on you  
I couldn't change though I wanted to  
Should have been easier by three  
Our old friend 'Fear' and you and me  
Glycerine, Glycerine  
Don't let the days go by, Glycerine  
Don't let the days go by, Glycerine, Glycer-  
ine  
Glycerine, Glycerine  
Bad mood whine again  
Bad mood whine again  
As she falls around me  
I needed you more when we wanted us less  
I could not kiss, just regress  
It might just be clear, simple and plain  
Well, that's just fine, that's just one of my  
names  
Don't let the days go by  
Could have been easier on you, you, you  
Glycerine, Glycerine, Glycerine, Glycerine

## 86 God of Wine

<https://www.youtube.com/watch?v=azCHkooe-gc>

### Intro 8x

### Verse 16x

Every thought that I repent  
There's another chip you haven't spent  
And you're cashing them all in  
Where do we begin to get clean again  
Can we get clean again

I walk home alone with you  
In the mood you're born into  
Sometimes you let me in  
And I take it on the chin  
I can't get clean again  
I want to know, can we get clean again

### Verse 16x

The God of Wine comes crashing through  
The headlights of a car that took you farther  
Than you thought you'd ever want to go  
We can't get back again ...  
We can't get back again ...  
She takes a drink and then she waits  
The alcohol it permeates  
And soon the cells give way,  
and cancels out the day

### Guitar Solo 8x

### Breakdown 16x

I can't keep it all together ...  
I know I know I know I know I know  
I can't keep it all together

...

And the siren's song that is your madness  
Holds a truth I can't erase  
All alone on your face

...

### Intro Vamp ? 4x

### Verse 16x

Every glamorous sunrise  
Throws the planets out of line  
A star sign out of whack, a fraudulent zodiac

And the God of Wine is crouched down in my room

You let me down, I said it, now I'm going down

And you're not even around

And I said no no no no no no no no

...

### Breakdown 16x

I can't keep it all together  
I know I know I know I know I know  
I can't keep it all together

...

And there's a memory of a window, Looking through I see you  
Searching for something I could never give you

There's someone who understands You more than I do

A sadness I can't erase, All alone on your face

### Intro Vamp ? 4x

Goin' down the road feelin' bad  
Goin' down the road feelin' bad  
Goin' down the road feelin' bad  
I don't want to be treated this away  
Goin' where the climate suits my clothes  
Goin' where the climate suits my clothes

I don't want to be treated this away  
Goin' down the road feelin' bad  
Goin' down the road feelin' bad  
Goin' down the road feelin' bad  
I don't want to be treated this away  
Goin' where the water tastes like wine  
Goin' where the water tastes like wine

I don't want to be treated this away  
Goin' down the road feelin' bad  
Goin' down the road feelin' bad  
Goin' down the road feelin' bad  
I don't want to be treated this away  
Goin' where the chilly winds don't blow  
Goin' where the chilly winds don't blow  
Goin' where those chilly winds don't blow  
I don't want to be treated this away

## 88 Gone Gone Gone

When life leaves you high and dry  
I'll be at your door tonight  
If you need help, if you need help  
I'll shut down the city lights,  
I'll lie, cheat, I'll beg and bribe  
To make you well, to make you well  
When enemies are at your door  
I'll carry you way from more  
If you need help, if you need help  
Your hope dangling by a string  
I'll share in your suffering  
To make you well, to make you well  
Give me reasons to believe,  
That you would do the same for me  
And I would do it for you, for you  
Baby I'm not moving on  
I love you long after you're gone  
For you, for you  
You would never sleep alone  
I love you long after you're gone  
And long after you're  
Gone, gone, gone  
When you fall like a statue  
I'm gon' be there to catch you  
Put you on your feet, you on your feet  
And if your well is empty  
Not a thing will prevent me  
Tell me what you need,  
What do you need  
I surrender honestly  
You've always done the same for me  
So I would do it for you, for you  
Baby I'm not moving on  
I love you long after you're gone  
For you, for you  
You would never sleep alone  
I love you long after you're gone  
And long after you're  
Gone, gone, gone  
You're my back bone,

You're my cornerstone  
You're my crutch when my legs stop mov-  
ing  
You're my headstart,  
You're my rugged heart  
You're the pokes that I've always needed  
Like a drum baby don't stop beating  
Like a drum baby don't stop beating  
Like a drum baby don't stop beating  
Like a drum my heart never stops beating  
For you, for you  
Baby I'm not moving on  
I love you long after you're gone  
For you, for you  
You would never sleep alone  
I love you long after you're gone  
For you, for you  
Baby I'm not moving on  
I love you long after you're gone  
For you, for you  
You would never sleep alone  
I love you long, long after you're gone  
Like a drum baby don't stop beating  
Like a drum baby don't stop beating  
Like a drum baby don't stop beating  
Like a drum my heart never stops beating  
for you  
And long after you're gone, gone, gone  
I love you long after you're gone gone gone

## 89 Gone Shootin

Feel the pressure rise Hear the whistle  
blow Bought a ticket on her own accord  
To I don't know Packed her heart in a  
traveling bag And never said bye bye  
Something's missing in the neighborhood  
All the cryin' eyes I stirred my coffee with  
the same spoon To a favorite tune

Gone shootin' My baby's gone shootin'

Wrap yourself around Like a second skin  
backed her favorite nag But she could  
never win I took her number in another  
town She took another pill She was run-  
ning in overdrive Up until my overkill She  
never made it passed the bedroom door  
What was she aiming for?

Gone shootin' She's gone, gone gone gone

Gone shootin' My baby's gone shootin'  
Gone shootin' Got everything you could  
ever want She's gone, gone gone gone,  
she's gone Gone shootin' # Good Times  
Bad Times

Led Zeppelin

Led Zeppelin

Good Times Bad Times

In the days of my youth

I was told what it means to be a man,

Now I've reached the age

I've tried to do all those things the best I  
can.

No matter how I try,

I find my way into the same old jam.

*Good Times, Bad Times,*

*You know I had my share;*

*When my woman left home*

*For a brown eyed man,*

*Well, I still don't seem to care.*

*Sixteen: I fell in love*

*With a girl as sweet as could be,*

*Only took a couple of days*

*Till she was rid of me.*

*She swore that she would be all mine*

*And love me till the end,*

*But when I whispered in her ear*

*I lost another friend, oooh.*

Chorus

I know what it means to be alone,

I sure do wish I was at home.

I don't care what the neighbors say,

I'm gonna love you each and every day.

You can feel the beat within my heart.

Realize, sweet babe, we ain't ever gonna  
part.

## 90 Gravity

Gravity is working against me  
And gravity wants to bring me down  
Oh, I'll never know what makes this man  
With all the love that his heart can stand  
Dream of ways to throw it all away  
Whoa, gravity is working against me  
And gravity wants to bring me down  
Oh, twice as much ain't twice as good  
And can't sustain like one half could  
It's wanting more that's gonna send me to  
my knees  
Oh twice as much ain't twice as good  
And can't sustain like one half could  
It's wanting more that's gonna send me to  
my knees  
Whoa, gravity, stay the hell away from me  
Whoa, gravity has taken better men than  
me  
Now how can that be?  
Just keep me where the light is  
Just keep me where the light is  
Just keep me where the light is  
Come on keep me where the light is  
Come on keep me where, keep me where  
the light is.

## 91 Guitars and Cadillacs

### Intro

### Verse 16x

Girl you taught me how to hurt real bad

Another lesson 'bout a naive fool who  
came to Babylon  
And found out that the pie don't taste so  
sweet

### Chorus 16x

Now it's guitars, Cadillacs, hillbilly music  
Lonely, lonely streets that I call home

### Guitar-Violin Break 16x

Ain't no glamour in this tinsel land of  
lost and wasted lives

brand new ways to be cruel  
If I can find my mind now I guess I'll just  
leave

## 92 Hang You From The Heavens

I never know how to treat you  
You think I love you but it ain't true  
I'm walking away now  
One step forward and back two  
I like to grab you by the hair  
and hang you up from the heavens  
I don't know how to let you go  
Or if i should keep you  
I don't know how to let you know  
I really do have a reason  
I like to grab you by the hair  
and drag you to the devil  
(Drums)

I never know how to push you  
Just to... Just to confuse you  
I make my hope, Just to see how  
Just to see how  
to push you  
I like to grab you by the hair  
and hang you up from the heavens  
(Drums)

I 'd like to grab you by the hair  
and send you up to the devil  
I never know what mood you be  
You may be kind or cruel to me  
I'm walking away now  
one step forward and back three  
(Drums)

I never know what I'm gonna to do  
I say I'm leaving, but It ain't true  
I got a lot to do to you  
There ain't nothing you can do... to stop it

Whiskey, gin and brandy  
With a glass I'm pretty handy  
I'm trying to walk a straight line  
On sour mash and cheap wine  
So join me for a drink boys  
We're gonna make a big noise  
So don't worry about tomorrow  
Take it today  
Forget about the cheque  
We'll get hell to pay  
Have a drink on me  
Dizzy, drunk and fightin'  
On tequila white lightnin'  
My glass is getting shorter  
On whiskey, ice and water  
So come on and have a good time  
And get blinded out of your mind  
So don't worry about tomorrow  
Take it today  
Forget about the cheque  
We'll get hell to pay  
Have a drink on me  
(Get stoned)  
Gonna roll around  
Gonna hit the ground  
Take another swing  
Have another drink  
Gonna drink it dry  
Gonna get me high  
Come on all the boys  
Make a noise  
Have a drink on

## 96 Heart Shaped Box

She eyes me like a pisces when I am weak  
 I've been locked inside your heart shaped  
 box for weeks  
 I've been drawn into your magnet tar pit  
 trap  
 I wish I could eat your cancer when you  
 turn black  
 Hey!  
 Wait!  
 I've got a new complaint  
 Forever in debt to your priceless advice  
 Hey!  
 Wait!  
 I've got a new complaint  
 Forever in debt to your priceless advice  
 Hey!  
 Wait!  
 I've got a new complaint  
 Forever in debt to your priceless advice  
 Your advice  
 Meat eating orchids forgive no one just yet  
 Cut myself on Angel Hair and baby's breath  
 Broken hymen of your highness I'm left  
 black  
 Throw down your umbilical noose so I can  
 climb right back  
 Hey!

## 97 Higher Ground

People  
Keep on learnin'  
Soldiers  
Keep on warrin'  
World  
Keep on turnin'  
'Cause it won't be too long  
Powers  
Keep on lyin'  
While your people  
Keep on dyin'  
World  
Keep on turnin'  
'Cause it won't be too long  
I'm so darn glad he let me try it again  
'Cause my last time on earth I lived a  
whole world of sin  
I'm so glad that I've know more than I  
knew then  
Gonna keep on tryin' till I reach the highest  
ground  
Teachers  
Keep on teachin'  
Preachers  
Keep on preachin'  
World keep on turnin'  
'Cause it won't be too long  
Oh, no  
Lovers  
Keep on lovin'  
While believers  
Keep on believin'  
Sleepers  
Just stop sleepin'  
'Cause it won't be too long  
Oh, no  
I'm so darn glad he let me try it again  
'Cause my last time on earth I lived a  
whole world of sin  
I'm so glad that I've know more than I

knew then  
Gonna keep on tryin' till I reach the highest  
ground  
An' Stevie knows that nobody's gonna  
bring me down  
Till I reach the highest ground, 'cause me  
'n' Stevie, see  
We're gonna be a sailin' on the funky,  
funky sound  
Till I reach the highest ground  
Bustin' out and I'll break you out, 'cause  
I'm sailin' on  
Till I reach the highest ground  
Just sailin' on, sailin' on the higher ground  
Till I reach the highest ground

## 98 Higher

When dreaming I'm guided to another  
world

Time and time again

At sunrise I fight to stay asleep

'Cause I don't want to leave the comfort of  
this place

'Cause there's a hunger, a longing to es-  
cape

From the life I live when I'm awake

So let's go there, let's make our escape

Come on let's go there, let's ask, Can we  
stay?

Can you take me higher?

To the place where blind men see

Can you take me higher?

To the place with golden streets

Although I would like our world to change

It helps me to appreciate those nights and  
those dreams

But my friend, I'd sacrifice all those nights

If I could make the Earth and my dreams  
the same

The only difference is

To let love replace all our hate

So let's go there, let's make our escape

Come on let's go there, let's ask, Can we  
stay?

Can you take me higher?

To the place where blind men see

Can you take me higher?

To the place with golden streets

So let's go there, let's go there

Come on let's go there, let's ask, Can we  
stay?

Up high I feel like I'm

Alive for the very first time

Set up high I'm strong enough

To take these dreams and make them mine

Set up high I'm strong enough

To take these dreams and make them mine

Can you take me higher?

To the place where blind men see

Can you take me higher?

To the place with golden streets

Can you take me higher?

To a place where blind men see

Can you take me higher?

To the place with golden streets

## 99 Highway To Hell

AC/DC

Highway To Hell

Highway To Hell

Living easy, living free

Season ticket on a one way ride

Asking nothing, leave me be

Taking everything in my stride

Don't need reason, don't need rhyme

Ain't nothing I would rather do

Going down, party time

My friends are gonna be there too

I'm on the highway to hell

No stop signs, speed limit

Nobody's gonna slow me down

Like a wheel, gonna spin it

Nobody's gonna mess me round

Hey Satan, payin' my dues

Playing in a rocking band

Hey Momma, look at me

I'm on my way to the promised land

I'm on the highway to hell

(Don't stop me)

And I'm going down, all the way down

I'm on the highway to hell

## 100 Hit Me With Your Best Shot

Well you're the real tough cookie with a  
long history  
Of breaking little hearts, like the one in me  
That's okay let's see how you do it  
Put up your dukes, let's get down to it  
Hit me with your best shot  
Why don't you hit me with your best shot?  
Hit me with your best shot  
Fire away  
You come on with a come on, you don't  
fight fair  
But that's okay, see if I care  
Knock me down, it's all in vain  
I'll get right back up on my feet again  
Hit me with your best shot  
Why don't you hit me with your best shot?  
Hit me with your best shot  
Fire away  
Well you're a real tough cookie with a long  
history  
Of breaking little hearts, like the one in me  
Before I put another notch in my lipstick  
case  
You better make sure you put me in my  
place  
Hit me with your best shot  
Come on, hit me with your best shot  
Hit me with your best shot  
Fire away  
Hit me with your best shot  
Why don't you hit me with your best shot?  
Hit me with your best shot  
Fire away

Walk the road awhile, 'cause

## 102 Home Live

Hold on, to me as we go  
As we roll down this unfamiliar road  
And although this wave is stringing us  
along  
Just know you're not alone  
'Cause I'm going to make this place your  
home  
Settle down, it'll all be clear  
Don't pay no mind to the demons  
They fill you with fear  
The trouble it might drag you down  
If you get lost, you can always be found  
Just know you're not alone  
'Cause I'm going to make this place your  
home  
Settle down, it'll all be clear  
Don't pay no mind to the demons  
They fill you with fear  
The trouble it might drag you down  
If you get lost, you can always be found  
Just know you're not alone  
'Cause I'm going to make this place your  
home

## 103 Home

I'm staring out into the night, trying to  
hide the pain  
I'm going to the place where love  
And feeling good don't ever cost a thing  
And the pain you feel's a different kind of  
pain  
Well, I'm going home, back to the place  
where I belong  
And where your love has always been  
enough for me  
I'm not running from, no, I think you got  
me all wrong  
I don't regret this life I chose for me  
But these places and these faces are get-  
ting old  
So I'm going home, well I'm going home  
The miles are getting longer, it seems, the  
closer I get to you  
I've not always been the best man or  
friend for you  
But your love it makes true and I don't  
know why  
You always seem to give me another try  
So I'm going home, back to the place  
where I belong  
And where your love has always been  
enough for me  
I'm not running from, no, I think you got  
me all wrong  
I don't regret this life I chose for me  
But these places and these faces are get-  
ting old  
Be careful what you wish for 'cause you  
just might get it all  
You just might get it all and then some you  
don't want  
Be careful what you wish for 'cause you  
just might get it all  
You just might get it all, yeah  
Oh, well I'm going home, back to the place

where I belong  
And where your love has always been  
enough for me  
I'm not running from, no, I think you got  
me all wrong  
I don't regret this life I chose for me  
But these places and these faces are get-  
ting old  
I said these places and these faces are  
getting old  
So I'm going home, I'm going home

## 104 Hunger Strike

I don't mind stealing bread  
From the mouths of decadents  
But I can't feed on the powerless  
When my cup's already overfilled, yeah  
But it's on the table, the fire is cooking  
And they're farming babies while slaves  
are working  
Blood is on the table and the mouths are  
choking  
But I'm going hungry  
I don't mind stealing bread  
From the mouths of decadents  
But I can't feed on the powerless  
When my cup's already overfilled  
But it's on the table, the fire's cooking  
And they're farming babies while the  
slaves are all working  
And it's on the table, the mouths are chok-  
ing  
But I'm going hungry, I'm going hungry

## 105 I Don t Wanna Be

I don't need to be anything other than a  
prison guards son

I don't need to be anything other than a  
specialist's son

I don't have to be anyone other than a  
birth of two souls in one

Part of where I'm going is knowing where  
I'm coming from

I don't wanna be anything other than what  
I've been trying to be lately

All I have to do is think of me and I've  
peace of mind

I'm tired of looking 'round rooms wonder-  
ing what I gotta do

Or who I'm supposed to be, I don't wanna  
be anything other than me

I'm surrounded by liars everywhere I turn

I'm surrounded by impostors everywhere I  
turn

I'm surrounded by identity crisis every-  
where I turn

Am I the only one to notice? I can't be the  
only one who's learned

I don't wanna be anything other than what  
I've been trying to be lately

All I have to do is think of me and I've  
peace of mind

I'm tired of looking 'round rooms wonder-  
ing what I gotta do

Or who I'm supposed to be, I don't wanna  
be anything other than me

Can I have everyone's attention please?

If you're not like this and that, you're  
gonna have to leave

I came from the mountain, the crust of  
creation

My whole situation made from clay to  
stone and now I'm telling everybody

I don't wanna be anything other than what  
I've been trying to be lately

All I have to do is think of me and I've  
peace of mind

I'm tired of looking 'round rooms wonder-  
ing what I gotta to do

Or who I'm supposed to be, I don't wanna  
be anything other than me

I don't wanna be, I don't wanna be, no

I don't wanna be, I don't wanna be any-  
thing

Anything other than me

I don't wanna be

I don't wanna be

I don't wanna be

## 106 I Kissed a Girl

This was never the way I planned  
Not my intention  
I got so brave, drink in hand  
Lost my discretion  
It's not what I'm used to  
Just wanna try you on  
I'm curious for you  
Caught my attention  
I kissed a girl and I liked it  
The taste of her cherry chap stick  
I kissed a girl just to try it  
I hope my boyfriend don't mind it  
It felt so wrong  
It felt so right  
Don't mean I'm in love tonight  
I kissed a girl and I liked it  
I liked it  
No, I don't even know your name  
It doesn't matter  
You're my experimental game  
Just human nature  
It's not what, good girls do  
Not how they should behave  
My head gets so confused  
Hard to obey  
I kissed a girl and I liked it  
The taste of her cherry chap stick  
I kissed a girl just to try it  
I hope my boyfriend don't mind it  
It felt so wrong  
It felt so right  
Don't mean I'm in love tonight  
I kissed a girl and I liked it  
I liked it  
Us girls we are so magical  
Soft skin, red lips, so kissable  
Hard to resist so touchable  
Too good to deny it  
Ain't no big deal, it's innocent  
I kissed a girl and I liked it

The taste of her cherry chap stick  
I kissed a girl just to try it  
I hope my boyfriend don't mind it  
It felt so wrong  
It felt so right  
Don't mean I'm in love tonight  
I kissed a girl and I liked it  
I liked it

## 109 I Will Survive

### Intro Groove 8x

### Verse 1 16x

At first I was afraid  
I was petrified  
I kept thinking I could never live without you  
By my side  
But then I spent so many nights  
Just thinking how you've done me wrong  
I grew strong  
I learned how to get along  
And so you're back  
From outer space  
I just walked in to find you  
Here with that look upon your face  
I should have changed my fucking lock  
I would have made you leave your key  
If I had known for just one second  
You'd be back to bother me

### Chorus 16x

Oh now go  
Walk out the door  
Just turn around  
Now, you're not welcome anymore  
Weren't you the one  
Who tried to break me with desire?  
Did you think I'd crumble?  
Did you think I'd lay down and die?  
Oh not I, i will survive  
Yeah  
As Long as I know how to love  
I know I'll be alive  
I've got all my life to live  
I've got all my love to give  
I will survive  
Yeah, yeah

### Guitar Solo 16x

### Verse 2 16x

It took all the strength I had  
Just not to fall apart  
I'm trying hard to mend the pieces  
Of my broken heart  
And I spent oh so many nights  
Just feeling sorry for myself  
I used to cry  
But now I hold my head up high  
And you see me  
With somebody new  
I'm not that stupid little person  
Still in love with you  
And so you thought you'd just drop by  
And you expect me to be free  
But now I'm saving all my lovin'  
For someone who's lovin' me

### Chorus 16x

Oh now go  
Walk out the door  
Just turn around  
Now, you're not welcome anymore  
Weren't you the one  
Who tried to break me with desire?  
Did you think I'd crumble?  
Did you think I'd lay down and die?  
Oh not I will survive  
Yeah  
As long as I know how to love  
I know I'll be alive  
I've got all my life to live  
I've got all my love to give  
I will survive

Well I was rollin' down the road in some  
cold blue steel I had a blues man in the

ing downtown in the middle of the night  
We laughing and I'm jokin' and we feelin'  
alright

Oh I'm bad, I'm nationwide Yes I'm bad, I'm  
nationwide

Easin' down the highway in a new Cadillac  
I had a fine fox in front, I had three more  
in the back They sportin' short dresses,  
wearin' spike heel shoes They smokin'  
Lucky Strikes, and wearing nylons too

'Cause we bad, we nationwide Yeah, we  
bad, we nationwide

Well I was movin' down the road in my V 8  
Ford I had a shine on my boots, I had my  
sideburns lowered With my New York brim  
and my gold tooth displayed Nobody give  
me trouble 'cause they know I got it made

I'm bad, I'm nationwide Well I'm bad, bad,  
bad, bad, bad, I'm nationwide

Oh yeah, in the midnight hour  
Oh, baby, in the midnight hour

## 113 In Your Eyes

Love I get so lost, sometimes  
Days pass and this emptiness fills my heart  
When I want to run away  
I drive off in my car  
But whichever way I go  
I come back to the place you are  
All my instincts, they return  
And the grand facade, so soon will burn  
Without a noise, without my pride  
I reach out from the inside  
In your eyes  
The light, the heat  
In your eyes  
I am complete  
In your eyes  
I see the doorway to a thousand churches  
In your eyes  
The resolution of all the fruitless searches  
In your eyes  
I see the light and the heat  
In your eyes  
Oh, I want to be that complete  
I want to touch the light  
The heat I see in your eyes  
Love, I don't like to see so much pain  
So much wasted and this moment keeps  
slipping away  
I get so tired of working so hard for our  
survival  
I look to the time with you to keep me  
awake and alive  
And all my instincts, they return  
And the grand facade, so soon will burn  
Without a noise, without my pride  
I reach out from the inside  
In your eyes  
The light, the heat  
In your eyes  
I am complete  
In your eyes

I see the doorway to a thousand churches  
In your eyes  
The resolution of all the fruitless searches  
In your eyes  
I see the light and the heat  
In your eyes  
Oh, I want to be that complete  
I want to touch the light  
The heat I see in your eyes  
In your eyes, in your eyes  
In your eyes, in your eyes  
In your eyes, in your eyes

## 114 Inside Out

I would swallow my pride I would choke  
 on the  
 Rhines. But the lack thereof would leave  
 me  
 Empty inside I would swallow my doubt  
 turn it  
 Inside out find nothing but faith in nothing  
 Want to put my tender heart it in a blender  
 Watch it spin round to a beautiful oblivion  
 Rendezvous then I'm through with you  
 I burn burn like a wicker cabinet chalk  
 white and oh so frail I see out time has  
 gotten stale. The t  
 Tock of the clock is painful. All sane and  
 logical  
 I want to tear it off the wall I hear words  
 and clips  
 And phrases I think sick like ginger ale. My  
 stomach  
 Turns and I exhale  
 I would swallow my pride I would choke  
 on the  
 Rhines. But the lack thereof would leave  
 me  
 Empty inside I would swallow my doubt  
 turn it  
 Inside out find nothing but faith in nothing  
 Want to put my tender heart it in a blender  
 Watch it spin round to a beautiful oblivion  
 Rendezvous then I'm through with you  
 So Cal is where my mind  
 States but it's not my state of mind I'm not  
 as  
 Ugly sad as you. Or am I origami folded up  
 and  
 Just pretend demented as the motives in  
 your  
 Head  
 I would swallow my pride I would choke  
 on the

Rhines. But the lack thereof would leave  
 me  
 Empty inside I would swallow my doubt  
 turn it  
 Inside out find nothing but faith in nothing  
 Want to put my tender heart it in a blender  
 Watch it spin round to a beautiful oblivion  
 Rendezvous then I'm through with you  
 I alone am the one you don't know you  
 Need me take heed feed your ego. Make  
 me blind  
 When your eyes close sink when you get  
 close  
 Tie me to the bedpost  
 I would swallow my pride I would choke  
 on the  
 Rhines. But the lack thereof would leave  
 me  
 Empty inside I would swallow my doubt  
 turn it  
 Inside out find nothing but faith in nothing  
 Want to put my tender heart it in a blender  
 Watch it spin round to a beautiful oblivion  
 Rendezvous then I'm through with you

## 116 Jailbreak

Tonight there's gonna be a jailbreak  
Somewhere in this town  
See me and the boys we don't like it  
So were getting up and going down  
Hiding low, looking right to left  
If you see us coming, I think it's best  
To move away, do you hear what I say?  
From under my breath  
Tonight there's gonna be a jailbreak  
Somewhere in the town  
Tonight there's gonna be a jailbreak  
So don't you be around, don't you be  
around  
Tonight there's gonna be trouble  
Some of us won't survive  
See the boys and me, we mean business  
Bustin' out dead or alive  
I can hear the hound dogs on my trail  
All hell breaks loose, alarm and sirens wail  
Like the game if you lose  
Go to jail  
Tonight there's gonna be a jailbreak  
Somewhere in the town  
Tonight there's gonna be a jailbreak  
So don't you be around  
Tonight there's gonna be trouble  
I'm gonna find myself in  
Tonight there's gonna be trouble  
So woman, you stay with a friend  
You know it's safer  
Breakout!  
Tonight there's gonna be a breakout  
Into the city zones  
Don't you dare to try and stop us  
No one could for long  
Searchlight on my trail  
Tonight's the night, all systems fail  
Hey you, good lookin' female  
Come here  
Tonight there's gonna be a jailbreak

Somewhere in the town  
Tonight there's gonna be a jailbreak  
So don't you be around  
Tonight there's gonna be trouble  
I'm gonna find myself in  
Tonight there's gonna be trouble  
So woman, you stay with a friend

## 117 Jesus Left Chicago

Jesus just left Chicago  
And He's bound for New Orleans  
Well now, Jesus just left Chicago  
And He's bound for New Orleans  
Workin' from one end to the other  
And all points in between  
Took a jump through Mississippi  
Well, muddy water turned to wine  
Took a jump through Mississippi  
Muddy water turned to wine  
Then I out to California through the forests  
and the pines  
Oh, take me with You, Jesus  
You might not see him in person  
But he'll see you just the same  
You might not see him in person  
But he'll see you just the same  
You don't have to worry  
'Cause takin' care of business is his name

## 118 Jolene

Dolly Parton

Greatest Hits

Jolene

Jolene, jolene, jolene, jolene

I'm begging of you please don't take my  
man

Jolene, jolene, jolene, jolene

Please don't take him just because you can

Your beauty is beyond compare

With flaming locks of auburn hair

With ivory skin and eyes of emerald green

Your smile is like a breath of spring

Your voice is soft like summer rain

And i cannot compete with you, jolene

He talks about you in his sleep

There's nothing i can do to keep

From crying when he calls your name, jo-  
lene

And i can easily understand

How you could easily take my man

But you don't know what he means to me,  
jolene

Jolene, jolene, jolene, jolene

I'm begging of you please don't take my  
man

Jolene, jolene, jolene, jolene

Please don't take him just because you can

You could have your choice of men

But i could never love again

He's the only one for me, jolene

I had to have this talk with you

My happiness depends on you

And whatever you decide to do, jolene

Jolene, jolene, jolene, jolene

I'm begging of you please don't take my  
man

Jolene, jolene, jolene, jolene

Please don't take him even though you can

Jolene, jolene

## 119 Juicebox

Everybody sees me  
But it's not that easy  
Standing in the light field  
Standing in the light field  
Waiting for some action  
Waiting for some action over  
Why won't you come over here?  
Why won't you come over here?  
We got a city to love  
Why won't you come over here?  
We got a city to love  
Old time grudges  
Will die so slowly  
I know you messed up  
When I saw you  
You're cold  
You're so cold  
You're so cold  
You're so cold  
Nobody can see me  
Everything's too easy  
Standing in the light field  
Standing in the light field  
Waiting for some action  
Waiting for some action she said  
Why won't you come over here?  
Why won't you come over here?  
We got a city to love  
Why won't you come over here?  
We got a city to love  
Old time loves don't  
Die so swiftly  
You never trust me  
For a while it was nice  
But it's time to say bye  
I'm cold  
You're so cold  
You're so cold  
You're so cold  
No no no cold

You're so cold  
You're so cold  
You're so cold  
Oh no no no no cold  
You're so cold  
You're so cold  
You're so cold  
You're so cold

## 122 Just A Girl

Take this pink ribbon off my eyes  
I'm exposed and it's no big surprise  
Don't you think I know exactly where I  
stand  
This world is forcing me to hold your hand  
'Cause I'm just a girl, oh, little old me  
Don't let me out of your sight  
Oh, I'm just a girl, all pretty and petite  
So don't let me have any rights  
Oh, I've had it up to here  
The moment that I step outside  
So many reasons for me to run and hide  
I can't do the little things I love so dear  
'Cause it's all those little things that I fear  
'Cause I'm just a girl, I'd rather not be  
'Cause they won't let me drive late at night  
I'm just a girl, guess I'm some kind of freak  
'Cause they all sit and stare with their eyes  
Oh, I'm just a girl take a good look at me  
Just your typical prototype, oh, I've had it  
up to here  
Oh, am I making myself clear?  
I'm just a girl, I'm just a girl in the world  
That's all that you'll let me be  
Oh, I'm just a girl, living in captivity  
Your rule of thumb make me worry so  
Oh, I'm just a girl, what's my destiny?  
What I've succumbed to is making me  
numb  
Oh, I'm just a girl, my apologies  
What I've become is so burdensome  
Oh, I'm just a girl, lucky me  
Twiddle dum there's no comparison  
Oh, I've had it up to  
Oh, I've had it up to  
Oh, I've had it up to here

## 123 Just Got Paid

I just got paid today, got me a pocket full of change Said, "I just got paid today, got me a pocket full of change" If you believe like workin' hard all day Just step in my shoes and take my pay

I was born my Papa's son when I hit the ground I was on the run I had one glad hand and the other behind You can have yours, just give me mine When the hound dog barkin' in the black of the night Stick my hand in my pocket, everything's all right

I just got paid today and got me a pocket full of change Said, "Black sheep, black, do you got some wool?" Yes, I do, man, my bag is full It's the root of evil and you know the rest But it's way ahead of what's second best

## 124 Just Like Heaven

“Show me, show me, show me how you do  
that trick

The one that makes me scream”, she said

“The one that makes me laugh”, she said

Threw her arms around my neck

“Show me how you do it? And I’ll promise  
you

I’ll promise that I’ll run away with you, I’ll  
run away with you”

Spinning on that dizzy edge

Kissed her face and kissed her head

Dreamed of all the different ways, I had to  
make her glow

“Why are you so far away?”, she said

“Why won’t you ever know that I’m in love  
with you?

That I’m in love with you?”

You, soft and only, you lost and lonely

You, strange as angels

Dancing in the deepest oceans

Twisting in the water

You’re just like a dream

You’re just like a dream

Daylight licked me into shape

I must have been asleep for days

And moving lips to breathe her name

I opened up my eyes

And found myself alone, alone, alone  
above a raging sea

Stole the only girl I loved, drowned her  
deep inside of me

You soft and only

You lost and lonely

You just like heaven

## 125 Just What I Needed

I don't mind you comin' here  
And wastin' all my time  
'Cause when you're standin' oh so near  
I kinda lose my mind  
It's not the perfume that you wear  
It's not the ribbons in your hair  
I don't mind you comin' here  
And wastin' all my time  
I don't mind you hangin' out  
And talkin' in your sleep  
It doesn't matter where you've been  
As long as it was deep, yeah  
You always knew to wear it well  
And you look so fancy I can tell  
I don't mind you hangin' out  
And talkin' in your sleep  
I guess you're just what I needed  
(Just what I needed)  
I needed someone to feed  
I guess you're just what I needed  
(Just what I needed)  
I needed someone to bleed  
I don't mind you comin' here  
And wastin' all my time  
'Cause when you're standin' oh so near  
I kinda lose my mind, yeah  
It's not the perfume that you wear  
It's not the ribbons in your hair  
I don't mind you comin' here  
And wastin' all my time  
I guess you're just what I needed  
(Just what I needed)  
I needed someone to feed  
I guess you're just what I needed  
(Just what I needed)  
I needed someone to bleed  
I guess you're just what I needed  
(Just what I needed)  
I needed someone to feed  
I guess you're just what I needed

(Just what I needed)  
I needed someone to bleed  
Yeah, yeah, so bleed me  
You're just what I needed  
You're just what I needed  
You're just what I needed  
Yeah, yeah, yeah

## 130 Last Nite

Last night, she said:

“Oh, baby, I feel so down.

Oh it turns me off,  
When I feel left out”

So I walked out:

“Oh, baby, don’t care no more

I know this for sure,  
I’m walkin’ out that door”

Well, I’ve been in town for just about fifteen minutes now

And Baby, I feel so down

And I don’t know why

I keep walkin’ for miles

See, people they don’t understand

No, girlfriends, they can’t understand

Your Grandsons, they won’t understand

On top of this, I ain’t ever gonna understand...

Last night, she said:

“Oh, baby, don’t feel so down.

Oh, it turns me off,  
When I feel left out”

So I, I turn ’round:

“Oh, baby, gonna be alright”

It was a great big lie

’Cause I left that night, yeah

Oh, people they don’t understand

No, girlfriends, they won’t understand

Your grandsons, they won’t understand

And me, I ain’t ever gonna understand...

Last night, she said:

“Oh, baby, I feel so down.

See, it turns me off,  
When I feel left out”

So I, I turn ’round:

“Oh, little girl, I don’t care no more.

I know this for sure,

I’m walking out that door,” yeah

## 131 Let Me Put My Love Into You

Flying on a free flight  
Driving all night  
With my machinery  
'Cause I got the power  
Any hour  
To show the man in me  
I got reputations  
Blown to pieces  
With my artillery  
I'll be guided in  
We'll be ridin'  
given what you got to me  
Don't you struggle  
Don't you fight  
Don't you worry  
'Cause it's your turn tonight

### CHORUS:

Let me put my love into you, babe  
Let me put my love on the line  
Let me put my love into you, babe  
Let me cut your cake with my knife

Like a fever  
Burning faster  
You spark the fire in me  
Crazy feelings  
Got me reeling  
They got me raising steam  
Don't you struggle  
Don't you fight  
Don't you worry  
'Cause it's your turn tonight

### CHORUS

Let me give it all to you

## 133 Let's Go Crazy

Dearly beloved, we have gathered here today

To get through this thing called life  
Electric word life it means forever and  
that's a mighty long time

But I'm here to tell you there's something  
else

The afterworld, a world of never ending  
happiness

You can always see the sun, day or night  
So when you call up that shrink in Beverly  
Hills

You know the one Dr. Everything'll Be Al-  
right

Instead of asking him how much of your  
time is left?

Ask him how much of your mind, baby  
'Cause in this life things are much harder  
than in the afterworld

This life you're on your own  
And if the elevator tries to bring you down  
Go crazy punch a higher floor  
If you don't like the world you're living in  
Take a look around you at least you got  
friends

Come on lady for friendly word  
She picked up the phone, dropped it on  
the floor

Ahh, ahh is all I heard

Are we gonna let the elevator

Bring us down, oh, no let's go

Let's go crazy, let's get nuts

Look for the purple banana

'Til they put us in the truck, let's go

All excited but we don't know why

Maybe it's 'cause we're all gonna die

And when we do, what's it all for

Better live now before the grim reaper

Come knocking on your door

Are we gonna let the elevator

Bring us down, oh, no let's go

Let's go crazy, let's get nuts

Look for the purple banana

'Til they put us in the truck, let's go

Come on baby let's get nuts

Yeah, crazy

Let's go crazy

Are we gonna let the elevator bring us  
down

Oh, no let's go, go crazy

I said let's go, go crazy

Let's go, let's go, go, let's go

Dr. Everything'll Be Alright

Make everything go wrong

Pills and thrills and daffodils will kill

Hang tough children

He's comin'

He's comin'

Comin'

Take me away

## 134 Life During Wartime

Heard of a van that is loaded with weapons,  
Packed up and ready to go  
Heard of some grave sites, out by the highway,  
A place where nobody knows  
The sound of gunfire, off in the distance,  
I'm getting used to it now  
Lived in a brownstone, lived in a ghetto,  
I've lived all over this town  
This ain't no party, this ain't no disco,  
This ain't no fooling around  
No time for dancing, or lovey dovey,  
I ain't got time for that now  
Transmit the message, to the receiver,  
Hope for an answer some day  
I got three passports, a couple of visas,  
You don't even know my real name  
High on a hillside, the trucks are loading,  
Everything's ready to roll  
I sleep in the daytime, I work in the night-time,  
I might not ever get home  
This ain't no party, this ain't no disco,  
This ain't no fooling around  
This ain't no Mudd Club, or C. B. G. B.,  
I ain't got time for that now  
Heard about Houston? Heard about Detroit?  
Heard about Pittsburgh, P. A.?  
You oughta know not to stand by the window  
Somebody see you up there  
I got some groceries, some peanut butter,  
To last a couple of days  
But I ain't got no speakers, ain't got no headphones,  
Ain't got no records to play  
Why stay in college? Why go to night school?

Gonna be different this time  
Can't write a letter, can't send no postcard,  
I ain't got time for that now  
Trouble in transit, got through the road-block,  
We blended in with the crowd  
We got computers, we're tapping phone lines,  
I know that that ain't allowed  
We dress like students, we dress like housewives,  
Or in a suit and a tie  
I changed my hairstyle, so many times now,  
I don't know what I look like!  
You make me shiver, I feel so tender,  
We make a pretty good team  
Don't get exhausted, I'll do some driving,  
You ought to get you some sleep  
Burned all my notebooks, what good are notebooks?  
They won't help me survive  
My chest is aching, burns like a furnace,  
The burning keeps me alive

## 135 Lightning Crashes

Lightning crashes, a new mother cries  
Her placenta falls to the floor  
The angel opens her eyes  
The confusion sets in  
Before the doctor can even close the door  
Lightning crashes, an old mother dies  
Her intentions fall to the floor  
The angel closes her eyes  
The confusion that was hers  
Belongs now, to the baby down the hall  
Oh now feel it comin' back again  
Like a rollin' thunder chasing the wind  
Forces pullin' from the center of the earth  
again  
I can feel it  
Lightning crashes, a new mother cries  
This moment she's been waiting for  
The angel opens her eyes  
Pale blue colored iris  
Presents the circle  
Puts the glory out to hide, hide  
Oh now feel it comin' back again  
Like a rollin' thunder chasing the wind  
Forces pullin' from the center of the earth  
again  
I can feel it  
I can feel it  
I can feel it comin' back again  
Like a rollin' thunder chasing the wind  
Forces pullin' from the center of the earth  
again  
I can feel it  
I can feel it comin' back again  
Like a rollin' thunder chasing the wind  
Forces pullin' from the center of the earth  
again  
I can feel it  
I can feel it comin' back again  
Like a rollin' thunder chasing the wind  
Forces pullin' from the center of the earth

again  
I can feel it  
I can feel it  
I can feel it

## 136 Like A Stone

On a cobweb afternoon  
in a room full of emptiness  
by a freeway i confess  
i was lost in the pages  
of a book full of death  
reading how we'll die alone  
and if we're good we'll lay to rest  
anywhere we want to go  
in your house i long to be  
room by room patiently  
i'll wait for you there  
like a stone i'll wait for you there  
alone  
on my deathbed i will pray  
to the gods and the angels  
like a pagan to anyone  
who will take me to heaven  
to a place i recall  
i was there so long ago  
the sky was bruised  
the wine was bled  
and there you led me on  
in your house i long to be  
room by room patiently  
i'll wait for you there  
like a stone i'll wait for you there  
alone  
and on i read  
until the day was gone  
and i sat in regret  
of all the things i've done  
for all that i've blessed  
and all that i've wronged  
in dreams until my death  
i will wander on

## 139 Little Sister

Little sister, don't you  
Little sister, don't you  
Little sister, don't you  
Kiss me once or twice  
Then say it's very nice  
And then you run  
Little sister, don't you do  
What your big sister done  
Well, I dated your big sister  
And I took her to a show  
I went for some candy, along came Jim  
Dandy  
And they snuck right out the door  
Little sister, don't you  
Little sister, don't you  
Little sister, don't you  
Kiss me once or twice  
Then say it's very nice  
And then you run  
Little sister, don't you do  
What your big sister done  
Every time I see your sister  
Well, she's got somebody new  
She's mean and she's evil  
Like that old Boll Weevil  
Guess, I'll try my luck with you  
Little sister, don't you

Little sister, don't you  
Kiss me once or twice  
Then say it's very nice

What your big sister done  
Well, I used to pull your pigtails  
And pinch your turned up nose  
But you been a growin'  
And baby, it's been showin'  
From your head down to your toes  
Little sister, don't you

## 140    **Livin After Midnight**

Livin' after midnight, rockin' to the dawn  
Lovin' till the mornin', then I'm gone, I'm  
gone  
I took the city 'bout one a.m.  
Loaded, loaded  
I'm all geared up to score again  
Loaded, loaded  
I come alive in the neon light  
That's when I make my moves right  
Livin' after midnight, rockin' to the dawn  
Lovin' till the mornin', then I'm gone, I'm  
gone  
Got gleaming chrome, reflecting steel  
Loaded, loaded  
Ready to take on every deal  
Loaded, loaded  
My pulse is racing, I'm hot to take  
But this motor's revved up, fit to break  
Livin' after midnight, rockin' to the dawn  
Lovin' till the mornin', then I'm gone, I'm  
gone  
I'm aiming for ya  
I'm gonna floor ya  
My body's comin'  
All night long  
The air's electric, sparkin' power  
Loaded, loaded  
I'm getting hotter by the hour  
Loaded, loaded  
I set my sights and then home in  
The joint starts flying when I begin  
Livin' after midnight, rockin' to the dawn  
Lovin' till the mornin', then I'm gone, I'm  
gone  
Livin' after midnight, rockin' to the dawn  
Lovin' till the mornin', then I'm gone, I'm  
gone  
Livin' after midnight, rockin' to the dawn

## 142 Lonely Is the Night

Lonely is the night when you find yourself alone

Your demons come to light and your mind is not your own

Lonely is the night when there's no one left to call

You feel the time is right, say the writin's on the wall

It's a high time to fight when the walls are closin' in

Call it what you like it's time you got to win  
Lonely, lonely, lonely your spirit's sinkin' down

You find you're not the only stranger in this town

Red lights, green lights, stop and go jive

Headlines, deadlines jammin' your mind

You been stealin' shots from the side

Let your feelin's go for a ride

There's danger out tonight, the man is on the prowl

Get the dynamite, the boys are set to howl

Lonely is the night when you hear the voices call

Are you ready for a fight, do you wanna take it all?

Slowdown, showdown waitin' on line

Show time, no time for changin' your mind

Streets are ringin', march to the sound

Let your secrets follow you down

Somebody's watchin' you baby, so much you can do

Nobody's stoppin' you baby, from makin' it too

One glimpse'll show you now baby, what the music can do

One kiss'll show you now baby, it can happen to you

No more sleepin', wastin' our time

Midnight creepin's, first on our minds

No more lazin' 'round the TV  
You'll go crazy, come out with me

Feelin' lonely

Lonely is the night

Feelin' lonely

Lonely is the night

Lonely, lonely, lonely

## 143 Long Train Runnin

Down around the corner half a mile from here

See them long trains runnin' and you watch 'em disappear

Without love

Where would you be now?

(without love...)

Know I saw Miss Lucy down along the tracks

She lost her home and her family and she won't be coming back

Without love

Where would you be right now?

(without love...)

Well the Illinois Central and the Southern Central freight

Got to keep on pushin' mama

'Cause you know they're runnin' late

Without love

Where would you be now na na now?

(without love...)

Well the Illinois Central and the Southern Central freight

Got to keep on pushin' mama

'Cause you know they're runnin' late

Without love

Where would you be now?

(without love...)

Well pistons keep on churnin' and the wheels go 'round and 'round

And the steel rails lie cold and hard on the mountains they go down

Without love

Where would you be right now?

(without love...)

Ooh...

Where would you be now?

Mmm... got to get you baby baby

Won't you move it down?

Won't you move it down?

Baby baby baby baby

Won't you move it down?

When the big train run

When the train I'm movin' on

I got to keep on movin' keep on movin'

Won't you keep on movin'?

## 147 Low

Sometimes I wanna take you down  
Sometimes I wanna get you low  
Brush your hair back from your eyes  
Take you down let the river flow  
Sometimes I go and walk the street  
Behind the green sheet of glass  
A million miles below their feet  
A million miles, a million miles  
I'll be with you girl, like being low  
Hey, hey, hey like being stoned  
I'll be with you girl, like being low  
Hey, hey, hey like being stoned  
A million poppies gonna make me sleep  
Just one rose that knows your name  
The fruit is rusting on the vine  
The fruit is calling from the trees  
Hey don't you wanna go down?  
Like some junkie cosmonaut  
A million miles below their feet  
A million miles, a million miles  
I'll be with you girl, like being low  
Hey, hey, hey like being stoned  
I'll be with you girl, like being low  
Hey, hey, hey like being stoned  
Blue, blue is the sun  
Brown, brown is the sky  
Green, green were her eyes  
A million miles, a million miles  
Hey, don't you wanna go down?  
Like some disgraced cosmonaut  
A million miles below their feet  
A million miles, a million miles  
I'll be with you girl, like being low  
Hey, hey, hey like being stoned  
I'll be with you girl, like being low  
Hey, hey, hey like being stoned  
I'll be with you girl, like being low  
Hey, hey, hey like being stoned  
I'll be with you girl, like being low  
Hey, hey, hey like being stoned

## 148 Major Tom

Standing there alone, the ship is waiting  
All systems are go, are you sure?  
Control is not convinced  
But the computer has the evidence  
No need to abort  
The countdown starts...  
Watching in a trance, the crew is certain  
Nothing left to chance, all is working  
Trying to relax, up in the capsule  
“Send me up a drink”, jokes Major Tom  
The count goes on  
4, 3, 2, 1  
Earth below us  
Drifting falling  
Floating weightless  
Calling calling home  
Second stage is cut  
We’re now in orbit  
Stabilizers up  
Running perfect  
Starting to collect  
Requested data  
“What will it affect  
When all is done?”  
Thinks Major Tom  
Back at ground control  
There is a problem  
“Go to rockets full”  
Not responding  
“Hello, Major Tom Are you receiving?  
Turn the thrusters on  
We’re standing by”  
There’s no reply  
Four, three, two, one  
Earth below us  
Drifting, falling  
Floating weightless  
Calling, calling home  
Across the stratosphere  
A final message

“Give my wife my love”  
Then nothing more  
Far beneath the ship  
The world is mourning  
They don’t realize  
He’s alive  
No one understands  
But Major Tom sees  
“Now the light commands This is my home  
I’m coming home”  
Earth below us  
Drifting, falling  
Floating weightless  
Coming home  
Earth below us  
Drifting, falling  
Floating weightless  
Coming home  
Earth below us  
Drifting, falling  
Floating weightless  
Coming, coming  
Home  
Home

## 149 Man In The Box

I'm the man in the box  
Buried in my shit  
Won't you come and save me  
Save me?  
Feed my eyes, can you sew them shut?  
Jesus Christ, deny your maker  
He who tries will be wasted  
Ah, feed my eyes now you've sewn them  
shut  
I'm the dog who gets beat  
Shove my nose in shit  
Won't you come and save me  
Save me?  
Feed my eyes, can you sew them shut?  
Jesus Christ, deny your maker  
He who tries will be wasted  
Ah, feed my eyes now you've sewn them  
shut  
Feed my eyes, can you sew them shut?  
Jesus Christ, deny your maker  
He who tries will be wasted  
Ah, feed my eyes now you've sewn them  
shut

# 150 Margaritaville

## Intro 8x

## Verse 1 16x

Nibblin' on sponge cake  
Watchin' the sun bake  
All of those tourists covered with oil  
Strummin' my six string  
On my front porch swing  
Smell those shrimp they're beginnin' to  
boil

## Chorus 16x

Wastin' away again in Margaritaville  
Searching for my lost shaker of salt  
Some people claim that there's a woman  
to blame  
But I know it's nobody's fault

## Verse 2 16x

I don't know the reason  
I stayed here all season  
Nothin' to show but this brand new tattoo  
But it's a real beauty  
A Mexican cutie  
How it got here I haven't a clue

## Chorus 16x

Wastin' away again in Margaritaville  
Searchin' for my lost shaker of salt  
Some people claim that there's a woman  
to blame  
Now I think  
Hell, it could be my fault

## Solo 16x

## Verse 3 16x

I blew out my flip flop  
Stepped on a pop top  
Cut my heel had to cruise on back home  
But there's booze in the blender

And soon it will render  
That frozen concoction that helps me hang  
on

## Chorus 16x

Wastin' away again in Margaritaville  
Searching for my lost shaker of salt  
Some people claim that there's a woman  
to blame  
But I know it's my own damn fault

## Chorus 9+x

Yes and some people claim that there's a  
woman to blame  
And I know it's my own damn fault

## 152 Mary Jane's Last Dance

She grew up in an Indiana town  
Had a good lookin' mama who never was  
around.

But she grew up tall and she grew up right  
With them Indiana boys on an Indiana  
night.

Well, she moved down here at the age of  
eighteen.

She blew the boys away, was more than  
they'd seen.

I was introduced and we both started  
groovin'.

I said, "I dig you baby, but I got to keep  
movin' on.

Keep movin' on."

Last dance with Mary Jane, one more time  
to kill the pain.

I feel summer creepin' in and I'm tired of  
this town again.

Well, I don't know, but I've been told

You never slow down, you never grow old.

I'm tired of screwin' up, tired of going  
down

Tired of myself, tired of this town.

Oh, my, my. Oh, hell, yes.

Honey, put on that party dress.

Buy me a drink, sing me a song.

Take me as I come 'cause I can't stay long.

Last dance with Mary Jane, one more time  
to kill the pain.

I feel summer creepin' in and I'm tired of  
this town again.

There's pigeons down on Market Square.

She's standin' in her underwear

Lookin' down from a hotel room.

Nightfall will be comin' soon.

Oh, my, my. Oh, hell, yes.

You got to put on that party dress.

It was too cold to cry when I woke up  
alone.

I hit my last number and walked to the  
road.

Last dance with Mary Jane, one more time  
to kill the pain.

I feel summer creepin' in and I'm tired of  
this town again.

## 153 Melissa

Crossroads, seem to come and go, yeah.  
The gypsy flies from coast to coast  
Knowing many, loving none  
Bearing sorrow havin' fun  
But back home he'll always run  
To sweet Melissa... mmm...  
Freight train, each car looks the same, all  
the same.  
And no one knows the Gypsy's name  
No one hears his lonely sighs  
There are no blankets where he lies.  
In all his deepest dreams the Gypsy flies  
with sweet Melissa... mmm...  
Again the morning's come  
Again he's on the run  
Sunbeams shining through his hair  
Appearing not to have a care.  
Well, pick up your gear and Gypsy roll on,  
roll on.  
Crossroads, will you ever let him go? (Lord,  
Lord)  
Will you hide the dead man's ghost  
Or will he lie, beneath the clay  
or will his spirit float away?  
But I know that he won't stay without  
Melissa.  
Yes I know that he won't stay without  
Melissa.

## 154 Melt With You

Moving forward using all my breath  
 Making love to you was never second best  
 I saw the world crashing all around your face  
 Never really knowing it was always mesh and lace  
 I'll stop the world and melt with you  
 You've seen the difference and it's getting better all the time  
 There's nothing you and I won't do  
 I'll stop the world and melt with you  
 (You should know better)  
 Dream of better lives the kind which never hates  
 (You should see why)  
 Trapped in the state of imaginary grace  
 (You should know better)  
 I made a pilgrimage to save this humans race  
 (You should see why)  
 Never comprehending the race has long gone bye  
 (Let's stop the world) I'll stop the world and melt with you  
 (Let's stop the world) You've seen the difference and it's getting better all the time  
 (Let's stop the world) There's nothing you and I won't do  
 (Let's stop the world) I'll stop the world and melt with you  
 The future's open wide  
 The future's open wide  
 (Let's stop the world) I'll stop the world and melt with you  
 (Let's stop the world) I've seen some changes but it's getting better all the time  
 (Let's stop the world) There's nothing you and I won't do  
 (Let's stop the world) I'll stop the world and melt with you

The future's open wide  
 Hmm, hmm, hmm  
 Hmm, hmm, hmm, hmm  
 Hmm, hmm, hmm  
 Hmm, hmm, hmm, hmm  
 I'll stop the world and melt with you  
 (Let's stop the world) You've seen the difference and it's getting better all the time  
 (Let's stop the world) There's nothing you and I won't do  
 (Let's stop the world) I'll stop the world and melt with you  
 (Let's stop the world) I'll stop the world and melt with you  
 (Let's stop the world) I'll stop the world and melt with you  
 (Let's stop the world) I'll stop the world and melt with you  
 (Let's stop the world) I'll stop the world and melt with you  
 (Let's stop the world) I'll stop the world and melt with you

## 157 Moves Like Jagger

Just shoot for the stars, if it feels right  
Then aim for my heart, if you feel like  
And take me away, and make it okay  
I swear I'll behave  
You wanted control, so we waited  
I put on a show, now I'm naked  
You say I'm a kid, my ego is big  
I don't give a shit  
And it goes like this  
Take me by the tongue and I'll know you  
Kiss me till you're drunk and I'll show you  
All the moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger  
I don't need to try to control you  
Look into my eyes and I'll own you  
With them moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger  
Maybe it's hard when you feel like  
You're broken and scarred  
Nothing feels right  
But when you're with me  
I make you believe  
That I've got the key  
Oh, so get in the car, we can ride it  
Wherever you want, get inside it  
And you want to steer  
But I'm shifting gears  
I'll take it from here  
And it goes like this  
Take me by the tongue and I'll know you  
Kiss me till you're drunk and I'll show you  
All the moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger  
I don't need to try to control you  
Look into my eyes and I'll own you  
With them moves like Jagger  
I've got the moves like Jagger

I've got the moves like Jagger  
You want to know how to make me smile  
Take control, own me just for the night  
But if I share my secret  
You gonna have to keep it  
Nobody else can see this  
So watch and learn, I won't show you twice  
Head to toe, ooh, baby roll me right  
But if I share my secret  
You gonna have to keep it  
Nobody else can see this  
And it goes like this  
Take me by the tongue and I'll know you  
Kiss me till you're drunk and I'll show you  
All the moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger  
I don't need to try to control you  
Look into my eyes and I'll own you  
With them moves like Jagger  
I've got the moves like Jagger  
I've got the moves like Jagger

## 159 My Hero

Too alarming now, to talk about  
Take your pictures down, and shake it out  
Truth or consequence, say it aloud  
Use that evidence, race it around  
There goes my hero  
Watch him as he goes  
There goes my hero  
He's ordinary  
Don't the best of them bleed it out  
While the rest of them peter out  
Truth or consequence say it aloud  
Use that evidence race it around  
There goes my hero  
Watch him as he goes  
There goes my hero  
He's ordinary  
Kudos my hero  
Leaving all the best  
You got my hero  
One that's on  
There goes my hero  
Watch him as he goes  
There goes my hero  
He's ordinary  
There goes my hero  
Watch him as he goes  
There goes my hero  
He's ordinary

## 160 My Own Worst Enemy

Can we forget about the things I said  
When I was drunk?  
I didn't mean to call you that  
I can't remember what was said  
Or what you threw at me  
Please tell me, please tell me why?  
My car is in the front yard  
And I'm sleeping with my clothes on  
I came in through the window last night  
And you're gone, gone  
It's no surprise to me  
I am my own worst enemy  
'Cause every now and then  
I kick the living shit out of me  
The smoke alarm is going off  
When there's a cigarette  
Still burning  
Please tell me why?  
My car is in the front yard  
And I'm sleeping with my clothes on  
I came in through the window last night  
And you're gone, gone  
Please tell me why?  
My car is in the front yard  
And I'm sleeping with my clothes on  
I came in through the window last night  
It's no surprise to me  
I am my own worst enemy  
'Cause every now and then  
I kick the living shit out of me  
Can we forget about the the things I said  
When I was drunk  
I didn't mean to call you that

## 161 Mysterious Ways

Johnny take a walk with your sister the moon

Let her pale light in to fill up your room  
You've been living underground, eating from a can

You've been running away from what you don't understand

Love

She's slippy

You're sliding down

She'll be there

When you hit the ground

It's all right, it's all right, it's all right

She moves in mysterious ways

It's all right, it's all right, it's all right

She moves in mysterious ways

Johnny take a dive with your sister in the rain

Let her talk about the things you can't explain

To touch is to heal, to hurt is to steal

If you want to kiss the sky, better learn how to kneel

On your knees boy

She's the wave

She turns the tide

[Incomprehensible]

She knows why

It's all right, it's all right, all right

She moves in mysterious ways

It's all right, it's all right, all right

She moves in mysterious ways

It's all right, it's all right, all right

Lift my days, light up my nights, love

One day you will look back

And you'll see where you were held how

By this love while you could stand there

You could move on this moment, follow this feeling

It's all right, it's all right, all right

She moves in mysterious ways

It's all right, it's all right, all right

She moves in mysterious ways

Oh love, oh love

Love, no, no, no

Move you, spirit move, move

Move you, move with it

She moves with it

Lift my days, light up my nights, love

## 162 Never Let You Go

There's every good reason  
For letting you go  
She's sneaky and smoked out  
And it's starting to show  
I'll never let you go  
I'll never let you go  
I'll never let you go  
I'll never let you turn around your back on  
each other  
That's a good idea, break a promise to  
your mother  
Turn around your back on each other  
You say that I've changed  
Well maybe I did  
But even if I've changed  
What's wrong with it?  
I'll never let you go  
I'll never let you go  
I'll never let you go  
I'll never let you turn around your back on  
each other  
That's a good idea, break a promise to  
your mother  
Turn around your back on each other  
And our friends are gone and gone  
And all the time moves on and on  
And all I know is it's wrong, it's wrong  
And all I know is it's wrong, it's wrong, it's  
wrong  
If there's a reason  
It's lost on me  
Maybe we'll be friends  
I guess we'll see  
I'll never let you go  
I'll never let you go  
I'll never let you go  
I'll never let you go  
Turn around, your back on each other  
It's a good idea, break a promise to your  
mother

Turn around let's turn on each other  
Good idea, break a promise to your mother  
Turn around your back on each other  
That's a good idea, break a promise to  
your mother  
Turn around your back on each other  
What a good idea  
I remember the stupid things, the mood  
rings  
The bracelets and the beads  
Nickels and dimes, yours and mine, did  
you cash in all your dreams?  
You don't dream for me, no, you don't  
dream for me, no  
(Goodbye, goodbye)  
But I still feel you pulse like sonar from  
the days in the waves  
That girl is like a sunburn  
I would like to say  
The girl is like a sunburn  
I would like to say  
She's like a sunburn  
(She's like a sunburn)  
She's like a sunburn

## 163 New Year's Day

Yeah

All is quiet on New Year's Day

A world in white gets underway

I want to be with you

Be with you night and day

Nothing changes on New Year's Day

On New Year's Day

I will be with you again

I will be with you again

Under a blood red sky

A crowd has gathered in black and white

Arms entwined, the chosen few

The newspapers says, says

Say it's true, it's true

And we can break through

Though torn in two, we can be one

I, I will begin again

I, I will begin again

I will be with you again

I will be with you again

I will be with you again

I will be with you again

I will be with you again

I will be with you again

I will be with you again

## 164 No One Knows

We get some rules to follow  
That and this  
These and those  
No one knows  
We get these pills to swallow  
How they stick in your throat?  
Taste like gold  
Oh what you do to me  
No one knows  
And I realize you're mine  
Indeed a fool am I  
And I realize you're mine  
Indeed a fool am I  
And I journey through the desert  
Of the mind  
With no hope  
I follow  
Well I drift along the ocean  
Dead lifeboats  
In the sun  
Come undone  
Pleasantly caving in  
I come undone  
And I realize you're mine  
Indeed a fool am I  
And I realize you're mine  
Indeed a fool am I  
Heaven smiles above me  
What a gift  
Here below  
But no one knows  
Gift that you give to me  
No one know

## 165 No Rain

All I can say is that my life is pretty plain  
I like watchin' the puddles gather rain  
And all I can do is just pour some tea for  
two  
And speak my point of view but it's not  
sane, it's not sane  
I just want someone to say to me  
I'll always be there when you wake  
You know I'd like to keep my cheeks dry  
today  
So stay with me and I'll have it made  
And I don't understand why I sleep all day  
And I start to complain that there's no rain  
And all I can do is read a book to stay  
awake  
And it rips my life away, but it's a great  
escape, escape, escape, escape  
All I can say is that my life is pretty plain  
You don't like my point of view  
You think I'm insane  
It's not sane, it's not sane  
I just want someone to say to me  
I'll always be there when you wake  
You know I'd like to keep my cheeks dry  
today  
So stay with me and I'll have it made  
And I'll have it made, and I'll have it made,  
oh no, no  
You know we're really gonna, really gonna  
have it made, yeah  
We're gonna have it made

### Chorus 8x

No, woman, no cry. No, woman, no cry. Eh,  
yeah! A little darlin', don't shed no tears.  
No, woman, no cry. Eh!

### Verse 16x

Said—said, said I remember when we used  
to sit In the government yard in Trench-  
town And then Georgie would make the fire  
lights, As it was, log wood burnin' through  
the nights

Then we would cook cornmeal porridge, of  
which I'll share with you. My feet is my only  
carriage And so I've got to push on through

### Bridge 8x

But while I'm gone, Everything's gonna be  
all right! Everything's gonna be all right!  
Everything's gonna be all right, yeah! Ev-  
erything's gonna be all right!

Everything's gonna be all right a! Every-  
thing's gonna be all right! Everything's

gonna be all right, yeah! Everything's  
gonna be all right!

### Chorus 8x

So, no, woman, no cry. No, woman, no cry.  
I say, oh, little—oh, little darlin', don't shed  
no tears. No, woman, no cry. Eh.

### Chorus 8x

No, woman—no, woman—no, woman, no  
cry. No, woman, no cry. One more time I  
got to say, Oh, little little darlin', please  
don't shed no tears. No, woman, no cry.

## 167 Nothing Compares 2 U

### Intro 8x

### Verse 16x

It's been seven hours and fifteen days  
Since you took your love away  
I go out all night and sleep all day  
Since you took your love away  
Since you been gone I can do whatever I  
want  
I can see who ever I choose  
I can eat my dinner in a fancy restaurant  
But nothing nothing can take away these  
blues

### Chorus 4x

Cause nothing compares  
Nothing compares .. to you

### Verse 16x

It's been so lonely without you here  
Like a bird without a song  
Nothing can stop these lonely tears from  
falling  
Tell me .. where did I go wrong  
I could put my arms around any girl I  
choose  
But it just reminds me of you  
I went to the doctor and guess what it told  
me  
Said, "Boy, you better try to have fun no  
matter what you do."  
But he's a fool

### Chorus 4x

Cause nothing compares  
Nothing compares ... to you

### Guitar Solo 12x+1

### Verse 8x

All the flowers that you planted, mama  
In your back yard  
All died when you went away  
And I know living with me baby is some-  
times hard  
But I'm willing .. to give it another try

### Chorus 8x

Cause nothing compares  
Nothing compares ... to you  
Nothing compares  
Nothing compares ... to you .. to you

## 168 Numb

I'm tired of being what you want me to be  
Feeling so faithless, lost under the surface  
I don't know what you're expecting of me  
Put under the pressure of walking in your shoes

(Caught in the undertow just caught in the undertow)

Every step that I take is another mistake to you

(Caught in the undertow just caught in the undertow)

I've become so numb I can't feel you there

Become so tired so much more aware

I'm becoming this all I want to do

Is be more like me and be less like you

Can't you see that you're smothering me?

Holding too tightly, afraid to lose control

~Cause everything that you thought I would be

Has fallen apart right in front of you

(Caught in the undertow just caught in the undertow)

Every step that I take is another mistake to you

(Caught in the undertow just caught in the undertow)

And every second I waste is more than I can take

I've become so numb I can't feel you there

Become so tired so much more aware

I'm becoming this all I want to do

Is be more like me and be less like you

And I know I may end up failing too

But I know you were just like me

With someone disappointed in you

I've become so numb I can't feel you there

Become so tired so much more aware

I'm becoming this all I want to do

Is be more like me and be less like you

I've become so numb I can't feel you there

I'm tired of being what you want me to be  
I've become so numb I can't feel you there  
I'm tired of being what you want me to be

## 169 One

One  
One

Is it getting better?  
Or do you feel the same?  
Will it make it easier on you now?  
You got someone to blame  
You say, one love, one life  
When it's one need in the night  
One love, we get to share it  
Leaves you baby if you don't care for it  
Did I disappoint you?  
Or leave a bad taste in your mouth?  
You act like you never had love  
And you want me to go without  
Well it's too late tonight  
To drag the past out into the light  
We're one but we're not the same  
We get to carry each other, carry each other  
One!  
Have you come here for forgiveness?  
Have you come to raise the dead?  
Have you come here to play Jesus?  
To the lepers in your head  
Did I ask too much? More than a lot  
You gave me nothin' now it's all I got  
We're one but we're not the same  
Well we hurt each other then we do it again  
You say love is a temple, love a higher law  
Love is a temple, love the higher law  
You ask me to enter but then you make me crawl  
And I can't be holdin' on to what you got  
When all you got is hurt  
One love, one blood  
One life, you got to do what you should  
One life, with each other  
Sisters, brothers  
One life but we're not the same  
We get to carry each other, carry each other

## 170 Outshined

I got up feeling so down  
I got off being sold out  
I've kept the movie rolling  
But the story's getting old now  
I just looked in the mirror  
And things aren't looking so good  
I'm looking California  
And feeling Minnesota  
So now you know  
(Who gets mystified)  
So now you know  
(Who gets mystified)  
Show me the power child, I'd like to say  
That I'm down on my knees today  
It gives me the butterflies, gives me away  
'Til I'm up on my feet again  
I'm feeling, I'm feeling  
Outshined, outshined, outshined, out-  
shined  
Someone let the dogs out  
They'll show you where the truth is  
The grass is always greener  
Where the dogs are shedding  
I'm feeling that I'm sober  
Even though I'm drinking  
I can't get any lower  
Still I feel I'm sinking  
So now you know  
(Who gets mystified)  
So now you know  
(Who gets mystified)  
Show me the power child, I'd like to say  
That I'm down on my knees today  
It gives me the butterflies, gives me away  
'Til I'm up on my feet again  
I'm feeling, I'm feeling  
Outshined, outshined, outshined, out-  
shined  
Outshined  
So now you know

(Who gets mystified)  
Show me the power child, I'd like to say  
That I'm down on my knees today  
It gives me the butterflies, gives me away  
'Til I'm up on my feet again  
I'm feeling, I'm feeling  
Show me the power child, I'd like to say  
That I'm down on my knees today  
It gives me the butterflies, gives me away  
'Til I'm up on my feet again  
I'm feeling, I'm feeling  
Outshined, outshined, outshined, out-  
shined

## 171 Outside

And you  
You bring me to my knees, again  
And all the times  
Then I could beg you please, in vain  
All the times  
Then I felt insecure, for you  
And I leave  
My burdens at the door  
But I'm on the outside  
I'm looking in  
I can see through you  
See your true colors  
'Cause inside you're ugly  
You're ugly like me  
And I can see through you  
See to the real you  
All the times  
That I felt like this won't end, it's for you  
And I taste  
What I could never have, it was from you  
All the times  
That I've cried my intentions, full of pride  
But I waste  
More time than anyone  
But I'm on the outside  
I'm looking in  
I can see through you  
See your true colors  
'Cause inside you're ugly  
You're ugly like me  
I can see through you  
See to the real you  
And all the times  
That I've cried, all this wasted, it's all inside  
And I feel  
All this pain, stuffed it down, it's back again  
And I lie  
Here in bed all alone  
I can't mend  
But I feel tomorrow will be okay

But I'm on the outside  
And I'm looking in  
I can see through you  
See your true colors  
'Cause inside you're ugly  
You're ugly like me  
I can see through you  
See to the real you

## 172 Overkill

I can't get to sleep  
I think about the implications  
Of diving in too deep  
And possibly the complications  
Especially at night  
I worry over situations  
I know we'll be alright  
Perhaps it's just imagination  
Day after day it reappears  
Night after night my heartbeat shows the  
fear  
Ghosts appear and fade away  
Alone between the sheets  
Only brings exasperation  
It's time to walk the streets  
Smell the desperation  
At least there's pretty lights  
And though there's little variation  
It nullifies the night from overkill  
Day after day it reappears  
Night after night my heartbeat shows the  
fear  
Ghosts appear and fade away  
Come back another day  
I can't get to sleep  
I think about the implications  
Of diving in too deep  
And possibly the complications  
Especially at night  
I worry over situations that  
I know will be alright  
It's just overkill  
Day after day it reappears  
Night after night my heartbeat shows the  
fear  
Ghosts appear and fade away  
Ghosts appear and fade away  
Ghosts appear and fade away

## 173 Panama

Jump back, what's that sound?  
Now, here she comes, foot tap an' top  
down  
Hot shoe, burnin' down the avenue  
Model citizen, zero discipline  
Don't ya know she's comin' home with me?  
You'll lose her in that turn  
I'll get her, her an' her  
Panama, Panama  
Panama, Panama  
Oh, oh, oh, oh  
Ain't nothin' like it, her shiny machine  
She got a feel for the road, keep the movin'  
parts clean  
Hot shoe, burnin' down the avenue  
An' got a freeway comin' through my bed-  
room  
Don't you know she's comin' home with  
me?  
You'll lose her in that turn  
I'll get her and her and her and her  
Panama, Panama  
Panama, ooh, Panama  
Oh, oh, oh, ah ooh  
Now, I'm flyin' an' she's flyin'  
She's right behind in the rear view mirror  
Got the foot in, power steerin'  
Pistons poppin', ain't no stoppin', now  
Panama, Panama  
Panama, Panama  
Oh, oh, oh, oh  
Panama, Panama  
Panama, Panama  
Oh, oh, oh, oh  
Panama

## 174 Paradise City

Take me down to the paradise city  
Where the grass is green  
And the girls are pretty  
Take me home  
(Oh, won't you please take me home?)  
Take me down to the paradise city  
Where the grass is green  
And the girls are pretty  
Take me home  
(Oh, won't you please take me home?)  
Just an urchin livin' under the street  
I'm a hard case that's tough to beat  
I'm your charity case, so buy me somethin'  
to eat  
I'll pay you at another time, take it to the  
end of the line  
Rags to riches or so they say  
You gotta keep pushin' for the fortune and  
fame  
You know it's, it's all a gamble when it's  
just a game  
You treat it like a capitol crime, everybody'  
doin' their time  
Take me down to the paradise city  
Where the grass is green  
And the girls are pretty  
Oh, won't you please take me home? Yeah,  
yeah  
Take me down to the paradise city  
Where the grass is green  
And the girls are pretty  
Take me home  
Strapped in the chair of the city's gas  
chamber  
Why I'm here, I can't quite remember  
The surgeon general says it's hazardous to  
breathe  
I'd have another cigarette but I can't see  
Tell me that you're gonna believe  
Take me down to the paradise city

Where the grass is green  
And the girls are pretty  
Take me home, yeah, yeah  
Take me down to the paradise city  
Where the grass is green  
And the girls are pretty  
Oh, won't you please take me home? Yeah  
So far away, so far away  
So far away, so far away  
Captain America's been torn apart  
Now he's a court jester with a broken heart  
He said turn me around and take me back  
to the start  
I must be losing my mind, are you blind?  
I've seen it all a million times  
Take me down to the paradise city  
Where the grass is green  
And the girls are pretty  
Take me home, yeah, yeah  
Take me down to the paradise city  
Where the grass is green  
And the girls are pretty  
Oh, won't you please take me home?  
Take me down to the paradise city  
Where the grass is green  
And the girls are pretty  
Take me home, yeah, yeah  
Take me down to the paradise city  
Where the grass is green  
And the girls are pretty  
Oh, won't you please take me home,  
home?  
I want to go, I want to know  
Oh, won't you please take me home?  
I want to see, oh, look at me  
Oh, won't you please take me home?  
Take me down to the paradise city  
Where the grass is green  
And the girls are pretty  
Take me home  
Take me down to the paradise city  
Where the grass is green

And the girls are pretty  
Oh, won't you please take me home?  
Take me down, oh yeah, beat me down  
Oh, won't you please take me home?  
I want to see, oh, look at me  
Oh, won't you please take me home?  
I want to see, boy, I'm gonna be mean  
Oh, oh take me home  
Take me down to the paradise city  
Where the grass is green  
And the girls are pretty  
Oh, won't you please take me home?  
I want to go, I want to know  
Oh, won't you please take me home, baby

## 175 Paralyzer

I hold on so nervously to me and my drink  
I wish it was coolin' me  
But so far has not been good, it's been  
shitty  
And I feel awkward, as I should  
This club has got to be the most preten-  
tious thing  
Since I thought you and me  
Well, I am imagining a dark lit place  
Or your place or my place  
Well I'm not paralyzed but I seem to be  
struck by you  
I wanna make you move because you're  
standin' still  
If your body matches what your eyes can  
do  
You'll probably move right through me on  
my way to you  
I hold out for one more drink before I think  
I'm lookin' too desperately  
But so far has not been fun, I should just  
stay home  
If one thing really means one  
This club will hopefully be closed in three  
weeks  
That would be cool with me  
Well, I'm still imagining a dark lit place  
Or your place or my place  
Well I'm not paralyzed but I seem to be  
struck by you  
I wanna make you move because you're  
standin' still  
If your body matches what your eyes can  
do  
You'll probably move right through me on  
my way to you  
Well I'm not paralyzed but I seem to be  
struck by you  
I wanna make you move because you're  
standin' still

If your body matches what your eyes can  
do  
You'll probably move right through me on  
my way to you  
Not paralyzed but I seem to be struck by  
you  
I wanna make you move because you're  
standin' still  
If your body matches what your eyes can  
do  
You'll probably move right through me on  
my way to you  
You'll probably move right through me on  
my way to you  
You'll probably move right through me on  
my way to you

Eh eh oh, eh oh

Eh eh oh, eh oh

Eh eh oh, eh oh

Eh eh oh, eh oh

Eh eh oh, eh oh

Eh eh oh, eh oh

Eh eh oh, eh oh

Eh eh oh, eh oh

I was left to my own devices

Many days fell away with nothing to show

And the walls kept tumbling down

In the city that we love

Great clouds roll over the hills

Bringing darkness from above

But if you close your eyes

Does it almost feel like nothing changed at all?

And if you close your eyes

Does it almost feel like you've been here before?

How am I gonna be an optimist about this?

How am I gonna be an optimist about this?

We were caught up and lost in all of our vices

In your pose as the dust settled around us

And the walls kept tumbling down

In the city that we love

Great clouds roll over the hills

Bringing darkness from above

But if you close your eyes

Does it almost feel like nothing changed at all?

And if you close your eyes

Does it almost feel like you've been here before?

How am I gonna be an optimist about this?

How am I gonna be an optimist about this?

Eh oh, eh oh

Eh eh oh, eh oh

Eh eh oh, eh oh

Eh eh oh, eh oh

Oh, where do we begin?

The rubble or our sins?

Oh, oh, where do we begin?

The rubble or our sins?

And the walls kept tumbling down

In the city that we love

Great clouds roll over the hills

Bringing darkness from above

But if you close your eyes

Does it almost feel like nothing changed at all?

And if you close your eyes

Does it almost feel like you've been here before?

## 181 Possum Kingdom

Make up your mind  
Decide to walk with me  
Around the lake tonight  
Around the lake tonight  
By my side, by my side  
I'm not gonna lie  
I'll not be a gentleman  
Behind the boathouse  
I'll show you my dark secret  
I'm not gonna lie  
I want you for mine  
My blushing bride  
My lover, be my lover, yeah  
Don't be afraid  
I didn't mean to scare you  
So help me, Jesus  
I can promise you  
You'll stay as beautiful  
With dark hair  
And soft skin, forever  
Forever  
Make up your mind  
Make up your mind

## 182 Pride

One man come in the name of love  
One man come and go  
One man come he to justify  
One man to overthrow  
In the name of love  
What more in the name of love  
In the name of love  
What more in the name of love  
One man caught on a barbed wire fence  
One man he resist  
One man washed on an empty beach  
One man betrayed with a kiss  
In the name of love  
What more in the name of love  
In the name of love  
What more in the name of love  
Early morning, April four  
Shot rings out in the Memphis sky  
Free at last, they took your life  
They could not take your pride  
In the name of love  
What more in the name of love  
In the name of love  
What more in the name of love  
In the name of love  
What more in the name of love  
In the name of love  
What more in the name of love

## 185    **Radioactive**

I'm waking up to ash and dust  
I wipe my brow, and I sweat my rust  
I'm breathing in the chemicals  
I'm breaking in and shaping up  
Then checking out on the prison bus  
This is it, the apocalypse  
Whoa  
I'm waking up  
I feel it in my bones  
Enough to make my system blow  
Welcome to the new age, to the new age  
Welcome to the new age, to the new age  
Whoa oh oh oh oh  
Whoa oh oh oh  
I'm radioactive, radioactive  
Whoa oh oh oh oh  
Whoa oh oh oh  
I'm radioactive, radioactive  
I raise my flag, and dye my clothes  
It's a revolution, I suppose  
We're painted red to fit right in  
Whoa  
I'm breaking in and shaping up  
Then checking out on the prison bus  
This is it, the apocalypse  
Whoa  
I'm waking up  
I feel it in my bones  
Enough to make my system blow  
Welcome to the new age, to the new age  
Welcome to the new age, to the new age  
Whoa oh oh oh oh  
Whoa oh oh oh  
I'm radioactive, radioactive  
Whoa oh oh oh oh  
Whoa oh oh oh  
I'm radioactive, radioactive  
All systems go  
The sun hasn't died  
Deep in my bones

Straight from inside  
I'm waking up  
I feel it in my bones  
Enough to make my system blow  
Welcome to the new age, to the new age  
Welcome to the new age, to the new age  
Whoa oh oh oh oh  
Whoa oh oh oh  
I'm radioactive, radioactive  
Whoa oh oh oh oh  
Whoa oh oh oh  
I'm radioactive, radioactive

## 188 Redemption Song

Oh Pirates yes they rob I  
Stole I from the merchant ships  
Minutes after they took I  
From the bottomless pit  
But my hand was made strong  
By the hand of the Almighty  
We forward in this generation  
Triumphantly  
Won't you help to sing  
these songs of freedom  
'Cause all I ever have  
Redemption Songs Ziggy & Lauryn:  
Emancipate yourself from mental slavery  
None but ourselves can free our minds  
Have no fear for atomic energy  
'Cause none of them can stop the time  
How long shall they kill our prophets  
While we stand aside and look  
Yes, some say it's just a part of it  
But we've got to fulfill the book  
Won't you help us sing  
Another song of freedom  
'Cause all I ever have  
Redemption Song L. Boogie  
Yo, If they can stop this fruit  
They would pop this route  
Chop this fruit  
Treat us like a prostitute  
Knock this youth  
See me in my cocky suit  
God's recruit  
From fallin even God's salute  
Tribal truth  
Ja people can't be mute  
Share my youth to Babylon can't regroup  
Sing, to Babylon can't regroup  
Sing, to Babylon can't regroup  
Lauryn & Ziggy:  
Emancipate yourself from mental slavery  
None but ourselves can free our minds

Have no fear for atomic energy  
'Cause none of them can stop the time  
How long shall they kill our prophets  
While we stand aside and look  
Some say it's just a part of it  
We've got to fulfill the book  
Won't you help to sing  
Another song of freedom, yeah  
'Cause all I ever have  
Redemption songs(5).

## 189 Ride On

It's another lonely evening And another lonely town  
But i ain't too young to worry And i ain't too old to cry  
When a woman gets me down Got another empty bottle  
And another empty bed Ain't too young to admit it  
And i'm not too old to lie I'm just another empty head

That's why i'm lonely I'm so lonely But i know what i'm gonna do

I'm gonna ride on Ride on Ride on, standing on the edge of the road  
Ride on, thumb in the air Ride on, one of these days i'm gonna Ride on, change my evil ways  
Till then i'll just keep dragging on

Broke another promise And i broke another heart  
But i ain't too young to realize That i ain't too old to try  
Try to get back to the start And it's another red light nightmare  
Another red light street And i ain't too old to hurry  
Cause i ain't too old to die But i sure am hard to beat

But i'm lonely Lord i'm lonely What am i gonna do

Ride on Ride on, got myself a one way ticket  
Ride on Ride on, going the wrong way Ride on, gonna change my evil ways  
Ride on, one of these days One of these days

Ride on Ride on I'm gonna ride on Ride on, looking for a truck  
Ride on Ride on, keep on riding Riding on and on and on # Ring Of Fire

Love is a burning thing  
And it makes a fiery ring  
Bound by ones desire  
I fell down into a ring of fire  
I fell into a burning ring of fire

Went down, down, down and the flames went higher

And it burns, burns, burns that ring of fire, that ring of fire

The taste of love is sweet

When hearts like ours meet

I hide before you like a child

Oh but the fire went wild

I fell into a burning ring of fire

Went down, down, down and the flames went higher

And it burns, burns, burns that ring of fire, that ring of fire and it burns

I fell into a burning ring of fire

Went down, down, down and the flames went higher

And it burns, burns, burns that ring or fire that ring of fire

The taste of love is sweet

When hearts like ours meet

I hide before you like a child

Oh but the fire went wild

I fell into a burning ring of fire

Went down, down, down and the flames went higher

And it burns, burns, burns that ring of fire, that ring of fire

One more time

I fell into a burning ring of fire

Went down, down, down and the flames went higher

And it burns, burns, burns that ring of fire, that ring of fire

That ring of fire, that ring of fire

It's been a long time, been a long time  
Been a long lonely, lonely, lonely, lonely,  
lonely time

Seems so long since we walked in the  
moonlight

Making vows that just can't work right

Open your arms, baby, let my love come  
running in

It's been a long time, been a long time  
Been a long lonely, lonely, lonely, lonely,

## 193 Rooster

Ain't found a way to kill me yet?  
Eyes burn with stinging sweat  
Seems every path leads me to nowhere  
Wife and kids, household pet  
Army green was no safe bet

Here they come to snuff the rooster, yeah

## 198 Sex on Fire

Lay where you're laying  
Don't make a sound  
I know they're watching  
They're watching  
All the commotion  
The kiddie like play  
Has people talking  
They're talking  
You, Your sex is on fire  
Dark of the alley  
The breaking of day  
Head while I'm driving  
I'm driving  
Soft lips are open  
Them knuckles are pale  
Feels like you're dying  
You're dying  
You, Your sex is on fire  
Consumed,  
With the what's to transpire  
Hot as a fever  
Rattling bones  
I could just taste it  
Taste it  
But it's not forever  
But it's just tonight  
Oh we're still the greatest  
The greatest  
The greatest  
You, Your sex is on fire  
You, Your sex is on fire  
Consumed,  
With the what's to transpire  
And you  
Your sex is on fire  
Consumed,  
With the what's to transpire

They come runnin' just as fast as they can  
'Cause every girl crazy 'bout a sharp  
dressed man  
Gold watch, diamond ring

## 207 Smells Like Teen Spirit

Load up on guns and bring your friends  
 It's fun to lose and to pretend  
 She's over bored and self assured  
 Oh no, I know a dirty word  
 Hello, hello, hello, how low?  
 Hello, hello, hello, how low?  
 Hello, hello, hello, how low?  
 Hello, hello, hello

With the lights out, it's less dangerous  
 Here we are now, entertain us  
 I feel stupid and contagious  
 Here we are now, entertain us  
 A mulatto, an albino  
 A mosquito, my libido  
 Yeah, hey, yay

I'm worse at what I do best  
 And for this gift I feel blessed  
 Our little group has always been  
 And always will until the end  
 Hello, hello, hello, how low?  
 Hello, hello, hello, how low?  
 Hello, hello, hello, how low?  
 Hello, hello, hello

With the lights out, it's less dangerous  
 Here we are now, entertain us  
 I feel stupid and contagious  
 Here we are now, entertain us  
 A mulatto, an albino  
 A mosquito, my libido  
 Yeah, hey, yay

And I forget just why I taste  
 Oh yeah, I guess it makes me smile  
 I found it hard, it's hard to find Oh well,  
 whatever, nevermind  
 Hello, hello, hello, how low?  
 Hello, hello, hello, how low?  
 Hello, hello, hello, how low?  
 Hello, hello, hello

With the lights out, it's less dangerous  
 Here we are now, entertain us

I feel stupid and contagious  
 Here we are now, entertain us  
 A mulatto, an albino  
 A mosquito, my libido  
 A denial, a denial  
 A denial, a denial  
 A denial, a denial  
 A denial, a denial  
 A denial

## 208 So Lonely

Well, someone told me yesterday  
About when you throw your love away  
You act as if you don't care  
You look as if you're going somewhere  
But I just can't convince myself  
I couldn't live with no one else  
And I can only play that part  
And sit and nurse my broken heart  
So lonely, so lonely, so lonely  
So lonely, so lonely, so lonely  
So lonely, so lonely, so lonely  
So lonely, so lonely, so lonely  
Now no one's knocked upon my door  
For a thousand years or more  
All made up and nowhere to go  
Welcome to this one man show  
Just take a seat they're always free  
No surprise, no mystery  
In this theater that I call my soul  
I always play the starring role  
So lonely, so lonely, so lonely  
So lonely, so lonely, so lonely  
So lonely, so lonely, so lonely  
So lonely, so lonely, so lonely  
So lonely, so lonely, so lonely  
So lonely, so lonely, so lonely  
Lonely, I'm so lonely  
I feel so alone, I feel low  
I feel so, feel so low  
I feel low, low, low  
I feel low, low, low  
I feel low, low, low  
I feel low, low, low  
I feel low, low, low  
Low, I feel low  
I feel low, I feel low  
I feel so lonely  
I feel so lonely  
I feel so lonely, lonely, lonely, lone  
Lonely, lone

I feel so alone, yeah  
So lonely  
So lonely  
So lonely  
...

## 209 Some Kind Of Wonderful

I don't need a whole lots of money  
I don't need a big fine car  
I got everything that a man could want  
I got more than I could ask for  
And I don't have to run around  
I don't have to stay out all night  
'Cause I got me a sweet, a sweet loving woman  
And she know just how to treat me right  
Oh, my baby, she's alright  
Oh, my baby's clean out of sight  
Don't you know that she's?  
She's some kind of wonderful  
She's some kind of wonderful  
Yes, she is, she is  
She's some kind of wonderful  
Yeah, yeah, yeah, yeah  
When I hold her in my arms  
You know she sets my soul on fire  
Oh, when my baby kisses me  
My heart becomes filled with desire  
When she wraps her loving arms around me  
It 'bout drives me out of my mind  
Yeah, when my baby kisses me  
Chills run up and down my spine  
Oh, my baby, she's alright  
Oh, my baby's clean out of sight  
Don't you know that she is?  
She's some kind of wonderful  
She's some kind of wonderful  
Yes, she is  
She's some kind of wonderful

I'm talking, talking 'bout my baby  
(She's some kind of wonderful)  
Talking 'bout my baby  
(She's some kind of wonderful)  
Talking 'bout my baby  
(She's some kind of wonderful)  
Talking 'bout my baby, my baby, my baby

(She's some kind of wonderful)  
Talking 'bout my baby, my baby, my baby  
(She's some kind of wonderful)

## 210 Song 2

I got my head checked  
By a jumbo jet  
It wasn't easy  
But nothing is, no  
When I feel heavy metal  
And I'm pins and I'm needles  
Well I lie and I'm easy all of the time  
But I'm never sure why I need you  
Pleased to meet you  
I got my head down  
When I was young  
It's not my problem  
It's not my problem  
When I feel heavy metal  
And I'm pins and I'm needles  
Well I lie and I'm easy all of the time  
But I'm never sure why I need you  
Pleased to meet you  
Yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Oh, yeah

## 211 Soulshine

### Intro 8x

### Verse 1 8x

When you can't find the light  
That got you through the cloudy days  
When the stars ain't shinin' bright  
You feel like you've lost your way  
When those candle lights of home  
Burn so very far away  
Well you got to let your soul shine  
Just like my daddy used to say.

### Chorus 8x

He used to say Soulshine  
It's better than sunshine  
It's better than moonshine  
Damn sure better than rain.  
Hey now people don't mind  
We all get this way sometime  
Got to let your soul shine, shine till the  
break of day.

### Verse 2 8x

I grew up thinkin' that i had it made  
Gonna make it on my own.  
Life can take the strongest man  
Make him feel so alone.  
Now and then i feel a cold wind  
Blowin' through my achin' bones  
I think back to what my daddy said  
He said "boy, in the darkness before the  
dawn:"

### Chorus 8x

Let your soul shine  
It's better than sunshine  
It's better than moonshine  
Damn sure better than rain.  
Yeah now people don't mind  
We all get this way sometimes

Gotta let your soul shine, shine till the  
break of day.

### Breakdown 8x

Sometimes a man can feel this emptiness  
Like a woman has robbed him of his very  
soul.  
A woman too, god knows, she can feel like  
this.  
And when your world seems cold,  
you got to let your spirit take control.

### Solo 16x

### Chorus 8x

Let your soul shine  
It's better than sunshine  
It's better than moonshine  
Damn sure better than rain.  
Lord now people don't mind  
We all get this way sometimes  
Gotta let your soul shine, shine till the  
break of day.

### Chorus 8x

Oh, it's better than sunshine  
It's better than moonshine  
Damn sure better than rain.  
Yeah now people don't mind  
We all get this way sometimes  
Gotta let your soul shine, shine till the  
break of day.

## 212 Stayin' Alive

### Intro Drums 2x

### Verse 4x

Well, you can tell by the way I use my walk,  
I'm a woman's man: no time to talk.  
Music loud and women warm, I've been  
kicked around  
since I was born.

### Pre chorus 4x

And now it's all right. It's OK.  
And you may look the other way.  
We can try to understand  
the New York Times' effect on man.

### Chorus 8x

Whether you're a brother or whether  
you're a mother,  
you're stayin' alive, stayin' alive.  
Feel the city breakin' and everybody  
shakin',  
and we're stayin' alive, stayin' alive.  
Ah, ha, ha, ha, stayin' alive, stayin' alive.  
Ah, ha, ha, ha, stayin' alive.

### Verse 4x

Well now, I get low and I get high,  
and if I can't get either, I really try.  
Got the wings of heaven on my shoes.  
I'm a dancin' man and I just can't lose.

### Pre chorus 8x

You know it's all right. It's OK.  
I'll live to see another day.  
We can try to understand  
the New York Times' effect on man.

### Chorus 8x

Whether you're a brother or whether  
you're a mother,  
you're stayin' alive, stayin' alive.

Feel the city breakin' and everybody

## 213 Steady As She Goes

Find yourself a girl and settle down  
Live a simple life in a quiet town  
Steady as she goes (steady as she goes)  
Steady as she goes (steady as she goes)  
So steady as she goes  
Your friends have a shown a kink in the  
single life  
You've had too much to think, now you  
need a wife  
Steady as she goes (steady as she goes)  
So steady as she goes (steady as she goes)  
Well, here we go again  
You've found yourself a friend that knows  
you well  
But no matter what you do  
You'll always feel as though you tripped  
and fell  
So steady as she goes  
When you have completed what you  
thought you had to do  
And your blood's depleted to the point of  
stable glue  
Then you'll get along  
Then you'll get along  
Steady as she goes (steady as she goes)  
So steady as she goes (steady as she goes)  
Well, here we go again  
You've found yourself a friend that knows  
you well  
But no matter what you do  
You'll always feel as though you tripped  
and fell  
So steady as she goes  
Steady as she goes  
Settle for a world, neither up or down  
Sell it to the crowd that is gathered round  
Settle for a girl, neither up or down  
Sell it to the crowd that is gathered round  
So steady as she goes (steady as she goes)  
Steady as she goes (steady as she goes)

Steady as she goes (steady as she goes)  
So steady as she goes (steady as she goes)  
Steady as she goes, are you steady now?  
Steady as she goes, are you steady now?  
Steady as she goes, are you steady now?  
Steady as she goes, are you steady now?  
Steady as she goes

## 214 Sullivan Street

Take the way home leads back to Sullivan  
Street

Cross the water home through the town  
Past the shadows that fall down wherever  
we meet

Pretty soon now I won't come around  
I'm almost drowning in her sea  
She's nearly fallen to her knees

Take the way home  
Take the way home leads back to Sullivan  
Street

Where all the bodies hang on the air  
If she remembers, she hides it whenever  
we meet

Either way now, I don't really care 'cause  
I'm gone from there

I'm almost drowning in her sea  
She's nearly crawling on her knees  
She's down on her knees, down on her  
knees

Take the way home that leads back to  
Sullivan Street

Where I'm just another rider burned to the  
ground

Come tumbling down  
I'm almost drowning in her sea  
She's nearly crawling on her knees

It's almost everything I need

I'm down on my knees

I'm down on my knees

I'm down on, down on my knees

I'm down on my knees

I'm down on my knees

## 216 Sweet Emotion

(Groovy Instrumental Intro)

Sweet Emotion

Sweet Emotion

You talk about things that nobody cares  
You're wearing out things that nobody  
wears

You're calling my name but I gotta make  
clear

I can't say baby where I'll be in a year

(Guitar Riff)

When some Sweat Hot mama with a face  
like a gent

Said my get up and go musta got up and  
went

Well I got good news, she's a real good liar  
'Cause the backstage boogie set your  
pants on fire

(Guitar Riff)

Sweet Emotion

Sweet Emotion

When I pulled into town in a police car  
Your daddy said I took it just a little too  
far

You're telling me things but your girlfriend  
lied

You can't catch me 'cause the rabbit done  
died

Yes it did

(Guitar Riff)

You stand in the front just a shakin' your  
ass

I'll take you backstage, you can drink from  
my glass

I'll talk about something you're sure to  
understand

'Cause a month on the road an' I'll be  
eating from your hand

(Guitar Riff)

(Guitar Solo)

## 218 TNT

(Oi, oi, oi, oi, oi, oi, oi, oi, oi, oi, oi, oi, oi, oi,  
oi)

See me ride out of the sunset

On your color TV screen

Out for all that I can get

If you know what I mean

Women to the left of me

And women to the right

Ain't got no gun

Ain't got no knife

Don't you start no fight

'Cause I'm T.N.T., I'm dynamite

(T.N.T.) and I'll win the fight

(T.N.T.) I'm a power load

(T.N.T.) watch me explode

I'm dirty, mean and mighty unclean

I'm a wanted man

Public enemy number one

Understand

So lock up your daughter

Lock up your wife

Lock up your back door

And run for your life

The man is back in town

So don't you mess me 'round

'Cause I'm T.N.T. I'm dynamite

(T.N.T.) and I'll win the fight

(T.N.T.) I'm a power load

(T.N.T.) watch me explode

T.N.T., (oi, oi, oi)

T.N.T., (oi, oi, oi)

T.N.T., (oi, oi, oi)

T.N.T., (oi, oi, oi)

T.N.T., (oi, oi, oi), I'm dynamite

(T.N.T., oi, oi, oi), and I'll win the fight,

(T.N.T., oi, oi, oi), I'm a power load

(T.N.T.), watch me explode!

## 219 Take Me Out

(With you)

I know I won't be leaving here with you

So if you're lonely, you know I'm here wait-  
ing for you

I'm just a cross hair, I'm just a shot away  
from you

And if you leave here, you leave me broken  
shattered I lie

I'm just a cross hair, I'm just a shot then we  
can die

I know I won't be leaving here with you

I say, "Don't you know?"

You say, "You don't know"

I say, "Take me out"

I say, "You don't show"

Don't move time is slow

I say, "Take me out"

Well I say, "You don't know"

You say, "You don't go"

I say, "Take me out"

If I move this could die

Eyes move this can die

I want you to take me out

I know I won't be leaving here

(With you)

I know I won't be leaving here

I know I won't be leaving here

(With you)

I know I won't be leaving here with you

Well I say, "Don't you know?"

You say, "You don't know"

I say, "Take me out"

If I want this could die

I wait this could die

I want you to take me out

If I move this could die

Eyes move this can die

Come on, take me out

I know I won't be leaving here

(With you)

I know I won't be leaving here

I know I won't be leaving here

If we take a walk down

## 225 The Distance

Reluctantly crouched at the starting line  
Engines pumping and thumping in time  
The green light flashes; the flags go up  
Churning and burning, they yearn for the cup

They deftly maneuver and muscle for rank  
Fuel burning fast on an empty tank  
Reckless and wild, they pour through the turns

Their prowess is potent and secretly stern  
As they speed through the finish, the flags go down

The fans get up, and they get out of town  
The arena is empty, except for one man  
Still driving and striving as fast as he can  
The sun has gone down and the moon has come up

And long ago somebody left with the cup  
But he's driving and striving and hugging the turns

And thinking of someone for whom he still burns

He's going the distance

He's going for speed

She's all alone (All alone)

All alone in her time of need

Because he's racing and pacing and plotting the course

He's fighting and biting and riding on his horse

He's going the distance

Ahh, ahh

Yah! Oh!

No trophy, no flowers, no flashbulbs, no line

He's haunted by something he cannot define

Bowel shaking earthquakes of doubt and remorse

Assail him, impale him with monster truck

force

In his mind, he's still driving, still making the grade

She's hoping in time that her memories will fade

'Cause he's racing and pacing and plotting the course

He's fighting and biting and riding on his horse

The sun has gone down and the moon has come up

And long ago somebody left with the cup

But he's striving and driving and hugging the turns

And thinking of someone for whom he still burns

'Cause he's going the distance

He's going for speed

She's all alone (All alone)

All alone in her time of need

Because he's racing and pacing and plotting the course

He's fighting and biting and riding on his horse

He's racing and pacing and plotting the course

He's fighting and biting and riding on his horse

He's going the distance

He's going for speed

He's going the distance

Ahh, ahh, hey!

Hey!

## 226 The Middle

### Intro 8x

### Verse 16x

Hey  
don't write yourself off yet  
It's only in your head you feel left out  
or looked down on  
  
Just try your best  
try everything you can  
And don't you worry what they tell them-  
selves  
when you're away

### Chorus 8x

It just takes some time, Little girl  
you're in the middle of the ride  
Everything, everything will be just fine  
Everything, everything will be alright, al-  
right

### Verse 16x

Hey  
you know they're all the same  
You know you're doing better on your own,  
so don't buy in  
  
Live right now  
just be yourself  
It doesn't matter if it's good enough  
for someone else

### Chorus 8x

### Chorus 8x

### Solo 16x

are gonna say

## 227 The Scientist

Come up to meet you, tell you I'm sorry  
You don't know how lovely you are  
I had to find you, tell you I need you  
Tell you I set you apart  
Tell me your secrets and ask me your ques-  
tions  
Oh, let's go back to the start  
Running in circles, coming up tails  
Heads on a science apart  
Nobody said it was easy  
It's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be this hard  
Oh, take me back to the start  
I was just guessing at numbers and figures  
Pulling the puzzles apart  
Questions of science, science and progress  
Do not speak as loud as my heart  
But tell me you love me, come back and  
haunt me  
Oh and I rush to the start  
Running in circles, chasing our tails  
Coming back as we are  
Nobody said it was easy  
Oh, it's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be so hard  
I'm going back to the start  
Oh ooh, ooh ooh ooh ooh  
Ah ooh, ooh ooh ooh ooh  
Oh ooh, ooh ooh ooh ooh  
Oh ooh, ooh ooh ooh ooh

## 228 Thinking Out Loud

When your legs don't work like they used to before

And I can't sweep you off of your feet

Will your mouth still remember the taste of my love?

Will your eyes still smile from your cheeks?

And, darling, I will be loving you till we're 70

And, baby, my heart could still fall as hard at 23

And I'm thinking 'bout how people fall in love in mysterious ways

Maybe just the touch of a hand

Well, me, I fall in love with you every single day

And I just wanna tell you I am

So, honey, now

Take me into your loving arms

Kiss me under the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

Maybe we found love right where we are

When my hair's all but gone, and my memory fades

And the crowds don't remember my name

When my hands don't play the strings the same way

I know you will still love me the same

'Cause, honey, your soul could never grow old, it's evergreen

And, baby, your smile's forever in my mind and memory

I'm thinking 'bout how people fall in love in mysterious ways

And maybe it's all part of a plan

Well, I'll just keep on making the same mistakes

Hoping that you'll understand

That, baby, now

Take me into your loving arms

Kiss me under the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

And maybe we found love right where we are

La la la, la la la, la la la, la la la loud

So, baby, now

Take me into your loving arms

Kiss me under the light of a thousand stars

Oh, darling, place your head on my beating heart

I'm thinking out loud

Then maybe we found love right where we are

Oh, baby, we found love right where we are

And we found love right where we are

## 229 This Is How You Remind Me

Never made it as a wise man  
 I couldn't cut it as a poor man stealin'  
 Tired of livin' like a blind man  
 I'm sick of sight without a sense of feelin'  
 And this is how you remind me  
 This is how you remind me  
 Of what I really am  
 This is how you remind me  
 Of what I really am  
 It's not like you to say sorry  
 I was waiting on a different story  
 This time I'm mistaken  
 For handing you a heart worth breakin'  
 And I've been wrong, I've been down  
 Been to the bottom of every bottle  
 These five words in my head  
 Scream, "Are we having fun yet?"  
 Yet, yet, yet, no no  
 Yet, yet, yet, no no  
 It's not like you didn't know that  
 I said, "I love you", and I swear I still do  
 It must have been so bad  
 'Cause living with me must have  
 Damn, near killed you  
 And this is how you remind me  
 Of what I really am  
 This is how you remind me  
 Of what I really am  
 It's not like you to say sorry  
 I was waiting on a different story  
 This time I'm mistaken  
 For handing you a heart worth breakin'  
 And I've been wrong, I've been down  
 Been to the bottom of every bottle  
 These five words in my head  
 Scream, "Are we having fun yet?"  
 Yet, yet, yet, no no  
 Yet, yet, yet, no no

Yet, yet, yet, no no  
 Yet, yet, yet, no no  
 Never made it as a wise man  
 I couldn't cut it as a poor man stealing  
 And this is how you remind me  
 This is how you remind me  
 This is how you remind me  
 Of what I really am  
 This is how you remind me  
 Of what I really am  
 It's not like you to say sorry  
 I was waiting on a different story  
 This time I'm mistaken  
 For handing you a heart worth breakin'  
 And I've been wrong, I've been down

 Yet, yet, "Are we having fun yet?"  
 Yet, yet, "Are we having fun yet?"  
 Yet, yet, "Are we having fun yet?"  
 (Five words in my head)  
 Yet, yet, [Incomprehensible]  
 (Five words in my head)

## 231 Tom Sawyer

A modern day warrior  
Mean, mean stride  
Today's Tom Sawyer  
Mean, mean pride  
Though his mind is not for rent  
Don't put him down as arrogant  
His reserve, a quiet defense  
Riding out the day's events  
The river  
What you say about his company  
Is what you say about society  
Catch the mist, catch the myth  
Catch the mystery, catch the drift  
The world is, the world is  
Love and life are deep  
Maybe as his skies are wide  
Today's Tom Sawyer  
He gets high on you  
And the space he invades  
He gets by on you  
No his mind is not for rent  
To any god or government  
Always hopeful, yet discontent  
He knows changes aren't permanent  
But change is  
What you say about his company  
Is what you say about society  
Catch the witness, catch the wit  
Catch the spirit, catch the spit  
The world is, the world is  
Love and life are deep  
Maybe as his eyes are wide  
Exit the warrior  
Today's Tom Sawyer  
He gets high on you  
And the energy you trade  
He gets right on to the friction of the day

## 232 Touch Too Much

It was one of those nights  
When you turned out the lights  
And everything comes into view  
She was taking her time  
I was losing my mind  
There was nothing that she wouldn't do  
It wasn't the first  
It wasn't the last  
She knew we was making love  
I was so satisfied  
Deep down inside  
Like a hand in a velvet glove

Chorus:

Seems like a touch, a touch too much  
Seems like a touch, a touch too much  
Too much for my body, too much for my  
brain  
This kind of woman's gonna drive me in-  
sane  
She's got a touch, a touch too much  
She had the face of an angel  
Smiling with sin  
A body of venus with arms  
Dealing with danger  
Stroking my skin  
Let the thunder and lightening start  
It wasn't the first  
It wasn't the last  
It wasn't that she didn't care  
She wanted it hard  
And wanted it fast  
She liked it done medium rare

Chorus

Seems like a touch, touch too much  
You know it's much too much, much too  
much  
I really want to feel your touch too much  
Girl you know you're getting me much too

much  
Seems like a touch  
Just a dirty little touch  
I really need your touch  
Cause you're much too much too much  
Chorus

## 233 Troublemaker

Put me in a special school  
'Cause I am such a fool  
And I don't need a single book  
To teach me how to read  
Who needs stupid books?  
They are for petty crooks  
And I will learn by studying  
The lesson in my dreams  
So turn off the TV  
'Cause that's what others see  
And movies are as bad as  
Eating chocolate ice cream  
They only sicken me  
Don't let me play football  
I'll sack the quarterback  
And jack the brother of the ball  
I'm a troublemaker  
Never been a faker  
Doing things my own way  
And never giving up  
I'm a troublemaker  
Not a double taker  
I don't have the patience  
To keep it on the up  
I picked up a guitar  
What does this signify?  
I'm gonna play some heavy metal riffs  
And you will die  
You wanted arts and crafts  
How's this for arts and crafts?  
That's right  
I'm growing out my hair  
I'm movin' out to Cherokee  
I'm gonna be a rock star  
And you will go to bed with me  
'Cause I can't work a job  
Like any other slob  
Punchin' in and punchin' out  
And suckin' up to Bob  
Marrying a bitch

Having 7 kids  
Giving up and growing old  
And hoping there's a God  
I'm a troublemaker  
Never been a faker  
Doing things my own way  
And never giving up  
I'm a troublemaker  
Not a double taker  
I don't have the patience  
To keep it on the up  
I'm gonna be a star  
And people will crane necks  
To get a glimpse of me  
And see if I am having sex  
In studying my moves  
They try to understand  
Why I am so unlike the singers  
In the other bands  
I'm such a mystery  
As anyone can see  
There isn't anybody else  
Exactly quite like me  
And when it's party time  
Like 1999  
I'll party by myself  
Because I'm such a special guy  
I'm a troublemaker  
Never been a faker  
Doing things my own way  
And never giving up  
I'm a troublemaker  
Not a double taker  
I don't have the patience  
To keep it on the up  
(Keep it on the up)  
I'm a troublemaker  
(Keep it on the up)  
I'm a troublemaker  
(Keep it on the up)  
I'm a troublemaker  
(Keep it on the up)

I'm a troublemaker  
Never giving up

## 234 Turn The Page

### Sax Intro 6x

### Verse 1 16x

On a long and lonesome highway east of  
Omaha  
You can listen to the engine rolling out his  
one note song  
You can think about the woman  
Or the girl you knew the night before  
But your thoughts will soon be wanderin'  
the way they always do  
When your riding sixteen hours and there's  
nothin much to do  
And you don't feel much like riding  
You just wish the trip was through

### Chorus 8x

Say here I am on the road again  
There I am up on the stage  
Here I go playin' the star again  
There I go  
Turn the page

### Piano Break 2x

### Verse 2 16x

Well you walk into a restaurant strung out  
from the road  
And you feel the eyes upon you as you're  
shakin' off the cold  
You pretend it doesn't bother you  
But you just want to explode  
Most times you can't hear 'em talk other  
times you can  
All the same ol' cliches, is that a woman or  
a man  
And you always seem outnumbered  
You don't dare make a stand

### Chorus 8x

Here I am on the road again  
There I am up on the stage  
Here I go playin' the star again  
There I go  
Turn the page

### Violin Break 4x

### Verse 3 16x

Out there in the spotlight your a million  
miles away  
Every ounce of energy you try to give away  
As the sweat pours out your body  
Like the music that you play (sax riff, then  
quiet) Later in the evening as you lie awake  
in bed  
With the echoes from the amplifiers ringin'  
in your head  
You smoke the day's last cigarette  
Remembering what she said

### Piano Break 2x

### Chorus 8x

Ah here I am on the road again  
There I am up on the stage  
Here I go playin' the star again  
There I go  
Turn the page

## 238 Use Somebody

I've been roaming around  
always looking down and all I see  
Painted faces fill the places I can't reach  
You know that I could use somebody  
You know that I could use somebody  
Someone like you  
and all you know and how you speak  
Countless lovers  
undercover of the street  
You know that I could use somebody  
You know that I could use somebody  
Someone like you  
(ooo, ooo)  
(ooo, ooo)  
(ooo, ooo)  
Off in the night while you live it up  
I'm off to sleep  
Waging wars to shape the poet and the  
beat  
I hope it's gonna make you notice  
I hope it's gonna make you notice  
Someone like me  
Someone like me  
Someone like me, somebody  
Im ready now  
I'm ready now  
I'm ready now  
I'm ready now  
Someone like you, somebody  
Someone like you, somebody  
Someone like you, somebody  
I've been roaming around  
always looking down and all I see

## 240 Vasoline

One time a thing occurred to me  
What's real and what's for sale?  
Blew a kiss and tried to take it home  
Isn't you, isn't me  
Search for things that you can't see  
Goin' blind, out of reach  
Somewhere in the vasoline  
Two times and it has rendered me  
Punched, drunk and without bail  
Think I'd be safer all alone  
Flies in the vasoline, we are  
Sometimes it blows my mind  
Keep gettin' stuck here all the time  
Isn't you, isn't me  
Search for things that you can't see  
Goin' blind, out of reach  
Somewhere in the vasoline  
You'll see the look and you'll see the lies  
You'll eat the lies and you will  
Flies in the vasoline, we are  
Sometimes it blows my mind  
Keep gettin' stuck here all the time  
Isn't you, isn't me  
Search for things that you can't see  
Goin' blind, out of reach  
Somewhere in the vasoline

## 241 Vertigo

Unos, dos, tres, catorce!  
Lights go down it's dark  
The jungle is your head  
Can't rule your heart  
A feeling so much  
Stronger than a thought  
Your eyes are wide and though  
Your soul it can't be bought  
Your mind can wander  
Hello hello  
(Hola)  
I'm at a place called Vertigo  
(Donde esta?)  
It's everything I wish I didn't know  
Except you give me something  
I can feel, feel  
The night is full of holes  
As bullets rip the sky  
Of ink with gold  
They twinkle as the  
Boys play rock and roll  
They know that they can't dance  
At least they know  
I can't stand the beats  
I'm asking for the cheque  
The girl with crimson nails  
Has Jesus 'round her neck  
Swinging to the music  
Swinging to the music  
Hello hello  
(Hola)  
I'm at a place called Vertigo  
(Donde esta?)  
It's everything I wish I didn't know  
But you give me something  
I can feel, feel  
All of this, all of this can be yours  
All of this, all of this can be yours  
All of this, all of this can be yours  
Just give me what I want

And no one gets hurt  
Hello hello  
(Hola)  
We're at a place called Vertigo  
(Donde esta?)  
Lights go down and all I know  
Is that you give me something  
I can feel your love teaching me how  
Your love is teaching me how  
How to kneel, kneel  
Yea, yea, yea, yea, yea, yea, yea, yea  
Yea, yea, yea, yea, yea, yea, yea, yea

## 242 Wagon Wheel

Headin' down south to the land of the pines  
I'm thumbin' my way into North Caroline  
Starin' up the road and pray to God I see headlights  
I made it down the coast in seventeen hours  
Picking me a bouquet of dogwood flowers  
And I'm a hopin' for Raleigh, I can see my baby tonight  
So, rock me mama like a wagon wheel  
Rock me mama any way you feel  
Hey... mama rock me  
Rock me mama like the wind and the rain  
Rock me mama like a south bound train  
Hey... mama rock me  
Runnin' from the cold up in New England  
I was born to be a fiddler in an old time string band  
My baby plays a guitar, I pick a banjo now  
Oh, north country winters keep a getting me down  
I lost my money playing poker so I had to leave town  
But I ain't turning back to living that old life no more  
So, rock me mamma like a wagon wheel  
Rock me mama any way you feel  
Hey... momma rock me  
Rock me mama like the wind and the rain  
Rock me mama like a south bound train  
Hey... mama rock me  
Walkin' to the south out of Roanoke  
I caught a trucker out of Philly, had a nice long toke  
But he's a heading west from the Cumberland gap  
To Johnson City, Tennessee  
And I gotta get a move on before the sun  
I hear my baby calling my name and I know

that she's the only one  
And if I died in Raleigh at least I will die free  
So, rock me mama like a wagon wheel  
Rock me mama any way you feel  
Hey... mama rock me  
Rock me mama like the wind and the rain  
Rock me mama like a south bound train  
Hey... mama rock me  
So, rock me mama like a wagon wheel  
Rock me mama any way you feel  
Hey... mama rock me  
Rock me mama like the wind and the rain  
Rock me mama like a south bound train  
Hey... mama rock me

Backstroke lover always hidin' 'neath the covers

'Til I talked to your daddy he say  
He said you ain't seen nothin' 'til you're down on a MUFF AND

Then you're sure to be a changin' your way  
I met a cheerleader was a real young breeder

Oh the times I could reminisce  
'Cause the best things of lovin' with her sister and her cousin

Only started with a little kiss

A like this

See saw swingin' with the boys in the school

And your feet flyin' up in the air

Singin' hey diddle diddle

With your kitty in the middle of the swing like you didn't care

So I took a big chance at the high school dance

With a missy who was ready to play

Wasn't me she was foolin' 'cause she knew what she was doin'

And I know love was here to stay

When she told me to

Walk this way

Walk this way

Walk this way

Walk this way

Walk this way

Walk this way

Walk this way

Walk this way

A just gimme a kiss

Like this

School girl sweetie with a sassy kinda classy

Little skirt's climbin' way up the knee

It was three young ladies in a school gym locker

When I noticed they were lookin' at me

I was a high school loser never made it with a lady

'Til the boys told me something I missed

Then my next door neighbor with a daughter had a favor

So I gave her just a little kiss

A like this

Seesaw swingin' with the boys in the school

And your feet flyin' up in the air

I sing hey diddle diddy

Wit'cha kitty in the middle of the swing like ya didn't care

So I took a big chance at the high school dance

With a missy who was ready to play

Wasn't me she was foolin' 'cause she knew what she was doin'

When she told me how to walk this way

She told me to

Walk this way

Talk this way

Walk this way

Walk this way

Walk this way

Walk this way

Walk this way

Talk this way  
A just gimme a kiss  
Like this

## 244 Walk

A million miles away  
Your signal in the distance  
To whom it may concern  
I think I lost my way  
Getting good at starting over  
Every time that I return  
I'm learning to walk again  
I believe I've waited long enough  
Where do I begin?  
I'm learning to talk again  
Can't you see I've waited long enough  
Where do I begin?

...

Do you remember the days  
We built these paper mountains  
Then sat and watched them burn  
I think I found my place  
Can't you feel it growing stronger  
Little conquerors  
I'm learning to walk again  
I believe I've waited long enough  
Where do I begin?  
I'm learning to talk again  
I believe I've waited long enough  
Where do I begin?  
Now

...

For the very first time  
Don't you pay no mind  
Set me free again  
You keep alive a moment at a time  
But still inside a whisper to a riot  
To sacrifice but knowing to survive  
The first to climb another state of mind  
I'm on my knees, I'm praying for a sign  
Forever, whenever  
I never wanna die  
I never wanna die  
I never wanna die  
I'm on my knees

I never wanna die  
I'm dancing on my grave  
I'm running through the fight  
Forever, whenever  
I never wanna die  
I never wanna leave  
I never say goodbye  
Forever, whenever  
Forever, whenever  
I'm learning to walk again  
I believe I've waited long enough  
Where do I begin?  
I'm learning to talk again  
Can't you see I've waited long enough  
Where do I begin?  
I'm learning to walk again  
I believe I've waited long enough  
I'm learning to talk again  
Can't you see I've waited long enough

Oh, my God

Welcome to the jungle, we got fun 'n games

We got everything you want, honey, we know the names

We are the people that can find whatever you may need

If you got the money, honey, we got your disease

In the jungle, welcome to the jungle

Watch it bring you to your shun na, na, na

Knees, knees, I, I wanna watch you bleed

Welcome to the jungle, we take it day by day

If you want, you're gonna bleed but it's the price you pay

And you're a very sexy girl, very hard to please

You can taste the bright lights but you won't get there for free

In the jungle, welcome to the jungle

Feel my, my, my, my serpentine

Welcome to the jungle, it gets worse here everyday

You learn to live like an animal in the jungle, where we play

You can have anything you want but you better not take it from me

In the jungle, welcome to the jungle

Watch it bring you to your shun na, na, na

Knees, knees, I'm gonna watch you bleed

And when you're high, you never, ever want to come down

So down, so down, so down, yeah

You know where you are?

Watch it bring you to your shun na, na, na  
Knees, knees, in the jungle, welcome to the jungle

Feel my, my, my, my serpentine

Watch it bring you to your shun na, na, na

Watch it bring you to your, it's gonna bring you down

## 247 What I Got

### Intro 2x

### Verse 16x

Early in the mornin', risin' to the street  
Light me up that cigarette and I'll strap  
shoes on my feet  
Got to find the reason, reason things went  
wrong  
Got to find the reason why my money's all  
gone  
I got a Dalmatian, I can still get high  
I can play the guitar like a motherfuckin'  
riot ...

### Verse 12x

Life is too short, so love the one you got  
'Cause you might get run over or you might  
get shot  
Never startle static I just get it off my chest  
Never had to battle with my bulletproof  
vest  
Take a small example, take a tip from me  
Take all of your money, give it all to charity  
Life is what I got it's within my reach  
And the sublime style is just straight from  
long beach  
It all comes back to you, you finally get  
what you deserve  
Try and test that, you're bound to get  
served  
Love's what I got, don't start a riot  
You'll feel it when the dance gets hot

### Chorus 8x

Lovin' is what I got, I said, "Remember that"  
Lovin' is what I got, and remember that  
Lovin' is what I got, I said, "Remember that"

## 248 Wheels

I know what you're thinking  
We were going down  
I could feel us sinking  
Then I came around  
And everyone I loved before  
Flashed before my eyes  
And nothing mattered anymore  
I looked into the sky  
Well I wanted something better man  
I wished for something new  
Well I wanted something beautiful  
I wished to something true  
Ain't looking for a reason man  
Something to lose  
When the wheels come down  
(When the wheels come down)  
When the wheels touch ground  
(When the wheels touch ground)  
And you feel like its all over  
Here's another round for you  
When the wheels come down  
(When the wheels come down)  
I know your head is spinning  
Broken hearts will mend  
This is our beginning  
Coming to an end  
Well you wanted something better man  
You wished for something new  
Well you wanted something beautiful  
Wished to something true  
Been looking for a reason man  
Something to lose  
When the wheels come down  
(When the wheels come down)  
When the wheels touch ground  
(When the wheels touch ground)  
And you feel like its all over  
Here's another round for you  
When the wheels come down  
(When the wheels come down)

When the wheels come down  
(When the wheels come down)  
When the wheels touch ground  
(When the wheels touch ground)  
And you feel like its all over  
Here's another round for you  
When the wheels come down  
(When the wheels come down)  
When the wheels come down  
(When the wheels come down)  
When the wheels touch ground  
(When the wheels touch ground)  
And you feel like its all over  
Here's another round for you  
When the wheels come down  
(When the wheels come down)

## 249 When I Come Around

Oh I heard you cryin' loud  
All the way across town  
You've been searching for that someone  
And it's me out on the prowl  
As you sit around feeling sorry for yourself  
Well don't get lonely now  
And dry your whining eyes  
I'm just roaming for the moment  
Sleazing my backyard so don't get so up-  
tight  
You've been thinking about ditching me  
No time to search the world around  
'Cause you know where I'll be found  
When I come around  
Oh I heard it all before  
So don't knock down my door  
I'm a loser and the user  
So I don't need no accuser  
To try and slag me down because I know  
you're right  
So it go, do what you like  
Make sure you do it wise  
You may find out that yourself doubt  
Means nothing was ever there  
You can't come forcing somethin' if it's just  
not right  
No time to search the world around  
'Cause you know where I'll be found  
When I come around  
No time to search the world around  
'Cause you know where I'll be found  
When I come around  
Oh, when I come around  
Oh, when I come around  
When I come around

## 250 When I'm Gone

There's another world inside of me that  
you may never see  
There's secrets in this life that I can't hide  
Somewhere in this darkness there's a light  
that I can't find  
Or maybe it's too far away  
Or maybe I'm just blind  
Maybe I'm just blind  
So hold me when I'm here  
Right me when I'm wrong  
Hold me when I'm scared  
and love me when I'm gone  
Everything I am  
and everything in me  
Wants to be the one you wanted me to be  
I'll never let you down  
Even if I could  
I'd give up everything if only for your good  
So hold me when I'm here  
Right me when I'm wrong  
You can hold me when I'm scared you  
won't always be there  
So love me when I'm gone  
Love me when I'm gone  
When your education x ray cannot see  
under my skin  
I won't tell you a damn thing that I could  
not tell my friends  
And roaming through this darkness I'm  
alive but I'm alone  
Part of me is fighting this but part of me is  
gone  
So hold me when I'm here  
Right me when I'm wrong  
Hold me when I'm scared  
and love me when I'm gone  
Everything I am  
and everything in me  
Wants to be the one you wanted me to be  
I'll never let you down

Even if I could  
I'd give up everything if only for your good  
So hold me when I'm here  
Right me when I'm wrong  
You can hold me when I'm scared, you  
won't always be there  
So love me when I'm gone  
...  
Maybe I'm just blind  
...  
So hold me when I'm here  
Right me when I'm wrong  
Hold me when I'm scared  
and love me when I'm gone  
Everything I am  
and everything in me  
Wants to be the one you wanted me to be  
I'll never let you down  
Even if I could  
I'd give up everything if only for your good  
So hold me when I'm here  
Right me when I'm wrong  
You can hold me when I'm scared, you  
won't always be there  
So love me when I'm gone  
Love me when I'm gone, whoa  
Love me when I'm gone  
When I'm gone  
When I'm gone  
When I'm gone

Where the streets have no name

It's all I can do

Our love turns to rust  
We're beaten and  
blown by the wind  
blown by the wind  
Oh, we're still in dust

I'll be beaten and  
blown by the wind  
blown by the wind  
And when I go there  
I go there with you  
It's all I can do

## 253 White Wedding

Hey little sister, what have you done?  
Hey little sister, who's the only one?  
Hey little sister, who's your superman?  
Hey little sister, who's the one you want?  
Hey little sister, shotgun  
It's a nice day to start again  
It's a nice day for a white wedding  
It's a nice day to start again  
Hey little sister, what have you done?  
Hey little sister, who's the only one?  
I've been away for so long  
I've been away for so long  
I let you go for so long  
It's a nice day to start again  
It's a nice day for a white wedding  
It's a nice day to start again  
"Pick it up!"  
Take me back home, yeah  
There is nothing fair in this world  
There is nothing safe in this world  
And there's nothing sure in this world  
And there's nothing pure in this world  
Look for something left in this world  
Start again  
It's a nice day for a white wedding  
It's a nice day to start again  
It's a nice day to start again  
It's a nice day to start again  
It's a nice day for white wedding.  
Hey little sister, what have you done?  
Hey little sister, who's the only one?  
Hey little sister, shotgun  
Hey little sister, shotgun, oh yeah  
Hey little sister, shotgun  
It's a nice day to start again  
It's a nice day for a white wedding  
It's a nice day to start again  
Hey little sister, who is it you're with?  
Hey little sister, what's your vice or wish?  
Who have you sold yourself to?

Who have you sold your soul to?  
Hey little sister, shotgun  
It's a nice day to start again  
It's a nice day for a white wedding  
It's a nice day to start again  
"Pick it up!"  
Take me back home, yeah  
There is nothing fair in this world  
There is nothing safe in this world  
And there's nothing sure in this world  
And there's nothing pure in this world  
Look for something left in this world  
Start again  
It's a nice day to start again  
It's a nice day for white wedding  
It's a nice day to start again  
Take me back home, yeah  
White wedding, silk shedding  
Fancy shower, white wedding

## 257 With Arms Wide Open

Wide open

Well I just heard the news today  
It seems my life is gonna change  
I closed my eyes, begin to pray  
Then tears of joy stream down my face  
With arms wide open under the sunlight  
Welcome to this place I'll show you every-  
thing  
With arms wide open  
With arms wide open  
Well I don't know if I'm ready  
To be the man I have to be  
I'll take a breath, I'll take her by my side  
We stand in awe, we've created life  
With arms wide open under the sunlight  
Welcome to this place I'll show you every-

I'll show you love I'll show you everything  
With arms wide open

I hope he's not like me, I hope he under-

That he can take this life and hold it by the  
hand  
And he can greet the world with arms wide  
open  
With arms wide open under the sunlight

## 258 With Or Without You

See the stone set in your eyes  
See the thorn twist in your side  
I wait for you  
Sleight of hand and twist of fate  
On a bed of nails she makes me wait  
And I wait without you  
With or without you  
With or without you  
Through the storm we reach the shore  
You give it all but I want more  
And I'm waiting for you  
With or without you  
With or without you  
I can't live, with or without you  
And you give yourself away  
And you give yourself away  
And you give, and you give  
And you give yourself away  
My hands are tied  
My body bruised, she got me with  
Nothing to win and nothing left to lose  
And you give yourself away  
And you give yourself away  
And you give, and you give  
And you give yourself away  
With or without you  
With or without you  
I can't live, with or without you  
With or without you  
With or without you  
I can't live, with or without you  
With or without you

Woman, you know you, woman  
You gotta be a woman  
I've got to feeling alone  
When you're talking to me  
See right through me  
I've got to feeling alone  
She's a woman  
You know what I mean  
You better listen, listen to me  
She's gonna set you free  
You've come looking for me  
Like I've got to set you free  
You know I can't free nobody  
You've come looking for me  
Like I've got to set you free  
I can't be nobody  
She's a woman  
You know what I mean

## 260 Wonderwall

Today is gonna be the day  
That they're gonna throw it back to you  
By now you should've somehow  
Realized what you gotta do  
I don't believe that anybody  
Feels the way I do about you now  
Back beat, the word is on the street  
That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt  
I don't believe that anybody  
Feels the way I do about you now  
And all the roads we have to walk are  
winding  
And all the lights that lead us there are  
blinding  
There are many things that I would like to  
say to you  
But I don't know how  
Because maybe  
You're gonna be the one that saves me  
And after all  
You're my wonderwall  
Today was gonna be the day  
But they'll never throw it back to you  
By now you should've somehow  
Realized what you're not to do  
I don't believe that anybody  
Feels the way I do about you now  
And all the roads that lead you there were  
winding  
And all the lights that light the way are  
blinding  
There are many things that I would like to  
say to you  
But I don't know how  
I said maybe  
You're gonna be the one that saves me  
And after all  
You're my wonderwall

I said maybe  
You're gonna be the one that saves me  
And after all  
You're my wonderwall  
I said maybe  
You're gonna be the one that saves me  
You're gonna be the one that saves me  
You're gonna be the one that saves me

## 262 Yellow Ledbetter

Unsealed on a porch, a letter sat  
Then you said, "I wanna leave it again"  
Once I saw her on a beach of weathered  
sand  
And on the sand I wanna leave it again  
On a weekend I wanna wish it all away,  
yeah  
And they called and I said that I'll go and I  
said that I'll call out again  
And the reason ought to leave her calm, I  
know  
I said, "I don't know whether I'm the boxer  
or the bag"  
Oh yeah, can you see them, out on the  
porch?  
Yeah, but they don't wave  
I see them 'round the front way, yeah  
And I know, and I know I don't wanna stay  
Make me cry  
I see, oh, I don't know why there's some-  
thing else  
I wanna drum it all away  
I said, "I don't, I don't know whether I was  
the boxer or the bag"  
Oh yeah, can you see them, out the on  
porch?  
Yeah, but they don't wave  
I see them 'round the front way  
And I know, and I know I don't want to stay  
at all  
I don't want to stay  
I don't want to stay  
I don't want to stay  
I don't, I don't want to stay

## 263 You Found Me

I found God on the corner of 1st and Amis-  
tad

Where the West was all but won  
All alone, smoking his last cigarette  
I said, "Where you been?" He said, "Ask  
anything"

Where were you when everything was  
falling apart?

All my days were spent by the telephone  
that never rang

And all I needed was a call that never  
came

To the corner of 1st and Amistad

Lost and insecure, you found me, you  
found me

Lying on the floor surrounded, surrounded  
Why'd you have to wait? Where were you?  
Where were you?

Just a little late, you found me, you found  
me

But in the end everyone ends up alone  
Losing her, the only one who's ever known  
Who I am, who I'm not and who I wanna be  
No way to know how long she will be next  
to me

Lost and insecure, you found me, you  
found me

Lying on the floor surrounded, surrounded  
Why'd you have to wait? Where were you?  
Where were you?

Just a little late, you found me, you found  
me!

The early morning, the city breaks  
And I've been calling for years and years  
and years and years

And you never left me no messages

You never sent me no letters

You got some kind of Man taking all i want

Lost and insecure, you found me, you  
found me

Lying on the floor, where were you? Where  
were you?

Lost and insecure, you found me, you  
found me

Lying on the floor surrounded, surrounded  
Why'd you have to wait? Where were you?

Where were you?

Just a little late, you found me, you found  
me!

Why'd you have to wait to find me, to find  
me?

## 264 You Oughta Know

### Quiet Intro 8x

I want you to know that I'm happy for you  
I wish nothing but the best for you both

### Verse 1 8x

An older version of me, is she perverted  
like me?

Would she go down on you in a theater?  
Does she speak eloquently and would she  
have your baby?  
I'm sure she'd make a really excellent  
mother

### Pre chorus 8x

'Cause the love that you gave that we made  
Wasn't able to make it enough for you to be  
open wide, no  
And every time you speak her name  
Does she know how you told me you'd hold  
me until you died, 'til you died But you're  
still alive

### Chorus 8x + 4

And I'm here to remind you  
Of the mess you left when you went away

And are you thinking of me when you fuck  
her?

someone else's back I hope you feel it Can  
you feel it?

## 265 You Shook Me All Night Long

### Intro 8x

### Guitar 8x

### Verse 16x

She was a fast machine  
She kept her motor clean  
She was the best damn woman I had ever  
seen

She had the sightless eyes  
Telling me no lies  
Knockin' me out with those American  
thighs

Taking more than her share  
Had me fighting for air  
She told me to come but I was already  
there

'Cause the walls start shaking  
The earth was quaking  
My mind was aching  
And we were making it, and you ..

### Chorus 8x

Shook me all night long  
Yeah you shook me all night long

### Verse 16x

Working double time  
On the seduction line  
She was one of a kind, she's just mine all  
mine

She wanted no applause  
Just another course  
Made a meal out of me and came back for  
more

Had to cool me down  
To take another round

Now I'm back in the ring to take another  
swing

'Cause the walls were shaking  
The earth was quaking  
My mind was aching  
And we were making it and you ..

### Chorus 8x

.. (ya knocked me out, I said you)  
..

### Chorus 8x

.. (heaven shakin')  
.. (yeah, ya shook me; well you took me)

### Solo 16x
