Chorus 16x

I would swallow my pride, I would choke on the
rinds

But the lack thereof would leave me empty inside

Watch it spin around to a beautiful oblivion
Rendezvous then I'm through with you

..

Verse 24x

Burn burn like a wicker cabinet
chalk white and oh so frail
I see out time has gotten stale

And phrases I think sick like ginger ale
My stomach turns and I exhale

And earthquakes are to a girl's guitar
They're just another good vibration
And tidal waves couldn't save the world

Verse 11x

I hear the train a comin'
it's rollin' 'round the bend

But that train keeps rollin'
on down to San Antone

Verse 11x

When I was just a baby,
my mama told me

I hang my head and cry

Solo 11x

I bet there's rich folk eatin'
from a fancy dinin' car
They're prob'ly drinkin' coffee

But those people keep a movin',
and that's what tortures me

Verse 11x

Well, if they freed me from this prison,
if that railroad train was mine
I bet I'd move it a little farther down the line

And I'd let that lonesome whistle
blow my blues away

29 What I Got

Intro 2x

Verse 16x

Early in the mornin', risin' to the street
Light me up that cigarette and I'll strap shoes on my feet

Got to find the reason, reason things went wrong
Got to find the reason why my money's all gone

I got a Dalmatian, I can still get high
I can play the guitar like a motherfuckin' riot

...

Verse 12x

Life is too short, so love the one you got
'Cuz you might get run over or you might get shot
Never startle static I just get it off my chest
Never had to battle with my bulletproof vest

Take a small example, take a tip from me
Take all of your money, give it all to charity
Life is what I got it's within my reach
And the sublime style is straight from long beach

It all comes back to you, you finally get what you deserve

Try and test that, you're bound to get served

Love's what I got .. don't start a riot
You'll feel it when the dance gets hot

Chorus 8x

Lovin' is what I got, I said, "Remember that"
Lovin' is what I got, and remember that
Lovin' is what I got, I said, "Remember that"
