Guitar Vamp 4x

Verse 1 14x

..

Shakedown 1979

Cool kids never have the time

On a live wire right up off the street

You and I should meet

Verse 2 14x

..

June bug skipping like a stone

With the .. headlights pointed at the dawn

.. We were sure we'd never see an end .. to it all

Chorus 14x

And I don't even care

to shake these zipper blues

And we don't know

just where our bones will

rest, To dust I guess

forgotten and absorbed

To the earth below

Guitar Vamp 4x

Verse 3 14x

.. Double cross the vacant and the bored

.. They're not sure just what we have in the store

Morphine city slippin' dues

down to see

Chorus 12x

We don't even care

as restless as we are

We feel the pull

in the land of a thousand

guilts, And poured cement

lamented and assured

Bridge 14x

To the lights .. and towns below

Faster than .. the speed of sound

Faster than .. we thought we'd go

Beneath the sound .. of hope

Verse 4 18x

.. Justine never knew the rules

Hung down with the freaks and .. ghouls

No a..pologies ever need be made

.. I know you .. better than you fake it to see

Chorus 14x

That we don't even care

to shake these zipper blues

And we don't know

just where our bones will

rest, To dust I guess

forgotten and absorbed

Into the earth below

Outro Verse 8x

The street heats the urgency of now

As you see there's no one around

2 6th Avenue Heartache

Sirens ring, the shots ring out
A stranger cries, screams out loud
I had my world strapped against my back
I held my hands, never knew how to act
And the same black line that was drawn
on you
Was drawn on me
And now it's drawn me in
6th Avenue heartache
Below me was a homeless man
I'm singin' songs, I knew complete
On the steps alone, his guitar in hand
It's fifty years, he stood where he stands
And the same black line that was drawn
on you
Was drawn on me
And now it's drawn me in
6th Avenue heartache
And the same black line that was drawn
on you
Was drawn on me
And now it's drawn me in
6th Avenue heartache
Now walkin' home on those streets
The river winds move my feet
Subway steam, like silhouettes in dreams
They stood by me, just like moonbeams
And the same black line that was drawn
on you
Was drawn on me
And now it's drawn me in
6th Avenue heartache, heartache
And the same black line that was drawn
on you
Was drawn on me
And now it's drawn me in
6th Avenue heartache, heartache
Look out the window, down upon that
street
And gone like a midnight was that man

But I see his six strings laid against that
wall
And all his things, they all look so small
I got my fingers crossed on a shooting star
Just like me, just moved on
And the same black line that was drawn
on you
Was drawn on me
And now it's drawn me in
6th Avenue heartache, heartache
And the same black line that was drawn
on you
Was drawn on me
And now it's drawn me in
6th Avenue heartache, heartache
And now it's drawn me in
And the same black line that was drawn
on you
Was drawn on me
And now it's drawn me in
6th Avenue heartache, heartache

6 All These Things That I've Done

When there's nowhere else to run
 Is there room for one more son
 One more son
 If you can hold on
 If you can hold on, hold on
 I want to stand up, I want to let go
 You know, you know, no you don't, you don't
 I want to shine on in the hearts of men
 I want a meaning from the back of my broken hand
 Another head aches, another heart breaks
 I am so much older than I can take
 And my affection, well it comes and goes
 I need direction to perfection, no no no no
 Help me out
 Yeah, you know you got to help me out
 Yeah, oh don't you put me on the back-burner
 You know you got to help me out
 And when there's nowhere else to run
 Is there room for one more son
 These changes ain't changing me
 The gold hearted boy I used to be
 Yeah, you know you got to help me out
 Yeah, oh don't you put me on the back-burner
 You know you got to help me out
 You're gonna bring yourself down
 Yeah, you're gonna bring yourself down
 Yeah, you're gonna bring yourself down
 I got soul, but I'm not a soldier
 I got soul, but I'm not a soldier
 I got soul, but I'm not a soldier
 I got soul, but I'm not a soldier
 I got soul, but I'm not a soldier
 I got soul, but I'm not a soldier
 I got soul, but I'm not a soldier

I got soul, but I'm not a soldier
 I got soul, but I'm not a soldier
 I got soul, but I'm not a soldier
 Yeah, you know you got to help me out
 Yeah, oh don't you put me on the back-burner
 You know you got to help me out
 You're gonna bring yourself down
 You're gonna bring yourself down
 Yeah, oh don't you put me on the back-burner
 You're gonna bring yourself down
 Yeah, you're gonna bring yourself down
 Over and again, last call for sin
 While everyone's lost, the battle is won
 With all these things that I've done
 All these things that I've done
 (Time, truth, hearts)
 If you can hold on
 If you can hold on

7 Allison

Oh it's so funny to be seeing you after so
long, girl
And with the way you look I understand
That you were not impressed but I heard
You let that little friend of mine
Take off your party dress
I'm not gonna to get too sentimental
Like those other sticky valentines
'Cause I don't know if you are loving
Somebody, I only know it isn't mine
Alison, I know this world is killing you
Oh, Alison, my aim is true
Well I see you've got a husband now
Did he leave your pretty fingers lying
In the wedding cake? You used to hold
him
Right in your hand, I bet he took all he
could take
Sometimes I wish that I could stop you
from talking
When I hear the silly things that you say
I think somebody better put out the big
light
'Cause I can't stand to see you this way
Alison, I know this world is killing you
Oh, Alison, my aim is true, my aim is true
Alison, I know this world is killing you
Oh, Alison, my aim is true, my aim is true

(Always on the run)
But I’m always on the run

“That loves all that matters”

Chorus

Chorus

Outro

10 American Idiot

Don't wanna be an American idiot
Don't want a nation under the new media
And can you hear the sound of hysteria?
The subliminal mind fuck America
Welcome to a new kind of tension
All across the alien nation
Where everything isn't meant to be okay
Television dreams of tomorrow
We're not the ones who're meant to follow
For that's enough to argue
Well maybe I'm the faggot America
I'm not a part of a redneck agenda
Now everybody do the propaganda
And sing along to the age of paranoia
Welcome to a new kind of tension
All across the alien nation
Where everything isn't meant to be okay
Television dreams of tomorrow
We're not the ones who're meant to follow
For that's enough to argue
Don't want to be an American idiot
One nation controlled by the media
Information age of hysteria
It's going out to idiot America
Welcome to a new kind of tension
All across the alien nation
Where everything isn't meant to be okay
Television dreams of tomorrow
We're not the ones who're meant to follow
For that's enough to argue

11 Angel .. Montgomery

Intro ?x

Verse 1 ?x

I am an old woman named after my mother
My old man is another child that's grown
old

If dreams were lightnin' and thunder were
desire

This old house would've burned down a
long time ago

Chorus ?x

Make me an Angel that flies from Mont-
gomery

Make me a poster of an old rodeo

Just give me one thing that I can hold onto

To believe in this livin' is just a hard way
to go

Verse 2 ?x

When I was a young girl, well, I had me a
cowboy

Weren't much to look at just a free ramblin'
man

But that was a long time and no matter
how I try

The years just flow by like a broken down
dam

Chorus ?x

Make me an Angel that flies from Mont-
gomery

Make me a poster of an old rodeo

Just give me one thing that I can hold onto

To believe in this livin' is just a hard way
to go

Verse 3 ?x

There's flies in the kitchen, I can hear 'em
in there buzzin'

And I ain't done nothin' since I woke up to-
day

How the hell can a person go to work in the
mornin'

And come home in the evenin' and have
nothin' to say?

Chorus ?x

Make me an Angel that flies from Mont-
gomery

Make me a poster of an old rodeo

Just give me one thing that I can hold onto

To believe in this livin' is just a hard way
to go

To believe in this livin' is just a hard way
to go

12 Animal

Here we go again, I kinda want to be more
than friends
So take it easy on me, I'm afraid you're
never satisfied
Here we go again, we're sick like animals,
we play pretend
You're just a cannibal and I'm afraid I won't
get out alive
No, I won't sleep tonight
Oh, oh, I want some more
Oh, oh, what are you waiting for?
Take a bite of my heart tonight
Oh, oh, I want some more
Oh, oh, what are you waiting for?
What are you waiting for?
Say goodbye to my heart tonight
Here we are again, I feel the chemicals
kicking in
It's getting heavy and I want to run and
hide
I want to run and hide
I do it every time, you're killing me now
And I won't be denied by you, the animal
inside of you
Oh, oh, I want some more
Oh, oh, what are you waiting for?
Take a bite of my heart tonight
Oh, oh, I want some more
Oh, oh, what are you waiting for?
What are you waiting for?
Say goodbye to my heart tonight
Hush, hush, the world is quiet
Hush, hush, we both can't fight it
It's us that made this mess
Why can't you understand
Whoa, I won't sleep tonight
I won't sleep tonight
Here we go again
Oh, oh, I want some more
Oh, oh, what are you waiting for?

Take a bite of my heart tonight
Oh, oh, I want some more
Oh, oh, what are you waiting for?
What are you waiting for?
What are you waiting
Here we go again, oh, oh
Here we go again, oh, oh
Here we go again, oh, oh
Say goodbye to my heart tonight
Oh, oh, I want some more
Oh, oh, what are you waiting for?
What are you waiting for
Say goodbye to my heart tonight

13 Any Way You Want It

Any way you want it
That's the way you need it
Any way you want it
She loves to laugh
She loves to sing
She does everything
She loves to move
She loves to groove
She loves the lovin' things
All night
Oh, every night
Hold tight
Ooh, baby, hold tight
She said
"Any way you want it
That's the way you need it
Any way you want it"
"Any way you want it
That's the way you need it
Any way you want it"
I was alone
I never knew
What good love could do
Ooh, then we touched
Then we sang
About the lovin' things
All night
Oh, every night
Hold tight
Ooh baby, hold tight
Any way you want it
That's the way you need it
Any way you want it
Any way you want it
That's the way you need it
Any way you want it
She said, "ohh"
She said
"Any way you want it
That's the way you need it

Any way you want it"
"Any way you want it
That's the way you need it
Any way you want it"
Any way you want it
That's the way you need it
Any way you want it
Any way you want it
That's the way you need it
Any way you want it
Any way you want it
That's the way you need it
Any way you want it
Any way you want it
That's the way you need it
Any way you want it
Any way you want it

Take my hand and come with me

18 Bad Things

When you came in the air went out.
And every shadow filled up with doubt.
I don't know who you think you are,
But before the night is through,
I wanna do bad things with you.
I'm the kind to sit up in his room.
Heart sick and eyes filled up with blue.
I don't know what you've done to me,
But I know this much is true:
I wanna do bad things with you.
OK.

When you came in the air went out.
And all those shadows there, are filled up
with doubt.
I don't know who you think you are,
But before the night is through,
I wanna do bad things with you.
I wanna do real bad things with you.
Ow ooh.
I don't know what you've done to me,
But I know this much is true:
I wanna do bad things with you.
I wanna do real bad things with you.

21 Behind Blue Eyes

No one knows what it's like
To be the bad man
To be the sad man
Behind blue eyes
No one knows what it's like
To be hated
To be fated
To telling only lies
But my dreams
They aren't as empty
As my conscience
Seems to be
I have hours
Only lonely
My love is vengeance
That's never free
No one knows what it's like
To feel these feelings
Like I do
And I blame you
No one bites back as hard
On their anger
None of my pain and woe
Can show through
But my dreams
They aren't as empty
As my conscience
Seems to be
I have hours
Only lonely
My love is vengeance
That's never free
When my fist clenches
Crack it open
Before I use it
And lose my cool
And when I smile
Tell me some bad news
Before I laugh
And act like a fool

And if I swallow
Anything evil
Put your finger
Down my throat
And if I shiver
Please give me a blanket
Keep me warm
Let me wear your coat
No one knows what it's like
To be the bad man
To be the sad man
Behind blue eyes

22 Bent

If I fall along the way
Pick me up and dust me off
And if I get too tired to make it
Be my breath so I can walk
If I need some other love, then
Give me more than I can stand
And when my smile gets old and faded
Wait around I'll smile again
Shouldn't be so complicated
Just hold me and then
Oh, just hold me again
Can you help me I'm bent
I'm so scared that I'll never
Get put back together
Keep breaking me in
And this is how we will end
With you and me bent
If I couldn't sleep, could you sleep?
Could you paint me better off?
Could you sympathize with my needs?
I know you think I need a lot
I started out clean but I'm jaded
Just phoning it in
Oh, just breaking the skin
Can you help me I'm bent
I'm so scared that I'll never
Get put back together
Keep breaking me in
And this is how we will end
With you and me bent
Start bending me, it's never enough
As I feel all your pieces
Start bending me, keep bending me
Oh, until I'm completely broken in
Shouldn't be so complicated
Just touch me and then
Oh, just touch me again
Can you help me I'm bent
I'm so scared that I'll never
Get put back together

Keep breaking me in
And this is how we will end
With you and me will let them
Without understanding
Here I go there again
Can you help me I'm bent
I'm so scared that I'll never
Get put back together
Yeah, you're breaking me in
And this is how we will end
With you and me bent

23 Betterman

Waitin', watchin' the clock
It's four o'clock, it's got to stop
Tell him, take no more... she practices her
speech
As he opens the door, she rolls over
Pretends to sleep as he looks her over
She lies and says she's in love with him,
can't find a better man
She dreams in color, she dreams in red,
can't find a better man
Can't find a better man, can't find a better
man
Oh
Talkin' to herself, there's no one else who
needs to know
She tells herself, oh
Memories back when she was bold and
strong, and waiting for the world to come
along
Swears she knew it, now she swears he's
gone
She lies and says she's in love with him,
can't find a better man
She dreams in color, she dreams in red,
can't find a better man
She lies and says she still loves him, can't
find a better man
She dreams in color, she dreams in red,
can't find a better man
Can't find a better man, can't find a better
man
Yeah
She loved him, yeah, she don't want to
leave this way
She feeds him, yeah, that's why she'll be
back again
Can't find a better man, can't find a better
man, can't find a better man, can't find a
better man

24 Black Hole Sun

breakdown note pushed

Intro 7x

Verse 16x + 4 ?

In my eyes, indisposed
In disguise as no one knows
Hides the face, lies the snake
The sun in my disgrace

Boiling heat, summer stench
'Neath the black, the sky looks dead
Call my name through the cream
And I'll hear you scream again

Chorus 8x + 4 ?

Black hole sun, won't you come?
And wash away the rain
Black hole sun, won't you come?
Won't you come?

Verse 16x + 4 ?

Stuttering, cold and damp
Steal the warm wind, tired friend
Times are gone for honest men
And sometimes far too long for snakes

In my shoes, a walking sleep
And my youth, I pray to keep
Heaven send Hell away
No one sings like you anymore
Hang my head, drown my fear
Till you all just disappear

Chorus 24x ?

Black hole sun, won't you come?
And wash away the rain
Black hole sun, won't you come?
Won't you come?
(x3)

25 Black

Intro 8x

Hey...ooh...

Verse 16x

Sheets of empty canvas, untouched sheets
of clay

Were laid spread out before me as her
body once did.

All five horizons revolved around her soul

As the earth to the sun

Now the air I tasted and breathed has
taken a turn

Prechorus 16x ?

Ooh, and all I taught her was everything

Ooh, I know she gave me all that she wore

And now my bitter hands chafe beneath
the clouds

Of what was everything?

Oh, the pictures have all been washed in
black, tattooed everything...

Verse 8x I take a walk outside

I'm surrounded by some kids at play

I can feel their laughter, so why do I sear

Prechorus 32x ?

Oh, and twisted thoughts that spin round
my head

I'm spinning, oh, I'm spinning

How quick the sun can, drop away

And now my bitter hands cradle broken
glass

Of what was everything?

All the pictures have all been washed in
black, tattooed everything... All the love

gone bad turned my world to black

Tattooed all I see, all that I am, all I'll
be...yeah...

Uh huh...uh huh...ooh...

Prechorus 8x

I know someday you'll have a beautiful life,

I know you'll be a star

In somebody else's sky, but why

Why, why can't it be, why can't it be mine...

Outro 32x

do do doot do doo do doo (x?)

26 Blister In The Sun

When I'm out walkin' I strut my stuff, man,
I'm so strung out
I'm high as a kite, I just might stop to check
you out
Let me go on like I blister in the sun
Let me go on, big hands, I know you're the
one
Body and beats, I stain my sheets, I don't
even know why
My girlfriend, she's at the end, she is start-
ing to cry
Let me go on like I blister in the sun
Let me go on, big hands, I know you're the
one
When I'm out walkin' I strut my stuff, man,
I'm so strung out
I'm high as a kite, I just might stop to check
you out
When I'm out walkin' I strut my stuff, man,
I'm so strung out
I'm high as a kite, I just might stop to check
you out
Body and beats, I stain my sheets, I don't
even know why
My girlfriend, she's at the end, she is start-
ing to cry
When I'm out walkin' I strut my stuff, man,
I'm so strung out
I'm high as a kite, I just might stop to check
you out

27 Blue Monday

How does it feel to treat me like you do
When you've laid your hands upon me and
told me who you are
I thought I was mistaken , I thought I heard
your words
Tell me how do I feel tell me now? How do
I feel?
How does it feel?
How should I feel?
Tell me how does it feel?
To treat me like you do
Those who came before me lived through
their vocations
From the past until completion they'll turn
away no more
And I still find it so hard to say what I need
to say
But I'm quite sure that you'll tell me just
how I should feel today
I see ship in the harbor, I can and shall
obey
But if it wasn't for your misfortunes I'd be
a heavenly person today
And I thought I was mistaken and I thought
I heard you speak
Tell me now how should I feel?
Now I stand here waiting
I thought I told you to leave me
While I walked down to the beach
Tell me how does it feel when your heart
grows cold
How does it feel?
How should I feel?
Tell me how does it feel?
To treat me like you do

29 Boys Don't Cry

I would say I'm sorry
If I thought that it would change your mind
But I know that this time
I have said too much
Been too unkind
I try to laugh about it
Cover it all up with lies
I try and laugh about it
Hiding the tears in my eyes
Because boys don't cry
Boys don't cry
I would break down at your feet
And beg forgiveness
Plead with you
But I know that it's too late
And now there's nothing I can do
So I try to laugh about it
Cover it all up with lies
I try to laugh about it
Hiding the tears in my eyes
Because boys don't cry
I would tell you
That I loved you
If I thought that you would stay
But I know that it's no use
That you've already
Gone away
Misjudged your limit
Pushed you too far
Took you for granted
I thought that you needed me more
Now I would do most anything
To get you back by my side
But I just keep on laughing
Hiding the tears in my eyes
Because boys don't cry
Boys don't cry
Boys don't cry

33 Budapest

My house in Budapest
My hidden treasure chest,
Golden grand piano
My beautiful Castillo
For you
You
I'd leave it all
My acres of a land
I have achieved
It may be hard for you to,
Stop and believe
But for you
You
I'd Leave it all
Give me one good reason
Why I should never make a change
And baby if you hold me
Then all of this will go away
My many artifacts
The list goes on
If you just say the words
I'll up and run
Oh, to you
You
I'd leave it all
Give me one good reason
Why I should never make a change
And baby if you hold me
Then all of this will go away
Give me one good reason
Why I should never make a change
And baby if you hold me
Then all of this will go away
My friends and family
They, don't understand
They fear they'd lose so much
If, you took my hand
But, for you
You,
I'd lose it all.

Give me one good reason
Why I should never make a change
And baby if you hold me
Then all of this will go away
Give me one good reason
Why I should never make a change
And baby if you hold me
Then all of this will go away
My house in Budapest
My hidden treasure chest,
Golden grand piano
My beautiful castillo
You
You
I'd leave it all.

Psychic spies from China
Try to steal your mind's elation
And little girls from Sweden
Dream of silver screen quotations
And if you want these kind of dreams
It's Californication

Break 4x

Verse 6x

It's the edge of the world
And all of Western civilization
The sun may rise in the east
At least it settled in a final location
It's understood that Hollywood
Sells Californication

To break the spell of aging

Marry me girl, be my fairy to the world
Be my very own constellation
A teenage bride with a baby inside
Getting high on information
And buy me a star on the boulevard

Space may be the final frontier
But it's made in a Hollywood basement
And Cobain can you hear the spheres
Singing songs off station to station
And Alderaan's not far away
It's Californication

35 Can't Stop

Can't stop addicted to the shindig
 Chop top he says I'm gonna win big
 Choose not a life of imitation
 Distant cousin to the reservation
 Defunkt the pistol that you pay for
 This punk the feeling that you stay for
 In time I want to be your best friend
 Eastside love is living on the Westend
 Knock out but boy you better come to
 Don't die you know the truth is some do
 Go write your message on the pavement
 Burn so bright I wonder what the wave
 meant
 White heat is screaming in the jungle
 Complete the motion if you stumble
 Go ask the dust for any answers
 Come back strong with 50 belly dancers
 The world I love
 The tears I drop
 To be part of
 The wave can't stop
 Ever wonder if it's all for you
 The world I love
 The trains I hop
 To be part of
 The wave can't stop
 Come and tell me when it's time to
 Sweetheart is bleeding in the snow cone
 So smart she's leading me to ozone
 Music the great communicator
 Use two sticks to make it in the nature
 I'll get you into penetration
 The gender of a generation
 The birth of every other nation
 Worth your weight the gold of meditation
 This chapter's going to be a close one
 Smoke rings I know your going to blow one
 All on a spaceship persevering
 Use my hands for everything but steering
 Can't stop the spirits when they need you

Moptops are happy when they feed you
 J. Butterfly is in the treetop
 Birds that blow the meaning into bebop
 The world I love
 The tears I drop
 To be part of
 The wave can't stop
 Ever wonder if it's all for you
 The world I love
 The trains I hop
 To be part of
 The wave can't stop
 Come and tell me when it's time to
 Wait a minute I'm passing out
 Win or lose just like you
 Far more shocking
 Than anything I ever knew
 How about you
 Ten more reasons
 Why I need somebody new just like you
 Far more shocking than anything I ever
 knew
 Right on cue
 Can't stop addicted to the shindig
 Chop top he says I'm gonna win big
 Choose not a life of imitation
 Distant cousin to the reservation
 Defunkt the pistol that you pay for
 This punk the feeling that you stay for
 In time I want to be your best friend
 Eastside love is living on the Westend
 Knock out but boy you better come to
 Don't die you know the truth is some do
 Go write your message on the pavement
 Burn so bright I wonder what the wave
 meant
 Kick start the golden generator
 Sweet talk but don't intimidate her
 Can't stop the gods from engineering
 Feel no need for any interfering
 Your image in the dictionary
 This life is more than ordinary

Can I get two maybe even three of these
Coming from space
To teach you of the Pleides
Can't stop the spirits when they need you
This life is more than just a read through

37 Chasing Cars

We'll do it all
Everything
On our own
We don't need
Anything
Or anyone
If I lay here
If I just lay here
Would you lie with me
And just forget the world?
I don't quite know
How to say
How I feel
Those three words
Are said too much
They're not enough
If I lay here
If I just lay here
Would you lie with me
And just forget the world?
Forget what we're told
Before we get too old
Show me a garden
That's bursting into life
Let's waste time
Chasing cars
Around our heads
I need your grace
To remind me
To find my own
If I lay here
If I just lay here
Would you lie with me
And just forget the world?
Forget what we're told
Before we get too old
Show me a garden
That's bursting into life
All that I am
All that I ever was

Is here in your perfect eyes
They're all I can see
I don't know where
Confused about how as well
Just know that these things
Will never change for us at all
If I lay here
If I just lay here
Would you lie with me
And just forget the world?

38 Cheap Sunglasses

When you get up in the morning and the
light is hurt your head the first thing you
do when you get up out of bed is hit
that streets a runnin' and try to beat the
masses and go get yourself some cheap
sunglasses oh yeah, oh yeah, oh yeah

Spied a little thing and i followed her all
night in a funky fine levis and her sweater's
kind of tight she had a west coast strut that
was as sweet as molases but what really
knocked me out was her cheap sunglasses
oh yeah, oh yeah, oh yeah

(solo)

Now go out and get yourself some big
black frames with the glass so dark thay
won't even know your name and the
choice is up to you cause they come in
two classes: rhinestone shades or cheap
sunglasses oh yeah, oh yeah, oh yeah

Closer To Fine

I'm trying to tell you something 'bout my
life

Maybe give me insight between black and
white

And the best thing you ever done for me

Is to help me take my life less seriously

It's only life after all, yeah

Well, darkness has a hunger that's insa-
tiable

And lightness has a call that's hard to hear

And I wrap my fear around me like a blan-
ket

I sailed my ship of safety till I sank it

I'm crawling on your shores

And I went to the doctor, I went to the
mountains

I looked to the children, I drank from the
fountains

There's more than one answer to these
questions

Pointing me in a crooked line

And the less I seek my source for some
definitive (The less I seek my source)

Closer I am to fine, yeah

Closer I am to fine, yeah

And I went to see the doctor of philosophy
With a poster of Rasputin and a beard
down to his knee

He never did marry or see a B grade movie

He graded my performance, he said he
could see through me

I spent four years prostrate to the higher
mind

Got my paper and I was free

And I went to the doctor, I went to the
mountains

I looked to the children, I drank from the
fountains

There's more than one answer to these
questions

Pointing me in a crooked line

And the less I seek my source for some
definitive (The less I seek my source)

Closer I am to fine, yeah

Closer I am to fine, yeah

I stopped by the bar at 3 A.M.

To seek solace in a bottle or possibly a
friend

And I woke up with a headache like my
head against a board

Twice as cloudy as I'd been the night be-
fore

And I went in seeking clarity

I went to the doctor, I went to the moun-
tains

I looked to the children, I drank from the
fountains

We go to the doctor, we go to the moun-
tains

We look to the children, we drink from the

fountain

Yeah, we go to the Bible, we go through
the workout

We read up on revival, we stand up for the
lookout

There's more than one answer to these
questions

Pointing me in a crooked line

And the less I seek my source for some
definitive (The less I seek my source)

Closer I am to fine

Closer I am to fine

Closer I am to fine, yeah

39 Closing Time

Closing time, open all the doors
And let you out into the world
Closing time, turn all of the lights
On over every boy and every girl
Closing time, one last call for alcohol
So finish your whiskey or beer
Closing time, you don't have to go home
But you can't stay here
I know who I want to take me home
I know who I want to take me home
I know who I want to take me home
Take me home
Closing time, time for you to go out
To the places you will be from
Closing time, this room won't be open
Till your brothers or your sisters come
So gather up your jackets, move it to the
exits
I hope you have found a friend
Closing time, every new beginning comes
From some other beginning's end
I know who I want to take me home
I know who I want to take me home
I know who I want to take me home
Take me home
Closing time, time for you to go out
To the places you will be from
I know who I want to take me home
I know who I want to take me home
I know who I want to take me home
Take me home
I know who I want to take me home
I know who I want to take me home
I know who I want to take me home
Take me home
Closing time, every new beginning comes
From some other beginning's end

41 Cold Hard Bitch

Gotta leave town
Got another appointment
Spent all my rent
Girl you know I enjoyed it, yeah
Ain't gonna hang around
Till there's nobody dancing
I don't wanna hold hands
And talk about our little plans, alright
Cold hard bitch just a kiss on the lips
Then I was on my knees, I'm waitin', give me
Cold hard bitch she was shakin' her hips
So that was all that I needed
Gonna check her out
She's my latest attraction
Gonna hang around
Wanna get a reaction, yeah
Gonna take her home
'Cause she's over romancing
Don't wanna hold hands
And talk about our little plans, alright
Cold hard bitch just a kiss on the lips
Then I was on my knees, I'm waitin', give me
Cold hard bitch she was shakin' her hips
So that was all that I needed, I'm waitin', give me
Cold hard bitch just a kiss on the lips
And I was on my knees
Yeah I'm waitin', yeah I'm waitin'
Yeah I'm waitin', yeah I'm waitin'
Yeah, yeah
Cold hard bitch just a kiss on the lips
Then I was on my knees, I'm waitin', give me
Cold hard bitch she was shakin' her hips
So that was all that I needed, I'm waitin', give me
Cold hard bitch just a kiss on the lips
And I was on my knees, I'm waitin' give me

42 Come As You Are

Come as you are, as you were
As I want you to be
As a friend, as a friend
As an old enemy
Take your time, hurry up
The choice is yours, don't be late
Take a rest as a friend
As an old
Memoria, memoria
Memoria, memoria
Come doused in mud, soaked in bleach
As I want you to be
As a trend, as a friend
As an old
Memoria, memoria
Memoria, memoria
And I swear that I don't have a gun
No I don't have a gun
No I don't have a gun
Memoria, memoria
Memoria, memoria
(No I don't have a gun)
And I swear that I don't have a gun
No I don't have a gun
No I don't have a gun
No I don't have a gun
No I don't have a gun
Memoria, memoria

44 Counting Blue Cars

“Tell me all your thoughts on God”

Must of been mid afternoon
I could tell by how far
The child's shadow stretched out and
He walked with a purpose
In his sneakers, down the street
He had many questions
Like children often do, he said
“Tell me all your thoughts on God”
“Tell me am I very far?”
Must of been late afternoon
On our way the sun broke free of the
clouds
We count only blue cars
Skip the cracks, in the street
And ask many questions
Like children often do, we said
“Tell me all your thoughts on God
'Cause I would really like to meet her
And ask her why we're who we are”
“Tell me all your thoughts on God
'Cause I am on my way to see her
So tell me am I very far
Am I very far now?”
It's getting cold picked up the pace
How our shoes make hard noises in this
place
Our clothes are stained
We pass many cross eyed people
And ask many questions
Like children often do
“Tell me all your thoughts on God
'Cause I would really like to meet her
And ask her why we're who we are”
“Tell me all your thoughts on God
'Cause I am on my way to see her
So tell me am I very far?”
Am I very far now?
Am I very far now?
Am I very far now?
“Tell me all your thoughts on God”

45 Crash

You've got your ball
you've got your chain
tied to me tight tie me up again
who's got their claws
in you my friend
Into your heart I'll beat again
Sweet like candy to my soul
Sweet you rock
and sweet you roll
Lost for you I'm so lost for you
You come crash into me
And I come into you
I come into you
In a boys dream
In a boys dream
Touch your lips just so I know
In your eyes, love, it glows so
I'm bare boned and crazy for you
When you come crash
into me, baby
And I come into you
In a boys dream
In a boys dream
If I've gone overboard
Then I'm begging you
to forgive me
in my haste
When I'm holding you so girl
close to me
Oh and you come crash
into me, baby
And I come into you
Hike up your skirt a little more
and show the world to me
Hike up your skirt a little more
and show your world to me
In a boys dream. In a boys dream
Oh I watch you there
through the window
And I stare at you

You wear nothing but you
wear it so well
tied up and twisted
the way I'd like to be
For you, for me, come crash
into me

47 Crazy Bitch

Break me down, you got a lovely face
We're going to your place, and now you
got to freak me out
Scream so loud, getting fuckin' laid
You want me to stay but I got to make my
way
Hey! You're a crazy bitch
But you fuck so good I'm on top of it
When I dream I'm doing you all night
Scratches all down my back to keep me
right on
Hey! You're a crazy bitch
But you fuck so good I'm on top of it
When I dream I'm doing you all night
Scratches all down my back to keep me
right on
Take it off, the paper is your game
You jump in bed with fame
Another one night paid in full
You're so fine, it won't be a loss
Cashing in the rocks just to get you face to
face
Hey! You're a crazy bitch
But you fuck so good I'm on top of it
When I dream I'm doing you all night
Scratches all down my back to keep me
right on
Hey! You're a crazy bitch
But you fuck so good I'm on top of it
When I dream I'm doing you all night
Scratches all down my back to keep me
right on
Get the video, fuck you so good
Get the video, fuck you so good
Crazy bitch, crazy bitch
Crazy, bitch
Hey! You're a crazy bitch
But you fuck so good I'm on top of it
When I dream I'm doing you all night
Scratches all down my back to keep me

right on
Hey! You're a crazy bitch
But you fuck so good I'm on top of it
When I dream I'm doing you all night
Scratches all down my back, c'mon
Baby girl you want it all
To be a star you'll have to go down
Take it off no need to talk
You're crazy but I like the way you fuck me
Hey! You're a crazy bitch
But you fuck so good I'm on top of it
When I dream I'm doing you all night
Scratches all down my back to keep me
right on
Hey! You're a crazy bitch
But you fuck so good I'm on top of it
When I dream I'm doing you all night
Scratches all down my back to keep me

49 Criminal

Fiona Apple

Miscellaneous

Criminal

I've been a bad bad girl
I've been careless with a delicate man
And its a sad sad world
When a girl will break a boy
Just because she can
Don't you tell me to deny it
I've done wrong and I want to
Suffer for my sins
I've come to you 'cause I need
Guidance to be ture
And I just don't know where I can begin
What I need is a good defense
'Cause I'm feelin' like a criminal
And I need to redeemed
To the one I've sinned against
Because he's all I ever knew of love
Heaven help me for the way I am
Save me from these evil deeds
Before I get them done
I know tomorrow brings the consequence
At hand
But I keep livin' this day like
The next will never come
Oh help me but don't tell me
To deny it
I've got to cleanse myself
Of all these lies till I'm good
Enough for him
I've got a lot to lose and I'm
Bettin' high
So I'm beggin' you before it ends
Just tell me where to begin
What I need is a good defense
'Cause I'm feelin' like a criminal
And I need to redeemed
To the one I've sinned against
Because he's all I ever knew of love

Let me know the way
Before there's hell to pay
Give me room to lay the law and let me go
I've got to make a play
To make my lover stay
So what would an angel say
The devil wants to know
What I need is a good defense
'Cause I'm feelin' like a criminal
And I need to redeemed
To the one I've sinned against
Because he's all I ever knew of love
What I need is a good defense
'Cause I'm feelin' like a criminal
And I need to redeemed
To the one I've sinned against
Because he's all I ever knew of love

Drums/claps 2x

Intro 8x

Verse 1 16x

On the floors of Tokyo yo
Or down in London town to go, go
With the record selection
And the mirror's reflection

When there's no one else in sight
In the crowded lonely night
Well I wait so long
For my love vibration
And I'm dancing with myself

dancing with myself

Well there's nothing to lose
And there's nothing to prove
I'll be dancing with myself

If I looked all over the world
And there's every type of girl
But your empty eyes
Seem to pass me by
Leave me dancing with myself
So let's sink another drink
'Cause it'll give me time to think
If I had the chance
I'd ask the world to dance
And I'll be dancing with myself

52 Dani California

Gettin' born in the state of Mississippi
Poppa was a copper and her momma was
a hippie
In Alabama she was swinging hammer
Price you gotta pay when you break the
panorama
She never knew that there was anything
more than poor
What in the world does your company take
me for?
Black bandana, sweet Louisiana
Robbin' on a bank in the state of Indiana
She's a runner, rebel and a stunner
On her merry way saying baby what you
gonna
Lookin' down the barrel of a hot metal .45
Just another way to survive
California rest in peace
Simultaneous release
California show your teeth
She's my priestess, I'm your priest
Yeah, yeah
She's a lover, baby and a fighter
Should've seen her coming when it got a
little brighter
With a name like Dani California
Day was gonna come when I was gonna
mourn ya
A little loaded she was stealing another
breath
I love my baby to death
California rest in peace
Simultaneous release
California show your teeth
She's my priestess, I'm your priest
Yeah, yeah
Who knew the other side of you?
Who knew what others died to prove?
Too true to say goodbye to you
Too true, too sad sad sad

Push the fader, gifted animator
One for the now and eleven for the later
Never made it up to Minnesota
North Dakota man was a gunnin' for the
quota
Down in the badlands she was saving the
best for last
It only hurts when I laugh
Gone too fast
California rest in peace
Simultaneous release
California show your teeth
She's my priestess, I'm your priest
Yeah, yeah
California rest in peace
Simultaneous release
California show your teeth
She's my priestess, I'm your priest
Yeah, yeah

53 Dark Necessities

Coming on to the light of day
We got many moons that are deep at play
So I keep an eye on the shadow smile
To see what it has to say
You and I both know
Everything must go away
What do you say?
Spinning Knot that is on my heart
Is like a bit of light in a touch of dark
You got sneak attack from the zodiac
But I see your fire spark
Eat the breeze and go
Blow by blow and go away
What do you say?
Yeah, you don't know my mind
You don't know my kind
Dark Necessities are part of my design and
Tell the world that I'm falling from the sky
Dark necessities are part of my design
Stumble down to the parking lot
You got no time for the after thought
They're like ice cream for an astronaut
Well that's me looking for we
Turn the corner and...
Find the world at your command
Playing the hand
Yeah, you don't know my mind
You don't know my kind
Dark necessities are part of my design
Tell the world that I'm falling from the sky
Dark necessities are part of my design
Do you want this love of mine?
Darkness helps us all to shine
Do you want it, do you want it now?
Do you want it all the time?
But darkness helps us all to shine
Do you want it, do you want it now?
Pick you up like a paper back
With the track record of a maniac
So I move it in and we unpack

It's the same as yesterday
Any way we roll
Everything must go away,
What do you say?
Yeah, you don't know my mind
You don't know my kind
Dark necessities are part of my design
Tell the world that I'm falling from the sky
Dark necessities are part of my design

54 Darling Nikki

I knew a girl named Nikki
I guess u could say she was a sex fiend
I met her in a hotel lobby
Masturbating with a magazine
She said how'd u like 2 waste some time
And I could not resist when I saw little
Nikki grind
She took me 2 her castle
And I just couldn't believe my eyes
She had so many devices
Everything that money could buy
She said sign your name on the dotted
line
The lights went out
And Nikki started 2 grind
Nikki
The castle started spinning
Or maybe it was my brain
I can't tell u what she did 2 me
But my body will never be the same
Her lovin' will kick your behind
Oh, she'll show u no mercy
But she'll sho'nuff, sho'nuff show u how 2
grind
Darlin' Nikki
Woke up the next morning
Nikki wasn't there
I looked all over and all I found
Was a phone number on the stairs
It said thank u 4 a funky time
Call me up whenever u want 2 grind
Oh, Nikki, ohhhh
Come back Nikki, come back
Your dirty little prince
Wanna grind, grind, grind, grind, grind,
grind, grind, grind, grind
"Hello, how r u? I'm fine. 'cause I know
That the lord is coming soon, coming,
coming soon."

55 Daughter

Alone listless breakfast table in an other-
wise empty room

Young girl, violin's center of her own at-
tention

The mother reads aloud, child, tries to
understand it

Tries to make her proud

The shades go down, into her head

Painted room, can't deny there's some-
thing wrong

Don't call me daughter, not fit to

The picture kept will remind me

Don't call me daughter, not fit to

The picture kept will remind me

Don't call me

She holds the hand that holds her down

She will rise above

Don't call me daughter, not fit to

The picture kept will remind me

Don't call me daughter, not fit to be

The picture kept will remind me

Don't call me daughter, not fit to

The picture kept will remind me

Don't call me daughter, not fit to

The picture kept will remind me

Don't call me

The shades go down

The shades go down

The shades go down

The shades go down

I see a girl of the night

With a baby in her hand

Under an old street light

Oh, next to a garbage can

Now she's put her kid away

She's going to get a hit

She hates her life

And what she's done with it

That's one more kid

That'll never go to school

Never get to fall in love

Never get to be cool

That's one more kid

That'll never go to school

Never get to fall in love

Never get to be cool

He won the lottery

When he was born

A big hand slapped

The white male American

Do no wrong

So clean cut

Dirty his hands

It comes right off

Police man, police man

56 Demons

When the days are cold and the cards all fold
And the saints we see are all made of gold
When your dreams all fail and the ones we hail
Are the worst of all and the blood's run stale
I want to hide the truth, I want to shelter you
But with the beast inside, there's nowhere we can hide
No matter what we breed, we still are made of greed
This is my kingdom come, this is my kingdom come
When you feel my heat, look into my eyes
It's where my demons hide, it's where my demons hide
Don't get too close, it's dark inside
It's where my demons hide, it's where my demons hide
At the curtain's call is the last of all
When the lights fade out, all the sinners crawl
So they dug your grave and the masquerade
Will come calling out at the mess you made
I Don't want to let you down, but I am hell bound
Though this is all for you I don't want to hide the truth
No matter what we breed, we still are made of greed
This is my kingdom come, this is my kingdom come
When you feel my heat, look into my eyes
It's where my demons hide, it's where my demons hide
Don't get too close, it's dark inside
It's where my demons hide, it's where my

demons hide

They say it's what you make, I say it's up to fate

It's woven in my soul, I need to let you go

Your eyes, they shine so bright, I want to save their light

I can't escape this now, unless you show me how

When you feel my heat, look into my eyes

It's where my demons hide, it's where my demons hide

Don't get too close, it's dark inside

It's where my demons hide, it's where my demons hide

59 Don't Go Back To Rockville

REM

Miscellaneous

Don't Go Back To Rockville

Looking at your watch a third time waiting
in the station for a bus

Going to a place that's far, so far away and
if that's not enough

Going where nobody says hello, they don't
talk to anybody they don't know

You'll wind up in some factory that's full
time filth and nowhere left to go

Walk home to an empty house, sit around
all by yourself

I know it might sound strange, but I believe
You'll be coming back before too long

Don't go back to Rockville

And waste another year

At night I drink myself to sleep and pretend
I don't care if you're not here with me

'Cause it's so much easier to handle

All my problems if I'm too far out to sea

But something better happen soon

Or it's gonna be too late to bring you back

It's not as though I really need you

If you were here I'd only bleed you

But everybody else in town only wants to
bring you down and

That's not how it ought to be

I know it might sound strange, but I believe
You'll be coming back before too long

stinging clear
And I, can't help but ask myself how much
I'll let the fear

vague
Haunting mass appeal
But lately I'm, beginning to find that I
Should be the one behind the wheel

I'll be there with open arms and open eyes
yea
Whatever tomorrow brings
I'll be there ... I'll be there

Verse 2 8x

So if I, decide to waiver my ... chance
To be one of, the hive
Will I, choose water over wine
And hold my own and drive?
Aah ah ooo

Prechorus 8x

It's driven me before and it seems to be the
way
That everyone else gets around
But lately I'm beginning to find that when
I drive myself my light is found

yea

Whatever tomorrow brings
I'll be there I'll be there

I seem to recognize your face
Haunting, familiar, yet I can't seem to place
it

your name
Lifetimes are catching up with me

All these changes taking place
I wish I'd seen the place, but no one's ever
taken me

I changed by not changing at all, small
town predicts my fate
Perhaps that's what no one wants to see

I just wanna scream hello
My god, it's been so long, never dreamed
you'd return

But now here you are, and here I am
Hearts and thoughts, they fade away

Chorus 24x +

Hearts and thoughts, they fade, fade away
Hearts and thoughts, they fade, fade away

62 Enter Sandman

Say your prayers little one
Don't forget my son
To include everyone
I tuck you in, warm within
Keep you free from sin
'Til the sandman, he comes, yeah
Sleep with one eye open
Grippin' your pillow tight
Exit light
Enter night
Take my hand
Off to never, never land
Something's wrong, shut the light
Heavy thoughts tonight
And they aren't of snow white
Dreams of war, dreams of liars
Dreams of dragons fire
And of things that will bite, yeah
Sleep with one eye open
Grippin' your pillow tight
Exit light
Enter night
Take my hand
Off to never, never land
Now I lay me down to sleep
Now I lay me down to sleep
Pray the Lord my soul to keep
Pray the Lord my soul to keep
If I die before I wake
If I die before I wake
Pray the lord my soul to take
Pray the lord my soul to take
Hush little baby, don't say a word
And never mind that noise you heard
It's just the beasts under your bed
In your closet, in your head
Exit light
Enter night
Grain of sand
Exit light

Enter night
Take my hand
Off to never, never land
We're off to never, never land
(Take my hand)
We're off to never, never land
(Take my hand)
We're off to never, never land

63 Even Flow

Freezin', rests his head on a pillow made
of concrete, again
Oh, feelin', maybe he'll see a little better
set a days
Oh, hand out faces that he sees time again,
ain't that familiar
Oh, dark grin, he can't help when he's
happy, looks insane, yeah
Even flow, thoughts arrive like butterflies
Oh, he don't know, so he chases them
away, yeah
Oh, someday yet, he'll begin his life again
Life again, life again
Kneeling, looking through the paper
though he doesn't know to read
Oh, praying, now to something that has
never showed him anything
Oh, feeling understands the weather of
the winters on its way
Oh, ceilings, few and far between all the
legal halls of shame, yeah
Even flow, thoughts arrive like butterflies
Oh, he don't know, so he chases them
away
Oh, someday yet, he'll begin his life again
Oh, whispering hands gently lead him
away
Him away, him away, yeah
Oh, even flow, thoughts arrive like butter-
flies
Oh, he don't know, so he chases them
away, yeah
Someday yet, he'll begin his life again,
maybe in the next life
Whispering hands gently lead him away
Him away, him away, yeah

Verse 1 12x

Seems I've got to have a change of scene

I've got to leave before I start to scream
Won't someone lock the door and turn the
key

I'm not feeling too good myself
Feeling alright
I'm not feeling that good myself

Verse 2 12x

Boy you sure took me for a ride
And even now I sit and wonder why

I stop myself from crying

With a different name and a different face

71 Fire On The Mountain

Long distance runner, what you standin'
there for?

Get up, get out, get out of the door
Your playin' cold music on the barroom
floor

Drowned in your laughter and dead to the
core

There's a dragon with matches that's loose
on the town

Takes a whole pail of water just to cool
him down

Fire! Fire on the mountain

Almost ablaze still you don't feel the heat
It takes all you got just to stay on the beat

You say it's a livin', we all gotta eat

But you're here alone, there's no one to
compete

If Mercy's a bus'ness, I wish it for you

More than just ashes when your dreams
come true

Fire! Fire on the mountain

Long distance runner, what you holdin'
out for?

Caught in slow motion in a dash for the
door

The flame from your stage has now spread
to the floor

You gave all you had. Why you wanna give
more?

The more that you give, the more it will
take

To the thin line beyond which you really
can't fake

72 Fly Away

I wish that I could fly
Into the sky
So very high
Just like a dragonfly
I'd fly above the trees
Over the seas
In all degrees
To anywhere I please
Oh, I want to get away
I want to fly away
Yea, yea, yea
I want to get away
I want to fly away
Yea, yea, yea
Let's go and see the stars
The Milky Way or even Mars
Where it could just be ours
Let's fade into the sun
Let your spirit fly
Where we are one
Just for a little fun

73 Follow Me

You don't know how you met me
You don't know why
You can't turn around and say goodbye
All you know is when I'm with you
I make you free
And swim through your veins like a piss in
the sea
I'm singin'
Follow me everything is alright
I'll be the one to tuck you in at night
And if you
Want to leave I can guarantee
You won't find nobody else like me
I'm not worried bout the ring you wear
'Cause as long as no one knows than no-
body can care
You're feelin' guilty and I'm well aware
But you don't look ashamed and baby I'm
not scared
I'm singin'
Follow me everything is alright
I'll be the one to tuck you in at night
And if you
Want to leave I can guarantee
You won't find nobody else like me
Won't give you money
I can't give you the sky
Your better off if you don't ask why
I'm not the reason that you go astray and
We'll be all right if you don't ask me stay
Follow me everything is alright
I'll be the one to tuck you in at night
And if you
Want to leave I can guarantee
You won't find nobody else like me
You don't know how you met me
You don't know why
You can't turn around and say goodbye
All you know is when I'm with you
I make you free

And swim through your veins like a piss in
the sea
I'm singin'
Follow me everything is alright
I'll be the one to tuck you in at night
And if you
Want to leave I can guarantee
You won't find nobody else like me
Follow me everything is alright
I'll be the one to tuck you in at night
And if you
Want to leave I can guarantee
You won't find nobody else like me
Follow me everything is alright
I'll be the one to tuck you in at night
And if you
Want to leave I can guarantee
You won't find nobody else like me

74 Folsom Prison Blues

Intro 2x

Verse 11x

I hear the train a comin'
it's rollin' 'round the bend
And I ain't seen the sunshine
since I don't know when

I'm stuck at Folsom Prison
and time keeps draggin' on

But that train keeps rollin'
on down to San Antone

Verse 11x

When I was just a baby,
my mama told me
"Son always be a good boy,
don't ever play with guns"

But I shot a man in Reno,
just to watch him die

When I hear that whistle blowin'
I hang my head and cry

Solo 11x

Verse 11x

I bet there's rich folk eatin'
from a fancy dinin' car
They're prob'ly drinkin' coffee
and smokin' big cigars

Well I know I had it comin',
I know I can't be free

But those people keep a movin',
and that's what tortures me

Solo 11x

... (heidi ho!!!)

Verse 11x

Well, if they freed me from this prison,
if that railroad train was mine

I bet I'd move it a little farther down the
line

Far from Folsom Prison,
that's where I want to stay
And I'd let that lonesome whistle
blow my blues away

Outro 2x

75 Free Fallin'

She's a good girl, loves her mama
Loves Jesus and America too
She's a good girl, crazy 'bout Elvis
Loves horses and her boyfriend too
It's a long day living in Reseda
There's a freeway runnin' through the yard
And I'm a bad boy 'cause I don't even miss
her
I'm a bad boy for breakin' her heart
And I'm free, free fallin'
Yeah, I'm free, free fallin'
And all the vampires walkin' through the
valley
Move west down Ventura Boulevard
And all the bad boys are standing in the
shadows
And the good girls are home with broken
hearts
And I'm free, free fallin'
Yeah, I'm free, free fallin'
Free fallin', now I'm free fallin', now I'm
Free fallin', now I'm free fallin', now I'm
I wanna glide down over Mulholland
I wanna write her name in the sky
I'm gonna free fall out into nothin'
Gonna leave this world for a while
And I'm free
(Free fallin', now I'm free fallin', now I'm)
Free fallin'
(Free fallin', now I'm free fallin', now I'm)
Yeah I'm free
(Free fallin', now I'm free fallin', now I'm)
Free fallin'
(Free fallin', now I'm free fallin', now I'm)
(Free fallin', now I'm free fallin', now I'm)
Yeah I'm free, free fallin'
(Free fallin', now I'm free fallin', now I'm)
Free fallin'
(Free fallin', now I'm free fallin', now I'm)
And I'm free

(Free fallin', now I'm free fallin', now I'm)
Free fallin'

(Free fallin', now I'm free fallin', now I'm)
(Free fallin', now I'm free fallin', now I'm)

77 Gimme All Your Lovin

I got to have a shot
'Cause what you got is oh so sweet
You got to make it hot
Like a boomerang I need a repeat
Gimme all your lovin'
All your hugs and kisses too
Gimme all your lovin'
Don't let up until we're through
You got to whip it up
And hit me like a ton of lead
If I blow my top
Will you let it go to your head?
Gimme all your lovin'
All your hugs and kisses too
Gimme all your lovin'
Don't let up until we're through
You got to move it up
And use it like a screwball would
You got to pack it up
Work it like a new boy should
Gimme all your lovin'
All your hugs and kisses too
Gimme all your lovin'
Don't let up until we're through

78 Gimme Shelter

Yeah, a storm is threatening
My very life today
If I don't get some shelter
Lord, I'm gonna fade away
War, children, yeah, it's just a shot away
It's just a shot away
War, children, yeah, it's just a shot away
It's just a shot away, hey, yeah
Oh, see the fire is sweepin'
At our streets today
Burnin' like a red coal carpet
A mad bull lost its way
War, children, yeah, it's just a shot away
It's just a shot away
War, children, yeah, it's just a shot away
It's just a shot away, hey, yeah
Rape, murder, it's just a shot away
It's just a shot away
Rape, murder, it's just a shot away
It's just a shot away
Rape, murder, it's just a shot away
It's just a shot away
Yeah, a storm is threatening
My very life today
A gimme, a gimme shelter
Or I'm gonna fade away
War, children, yeah, it's just a shot away
It's just a shot away
War, children, yeah, it's just a shot away
It's just a shot away
It's just a shot away, it's just a shot away

It's just a shot away, it's just a shot away
It's just a shot away, shot away, shot away
I tell love, sister, yeah, it's just a kiss away

79 Gimme Three Steps

Intro 9x

Intro 2 17x

Verse 1 17x

I was cutting a rug
Down at a place called Jug
With a girl named Linda Lu
When in walked a man
With a gun in his hand
And he was looking for you know who
He said, "Hey fat fellow
With the hair colored yellow
Watcha tryin' to prove?
'Cause that's my woman there
And I'm a man who cares
And this might be all for you"
... I said, "Excuse me"

Bridge 8x

Verse 2 17x

I was scared and fearing for my life
I was shakin' like a leaf on a tree
'Cause he was lean, mean
Big and bad, Lord
Pointin' that gun at me
Oh, wait a minute, Mister
I didn't even kiss her
Don't want no trouble with you
And I know you don't owe me
But I wish you would let me
Ask one favor from you

Chorus 9x

Oh, won't you give me three steps
Gimme three steps, Mister
Gimme three steps towards the door
Gimme three steps
Gimme three steps, Mister
And you'll never see me no more, for sure

Bridge 17x

Verse 3 17x

Well, the crowd cleared away
And I began to pray
And the water fell on the floor
And I'm telling you son
Well, it ain't no fun
Staring straight down a forty four
Well, he turned and screamed at Linda Lu
And that's the break I was looking for
And you could hear me screaming a mile
away
As I was headed out towards the door

Chorus 9x

Oh, won't you give me three steps
Gimme three steps, Mister
Gimme three steps towards the door
Gimme three steps
Gimme three steps, Mister
And you'll never see me no more
Show me the back door

Solo Out

80 Give Me One Reason

Give me one reason to stay here
And I'll turn right back around
Give me one reason to stay here
And I'll turn right back around
Said, I don't wanna leave you lonely
You got to make me change my mind
Baby, I got your number
And I know that you got mine
You know that I called you
I called too many times
You can call me, baby
You can call me anytime
You got to call me
Give me one reason to stay here
And I'll turn right back around
Give me one reason to stay here
And I'll turn right back around
Said, I don't wanna leave you lonely
You got to make me change my mind
I don't want no one to squeeze me
They might take away my life
I don't want no one to squeeze me
They might take away my life
I just want someone to hold me
And rock me through the night
This youthful heart can love you, yes
And give you what you need
I said, This youthful heart can love you
And give you what you need
But I'm too old to go chasing you around
Wasting my precious energy
Give me one reason to stay here
And I'll turn right back around
Give me one reason to stay here
I'll turn right back around
Said, I don't wanna leave you lonely
You got to make me change my mind
Baby just give me one reason
Give me just one reason why
Baby just give me one reason

Give me just one reason why I should stay
Said, I told you that I loved you
And there ain't no more to say

It must be your skin I'm sinking in
Must be for real 'cause now I can feel
And I didn't mind, it's not my kind
It's not my time to wonder why
Every thing's gone white and every thing's
gray

Now you're here, now you're away
I don't want this, remember that
I'll never forget where you're at
Don't let the days go by, Glycerine, Glycerine

I'm never alone, I'm alone all the time
Are you at one or do you lie
We live in a wheel where everyone steals
But when we rise, it's like strawberry fields
If I treated you bad, you bruise my face
Couldn't love you more, you got a beautiful taste

Don't let the days go by
Could have been easier on you
I couldn't change though I wanted to
Should have been easier by three
Our old friend 'Fear' and you and me
Glycerine, Glycerine

Don't let the days go by, Glycerine
Don't let the days go by, Glycerine, Glycerine

Glycerine, Glycerine
Bad mood whine again
Bad mood whine again
As she falls around me

I needed you more when we wanted us less
I could not kiss, just regress
It might just be clear, simple and plain
Well, that's just fine, that's just one of my
names

Don't let the days go by
Could have been easier on you, you, you

Glycerine, Glycerine, Glycerine, Glycerine

82 Going Down The Road Feeling Bad

Goin' down the road feelin' bad
Goin' down the road feelin' bad
Goin' down the road feelin' bad
I don't want to be treated this away
Goin' where the climate suits my clothes
Goin' where the climate suits my clothes
Goin' where the climate suits my clothes
I don't want to be treated this away
Goin' down the road feelin' bad
Goin' down the road feelin' bad
Goin' down the road feelin' bad
I don't want to be treated this away
Goin' where the water tastes like wine
Goin' where the water tastes like wine
Goin' where the water tastes like wine
I don't want to be treated this away
Goin' down the road feelin' bad
Goin' down the road feelin' bad
Goin' down the road feelin' bad
I don't want to be treated this away
Goin' where the chilly winds don't blow
Goin' where the chilly winds don't blow
Goin' where those chilly winds don't blow
I don't want to be treated this away

84 Gone Gone Gone

When life leaves you high and dry
I'll be at your door tonight
If you need help, if you need help
I'll shut down the city lights,
I'll lie, cheat, I'll beg and bribe
To make you well, to make you well
When enemies are at your door
I'll carry you way from more
If you need help, if you need help
Your hope dangling by a string
I'll share in your suffering
To make you well, to make you well
Give me reasons to believe,
That you would do the same for me
And I would do it for you, for you
Baby I'm not moving on
I love you long after you're gone
For you, for you
You would never sleep alone
I love you long after you're gone
And long after you're
Gone, gone, gone
When you fall like a statue
I'm gon' be there to catch you
Put you on your feet, you on your feet
And if your well is empty
Not a thing will prevent me
Tell me what you need,
What do you need
I surrender honestly
You've always done the same for me
So I would do it for you, for you
Baby I'm not moving on
I love you long after you're gone
For you, for you
You would never sleep alone
I love you long after you're gone
And long after you're
Gone, gone, gone
You're my back bone,

You're my cornerstone
You're my crutch when my legs stop mov-
ing
You're my headstart,
You're my rugged heart
You're the pokes that I've always needed
Like a drum baby don't stop beating
Like a drum baby don't stop beating
Like a drum baby don't stop beating
Like a drum my heart never stops beating
For you, for you
Baby I'm not moving on
I love you long after you're gone
For you, for you
You would never sleep alone
I love you long after you're gone
For you, for you
Baby I'm not moving on
I love you long after you're gone
For you, for you
You would never sleep alone
I love you long, long after you're gone
Like a drum baby don't stop beating
Like a drum baby don't stop beating
Like a drum baby don't stop beating
Like a drum my heart never stops beating
for you
And long after you're gone, gone, gone
I love you long after you're gone gone gone

85 Gone Shootin

Feel the pressure rise Hear the whistle
blow Bought a ticket on her own accord
To I don't know Packed her heart in a
traveling bag And never said bye bye
Something's missing in the neighborhood
All the cryin' eyes I stirred my coffee with
the same spoon To a favorite tune

Gone shootin' My baby's gone shootin'

Wrap yourself around Like a second skin
backed her favorite nag But she could
never win I took her number in another
town She took another pill She was run-
ning in overdrive Up until my overkill She
never made it passed the bedroom door
What was she aiming for?

Gone shootin' She's gone, gone gone gone

Gone shootin' My baby's gone shootin'
Gone shootin' Got everything you could
ever want She's gone, gone gone gone,
she's gone Gone shootin' # Good Times
Bad Times

Led Zeppelin

Led Zeppelin

Good Times Bad Times

In the days of my youth

I was told what it means to be a man,

Now I've reached the age

I've tried to do all those things the best I
can.

No matter how I try,

I find my way into the same old jam.

Good Times, Bad Times,

You know I had my share;

When my woman left home

For a brown eyed man,

Well, I still don't seem to care.

Sixteen: I fell in love

With a girl as sweet as could be,

Only took a couple of days

Till she was rid of me.

She swore that she would be all mine

And love me till the end,

But when I whispered in her ear

I lost another friend, oooh.

Chorus

I know what it means to be alone,

I sure do wish I was at home.

I don't care what the neighbors say,

I'm gonna love you each and every day.

You can feel the beat within my heart.

Realize, sweet babe, we ain't ever gonna
part.

86 Gravity

Gravity is working against me
And gravity wants to bring me down
Oh, I'll never know what makes this man
With all the love that his heart can stand
Dream of ways to throw it all away
Whoa, gravity is working against me
And gravity wants to bring me down
Oh, twice as much ain't twice as good
And can't sustain like one half could
It's wanting more that's gonna send me to
my knees
Oh twice as much ain't twice as good
And can't sustain like one half could
It's wanting more that's gonna send me to
my knees
Whoa, gravity, stay the hell away from me
Whoa, gravity has taken better men than
me
Now how can that be?
Just keep me where the light is
Just keep me where the light is
Just keep me where the light is
Come on keep me where the light is
Come on keep me where, keep me where
the light is.

87 Guitars-and-Cadillacs

Intro

Verse 16x

Girl you taught me how to hurt real bad
and cry myself to sleep And showed me
how this town can shatter dreams

Another lesson 'bout a naive fool who
came to Babylon And found out that the
pie don't taste so sweet

Lonely, lonely streets that I call home

88 Hang You From The Heavens

I never know how to treat you
You think I love you but it ain't true
I'm walking away now
One step forward and back two
I like to grab you by the hair
and hang you up from the heavens
I don't know how to let you go
Or if i should keep you
I don't know how to let you know
I really do have a reason
I like to grab you by the hair
and drag you to the devil
(Drums)

I never know how to push you
Just to... Just to confuse you
I make my hope, Just to see how
Just to see how
to push you
I like to grab you by the hair
and hang you up from the heavens
(Drums)

I 'd like to grab you by the hair
and send you up to the devil
I never know what mood you be
You may be kind or cruel to me
I'm walking away now
one step forward and back three
(Drums)

I never know what I'm gonna to do
I say I'm leaving, but It ain't true
I got a lot to do to you
There ain't nothing you can do... to stop it
I want to hang you by the hair
I want to hang you by the hair
I want to hang you by the hair
and hang you up from the heavens

Back in Black

Have A Drink On Me

Whiskey, gin and brandy

With a glass I'm pretty handy

I'm trying to walk a straight line

On sour mash and cheap wine

So join me for a drink boys

We're gonna make a big noise

So don't worry about tomorrow

Take it today

Forget about the cheque

We'll get hell to pay

Have a drink on me

Dizzy, drunk and fightin'

On tequila white lightnin'

My glass is getting shorter

On whiskey, ice and water

So come on and have a good time

And get blinded out of your mind

So don't worry about tomorrow

Take it today

Forget about the cheque

We'll get hell to pay

Have a drink on me

(Get stoned)

Gonna roll around

Gonna hit the ground

Take another swing

Have another drink

Gonna drink it dry

Gonna get me high

Come on all the boys

Make a noise

Have a drink on me

While your people

World
Keep on turnin'
'Cause it won't be too long
I'm so darn glad he let me try it again
'Cause my last time on earth I lived a
whole world of sin
I'm so glad that I've know more than I
knew then
Gonna keep on tryin' till I reach the highest
ground
Teachers
Keep on teachin'
Preachers
Keep on preachin'
World keep on turnin'
'Cause it won't be too long
Oh, no
Lovers
Keep on lovin'
While believers
Keep on believin'
Sleepers
Just stop sleepin'
'Cause it won't be too long
Oh, no
I'm so darn glad he let me try it again
'Cause my last time on earth I lived a
whole world of sin
I'm so glad that I've know more than I

knew then
Gonna keep on tryin' till I reach the highest

An' Stevie knows that nobody's gonna
bring me down
Till I reach the highest ground, 'cause me
'n' Stevie, see
We're gonna be a sailin' on the funky,
funky sound
Till I reach the highest ground
Bustin' out and I'll break you out, 'cause
I'm sailin' on
Till I reach the highest ground
Just sailin' on, sailin' on the higher ground
Till I reach the highest ground

93 Higher

When dreaming I'm guided to another
world

Time and time again

At sunrise I fight to stay asleep

'Cause I don't want to leave the comfort of
this place

'Cause there's a hunger, a longing to es-
cape

From the life I live when I'm awake

So let's go there, let's make our escape

Come on let's go there, let's ask, Can we
stay?

Can you take me higher?

To the place where blind men see

Can you take me higher?

To the place with golden streets

Although I would like our world to change

It helps me to appreciate those nights and
those dreams

But my friend, I'd sacrifice all those nights

If I could make the Earth and my dreams
the same

The only difference is

To let love replace all our hate

So let's go there, let's make our escape

Come on let's go there, let's ask, Can we
stay?

Can you take me higher?

To the place where blind men see

Can you take me higher?

To the place with golden streets

So let's go there, let's go there

Come on let's go there, let's ask, Can we
stay?

Up high I feel like I'm

Alive for the very first time

Set up high I'm strong enough

To take these dreams and make them mine

Set up high I'm strong enough

To take these dreams and make them mine

Can you take me higher?

To the place where blind men see

Can you take me higher?

To the place with golden streets

Can you take me higher?

To a place where blind men see

Can you take me higher?

To the place with golden streets

94 Highway To Hell

AC/DC

Highway To Hell

Highway To Hell

Living easy, living free

Season ticket on a one way ride

Asking nothing, leave me be

Taking everything in my stride

Don't need reason, don't need rhyme

Ain't nothing I would rather do

Going down, party time

My friends are gonna be there too

I'm on the highway to hell

No stop signs, speed limit

Nobody's gonna slow me down

Like a wheel, gonna spin it

Nobody's gonna mess me round

Hey Satan, payin' my dues

Playing in a rocking band

Hey Momma, look at me

I'm on my way to the promised land

I'm on the highway to hell

(Don't stop me)

And I'm going down, all the way down

I'm on the highway to hell

95 Hit Me With Your Best Shot

Well you're the real tough cookie with a
long history
Of breaking little hearts, like the one in me
That's okay let's see how you do it
Put up your dukes, let's get down to it
Hit me with your best shot
Why don't you hit me with your best shot?
Hit me with your best shot
Fire away
You come on with a come on, you don't
fight fair
But that's okay, see if I care
Knock me down, it's all in vain
I'll get right back up on my feet again
Hit me with your best shot
Why don't you hit me with your best shot?
Hit me with your best shot
Fire away
Well you're a real tough cookie with a long
history
Of breaking little hearts, like the one in me
Before I put another notch in my lipstick
case
You better make sure you put me in my
place
Hit me with your best shot
Come on, hit me with your best shot
Hit me with your best shot
Fire away
Hit me with your best shot
Why don't you hit me with your best shot?
Hit me with your best shot
Fire away

Hootie And The Blowfish

Cracked Rear View

Hold My Hand

With a little love, and some tenderness
We'll walk upon the water We'll rise above
this mess With a little peace, and some
harmony We'll take the world together
We'll take 'em by the hand 'Cause I've got
a hand for you 'Cause I wanna run with
you Yesterday, I saw you standing there
Your head was down, your eyes were red
No comb had touched your hair I said get
up, and let me see you smile We'll take
a walk together Walk the road awhile,
'cause 'Cause I've got a hand for you I've
got a hand for you 'Cause I wanna run
with you Won't you let me run with you?
yeah Hold my hand Want you to hold my
hand Hold my hand I'll take you to a place
where you can be Hold my hand Anything
you wanna be because I wanna love you
the best that, the best that I can See I
was wasted, and I was wasting time 'Till I
thought about your problems, I thought
about your crimes Then I stood up, and
then I screamed aloud I don't wanna be
part of your problems Don't wanna be part
of your crowd, no 'Cause I've got a hand
for you I've got a hand for you 'Cause I
wanna run with you Ah, won't you let me
run with you? Hold my hand Want you to
hold my hand Hold my hand I'll take you
to the promised land Hold my hand Maybe
we can't change the world but I wanna
love you the best that, the best that I can,
yeah Hold my hand Want you to hold my
hand Hold my hand I'll take you to a place
where you can be Hold my hand Anything
you wanna be because I...Oh...No, No, No,
No, No Hold my hand Want you to hold

my hand Hold my hand I'll take you to the
promised land Hold my hand Maybe we
can't change the world but I wanna love
you the best that, best that I can Oh, The
best that I can

97 Home Live

Hold on, to me as we go
As we roll down this unfamiliar road
And although this wave is stringing us
along
Just know you're not alone
'Cause I'm going to make this place your
home
Settle down, it'll all be clear
Don't pay no mind to the demons
They fill you with fear
The trouble it might drag you down
If you get lost, you can always be found
Just know you're not alone
'Cause I'm going to make this place your
home
Settle down, it'll all be clear
Don't pay no mind to the demons
They fill you with fear
The trouble it might drag you down
If you get lost, you can always be found
Just know you're not alone
'Cause I'm going to make this place your
home

98 Home

I'm staring out into the night, trying to
hide the pain
I'm going to the place where love
And feeling good don't ever cost a thing
And the pain you feel's a different kind of
pain
Well, I'm going home, back to the place
where I belong
And where your love has always been
enough for me
I'm not running from, no, I think you got
me all wrong
I don't regret this life I chose for me
But these places and these faces are get-
ting old
So I'm going home, well I'm going home
The miles are getting longer, it seems, the
closer I get to you
I've not always been the best man or
friend for you
But your love it makes true and I don't
know why
You always seem to give me another try
So I'm going home, back to the place
where I belong
And where your love has always been
enough for me
I'm not running from, no, I think you got
me all wrong
I don't regret this life I chose for me
But these places and these faces are get-
ting old
Be careful what you wish for 'cause you
just might get it all
You just might get it all and then some you
don't want
Be careful what you wish for 'cause you
just might get it all
You just might get it all, yeah
Oh, well I'm going home, back to the place

where I belong
And where your love has always been
enough for me
I'm not running from, no, I think you got
me all wrong
I don't regret this life I chose for me
But these places and these faces are get-
ting old
I said these places and these faces are
getting old
So I'm going home, I'm going home

99 Hunger Strike

I don't mind stealing bread
From the mouths of decadents
But I can't feed on the powerless
When my cup's already overfilled, yeah
But it's on the table, the fire is cooking
And they're farming babies while slaves
are working
Blood is on the table and the mouths are
choking
But I'm going hungry
I don't mind stealing bread
From the mouths of decadents
But I can't feed on the powerless
When my cup's already overfilled
But it's on the table, the fire's cooking
And they're farming babies while the
slaves are all working
And it's on the table, the mouths are chok-
ing
But I'm going hungry, I'm going hungry

100 I Don t Wanna Be

I don't need to be anything other than a
prison guards son

I don't need to be anything other than a
specialist's son

I don't have to be anyone other than a
birth of two souls in one

Part of where I'm going is knowing where
I'm coming from

I don't wanna be anything other than what
I've been trying to be lately

All I have to do is think of me and I've
peace of mind

I'm tired of looking 'round rooms wonder-
ing what I gotta do

Or who I'm supposed to be, I don't wanna
be anything other than me

I'm surrounded by liars everywhere I turn

I'm surrounded by impostors everywhere I
turn

I'm surrounded by identity crisis every-
where I turn

Am I the only one to notice? I can't be the
only one who's learned

I don't wanna be anything other than what
I've been trying to be lately

All I have to do is think of me and I've
peace of mind

I'm tired of looking 'round rooms wonder-
ing what I gotta do

Or who I'm supposed to be, I don't wanna
be anything other than me

Can I have everyone's attention please?

If you're not like this and that, you're
gonna have to leave

I came from the mountain, the crust of
creation

My whole situation made from clay to
stone and now I'm telling everybody

I don't wanna be anything other than what
I've been trying to be lately

All I have to do is think of me and I've
peace of mind

I'm tired of looking 'round rooms wonder-
ing what I gotta to do

Or who I'm supposed to be, I don't wanna
be anything other than me

I don't wanna be, I don't wanna be, no

I don't wanna be, I don't wanna be any-
thing

Anything other than me

I don't wanna be

I don't wanna be

I don't wanna be

101 I Kissed a Girl

This was never the way I planned
Not my intention
I got so brave, drink in hand
Lost my discretion
It's not what I'm used to
Just wanna try you on
I'm curious for you
Caught my attention
I kissed a girl and I liked it
The taste of her cherry chap stick
I kissed a girl just to try it
I hope my boyfriend don't mind it
It felt so wrong
It felt so right
Don't mean I'm in love tonight
I kissed a girl and I liked it
I liked it
No, I don't even know your name
It doesn't matter
You're my experimental game
Just human nature
It's not what, good girls do
Not how they should behave
My head gets so confused
Hard to obey
I kissed a girl and I liked it
The taste of her cherry chap stick
I kissed a girl just to try it
I hope my boyfriend don't mind it
It felt so wrong
It felt so right
Don't mean I'm in love tonight
I kissed a girl and I liked it
I liked it
Us girls we are so magical
Soft skin, red lips, so kissable
Hard to resist so touchable
Too good to deny it
Ain't no big deal, it's innocent
I kissed a girl and I liked it

The taste of her cherry chap stick
I kissed a girl just to try it
I hope my boyfriend don't mind it
It felt so wrong
It felt so right
Don't mean I'm in love tonight
I kissed a girl and I liked it
I liked it

Intro Groove 8x

Verse 1 16x

At first I was afraid
I was petrified
I kept thinking I could never live without you
By my side
But then I spent so many nights
Just thinking how you've done me wrong
I grew strong
I learned how to get along
And so you're back
From outer space
I just walked in to find you
Here with that look upon your face
I should have changed my fucking lock
I would have made you leave your key
If I had known for just one second
You'd be back to bother me

Chorus 16x

Oh now go
Walk out the door
Just turn around
Now, you're not welcome anymore
Weren't you the one
Who tried to break me with desire?
Did you think I'd crumble?
Did you think I'd lay down and die?
Oh not I, i will survive
Yeah
As Long as I know how to love
I know I'll be alive
I've got all my life to live
I've got all my love to give
I will survive
Yeah, yeah

Guitar Solo 16x

Verse 2 16x

It took all the strength I had
Just not to fall apart
I'm trying hard to mend the pieces
Of my broken heart
And I spent oh so many nights
Just feeling sorry for myself
I used to cry
But now I hold my head up high
And you see me
With somebody new
I'm not that stupid little person
Still in love with you
And so you thought you'd just drop by
And you expect me to be free
But now I'm saving all my lovin'
For someone who's lovin' me

Chorus 16x

Oh now go

Just turn around

107 In Your Eyes

Love I get so lost, sometimes
Days pass and this emptiness fills my heart
When I want to run away
I drive off in my car
But whichever way I go
I come back to the place you are
All my instincts, they return
And the grand facade, so soon will burn
Without a noise, without my pride
I reach out from the inside
In your eyes
The light, the heat
In your eyes
I am complete
In your eyes
I see the doorway to a thousand churches
In your eyes
The resolution of all the fruitless searches
In your eyes
I see the light and the heat
In your eyes
Oh, I want to be that complete
I want to touch the light
The heat I see in your eyes
Love, I don't like to see so much pain
So much wasted and this moment keeps
slipping away
I get so tired of working so hard for our
survival
I look to the time with you to keep me
awake and alive
And all my instincts, they return
And the grand facade, so soon will burn
Without a noise, without my pride
I reach out from the inside
In your eyes
The light, the heat
In your eyes
I am complete
In your eyes

I see the doorway to a thousand churches
In your eyes
The resolution of all the fruitless searches
In your eyes
I see the light and the heat
In your eyes
Oh, I want to be that complete
I want to touch the light
The heat I see in your eyes
In your eyes, in your eyes
In your eyes, in your eyes
In your eyes, in your eyes

108 Inside Out

I would swallow my pride I would choke
 on the
 Rhines. But the lack thereof would leave
 me
 Empty inside I would swallow my doubt
 turn it
 Inside out find nothing but faith in nothing
 Want to put my tender heart it in a blender
 Watch it spin round to a beautiful oblivion
 Rendezvous then I'm through with you
 I burn burn like a wicker cabinet chalk
 white and oh so frail I see out time has
 gotten stale. The t
 Tock of the clock is painful. All sane and
 logical
 I want to tear it off the wall I hear words
 and clips
 And phrases I think sick like ginger ale. My
 stomach
 Turns and I exhale
 I would swallow my pride I would choke
 on the
 Rhines. But the lack thereof would leave
 me
 Empty inside I would swallow my doubt
 turn it
 Inside out find nothing but faith in nothing
 Want to put my tender heart it in a blender
 Watch it spin round to a beautiful oblivion
 Rendezvous then I'm through with you
 So Cal is where my mind
 States but it's not my state of mind I'm not
 as
 Ugly sad as you. Or am I origami folded up
 and
 Just pretend demented as the motives in
 your
 Head
 I would swallow my pride I would choke
 on the

Rhines. But the lack thereof would leave
 me
 Empty inside I would swallow my doubt
 turn it
 Inside out find nothing but faith in nothing
 Want to put my tender heart it in a blender
 Watch it spin round to a beautiful oblivion
 Rendezvous then I'm through with you
 I alone am the one you don't know you
 Need me take heed feed your ego. Make
 me blind
 When your eyes close sink when you get
 close
 Tie me to the bedpost
 I would swallow my pride I would choke
 on the
 Rhines. But the lack thereof would leave
 me
 Empty inside I would swallow my doubt
 turn it
 Inside out find nothing but faith in nothing
 Want to put my tender heart it in a blender
 Watch it spin round to a beautiful oblivion
 Rendezvous then I'm through with you

110 Jailbreak

Tonight there's gonna be a jailbreak
Somewhere in this town
See me and the boys we don't like it
So were getting up and going down
Hiding low, looking right to left
If you see us coming, I think it's best
To move away, do you hear what I say?
From under my breath
Tonight there's gonna be a jailbreak
Somewhere in the town
Tonight there's gonna be a jailbreak
So don't you be around, don't you be
around
Tonight there's gonna be trouble
Some of us won't survive
See the boys and me, we mean business
Bustin' out dead or alive
I can hear the hound dogs on my trail
All hell breaks loose, alarm and sirens wail
Like the game if you lose
Go to jail
Tonight there's gonna be a jailbreak
Somewhere in the town
Tonight there's gonna be a jailbreak
So don't you be around
Tonight there's gonna be trouble
I'm gonna find myself in
Tonight there's gonna be trouble
So woman, you stay with a friend
You know it's safer
Breakout!
Tonight there's gonna be a breakout
Into the city zones
Don't you dare to try and stop us
No one could for long
Searchlight on my trail
Tonight's the night, all systems fail
Hey you, good lookin' female
Come here
Tonight there's gonna be a jailbreak

Somewhere in the town
Tonight there's gonna be a jailbreak
So don't you be around
Tonight there's gonna be trouble
I'm gonna find myself in
Tonight there's gonna be trouble
So woman, you stay with a friend

111 Jesus Left Chicago

Jesus just left Chicago And He's bound
for New Orleans Well now, Jesus just left
Chicago And He's bound for New Orleans

Workin' from one end to the other And all
points in between

Took a jump through Mississippi Well,
muddy water turned to wine Took a jump
through Mississippi Muddy water turned
to wine

Then I out to California through the forests
and the pines Oh, take me with You, Jesus

You might not see him in person But he'll
see you just the same You might not see
him in person But he'll see you just the
same

You don't have to worry 'Cause takin' care

Jolene

Jolene, jolene, jolene, jolene

I'm begging of you please don't take my
man

Jolene, jolene, jolene, jolene

Please don't take him just because you can

Your beauty is beyond compare

With flaming locks of auburn hair

With ivory skin and eyes of emerald green

Your smile is like a breath of spring

Your voice is soft like summer rain

And i cannot compete with you, jolene

He talks about you in his sleep

There's nothing i can do to keep

From crying when he calls your name, jo-

And i can easily understand

How you could easily take my man

But you don't know what he means to me,

Jolene, jolene, jolene, jolene

I'm begging of you please don't take my

Jolene, jolene, jolene, jolene

Please don't take him just because you can

You could have your choice of men

But i could never love again

He's the only one for me, jolene

I had to have this talk with you

My happiness depends on you

And whatever you decide to do, jolene

Everybody sees me
But it's not that easy
Standing in the light field
Standing in the light field
Waiting for some action
Waiting for some action over
Why won't you come over here?
Why won't you come over here?
We got a city to love
Why won't you come over here?
We got a city to love
Old time grudges
Will die so slowly
I know you messed up
When I saw you
You're cold
You're so cold
You're so cold
You're so cold
Nobody can see me
Everything's too easy
Standing in the light field
Standing in the light field
Waiting for some action
Waiting for some action she said
Why won't you come over here?
Why won't you come over here?
We got a city to love
Why won't you come over here?
We got a city to love
Old time loves don't
Die so swiftly
You never trust me
For a while it was nice
But it's time to say bye
I'm cold
You're so cold
You're so cold
You're so cold
No no no cold

You're so cold
You're so cold
You're so cold

Jump! (x4) # Just A Girl

Take this pink ribbon off my eyes
I'm exposed and it's no big surprise
Don't you think I know exactly where I stand

This world is forcing me to hold your hand
'Cause I'm just a girl, oh, little old me
Don't let me out of your sight
Oh, I'm just a girl, all pretty and petite
So don't let me have any rights
Oh, I've had it up to here
The moment that I step outside
So many reasons for me to run and hide
I can't do the little things I love so dear
'Cause it's all those little things that I fear
'Cause I'm just a girl, I'd rather not be
'Cause they won't let me drive late at night
I'm just a girl, guess I'm some kind of freak
'Cause they all sit and stare with their eyes
Oh, I'm just a girl take a good look at me
Just your typical prototype, oh, I've had it up to here
Oh, am I making myself clear?
I'm just a girl, I'm just a girl in the world
That's all that you'll let me be
Oh, I'm just a girl, living in captivity
Your rule of thumb make me worry so
Oh, I'm just a girl, what's my destiny?
What I've succumbed to is making me numb
Oh, I'm just a girl, my apologies
What I've become is so burdensome
Oh, I'm just a girl, lucky me
Twiddle dum there's no comparison
Oh, I've had it up to
Oh, I've had it up to
Oh, I've had it up to here

115 Just Got Paid

I just got paid today, got me a pocket full
of change

Said, "I just got paid today, got me a pocket
full of change"

If you believe like workin' hard all day

Just step in my shoes and take my pay

I was born my Papa's son when I hit the
ground I was on the run

I had one glad hand and the other behind

You can have yours, just give me mine

When the hound dog barkin' in the black of
the night

Stick my hand in my pocket, everything's
all right

I just got paid today and got me a pocket
full of change

Said, "Black sheep, black, do you got some
wool?"

Yes, I do, man, my bag is full

It's the root of evil and you know the rest

But it's way ahead of what's second best

116 Just Like Heaven

“Show me, show me, show me how you do
that trick

The one that makes me scream”, she said

“The one that makes me laugh”, she said

Threw her arms around my neck

“Show me how you do it? And I’ll promise
you

I’ll promise that I’ll run away with you, I’ll
run away with you”

Spinning on that dizzy edge

Kissed her face and kissed her head

Dreamed of all the different ways, I had to
make her glow

“Why are you so far away?”, she said

“Why won’t you ever know that I’m in love
with you?

That I’m in love with you?”

You, soft and only, you lost and lonely

You, strange as angels

Dancing in the deepest oceans

Twisting in the water

You’re just like a dream

You’re just like a dream

Daylight licked me into shape

I must have been asleep for days

And moving lips to breathe her name

I opened up my eyes

And found myself alone, alone, alone
above a raging sea

Stole the only girl I loved, drowned her
deep inside of me

You soft and only

You lost and lonely

You just like heaven

117 Just What I Needed

I don't mind you comin' here
And wastin' all my time
'Cause when you're standin' oh so near
I kinda lose my mind
It's not the perfume that you wear
It's not the ribbons in your hair
I don't mind you comin' here
And wastin' all my time
I don't mind you hangin' out
And talkin' in your sleep
It doesn't matter where you've been
As long as it was deep, yeah
You always knew to wear it well
And you look so fancy I can tell
I don't mind you hangin' out
And talkin' in your sleep
I guess you're just what I needed
(Just what I needed)
I needed someone to feed
I guess you're just what I needed
(Just what I needed)
I needed someone to bleed
I don't mind you comin' here
And wastin' all my time
'Cause when you're standin' oh so near
I kinda lose my mind, yeah
It's not the perfume that you wear
It's not the ribbons in your hair
I don't mind you comin' here
And wastin' all my time
I guess you're just what I needed
(Just what I needed)
I needed someone to feed
I guess you're just what I needed
(Just what I needed)
I needed someone to bleed
I guess you're just what I needed
(Just what I needed)
I needed someone to feed
I guess you're just what I needed

(Just what I needed)
I needed someone to bleed
Yeah, yeah, so bleed me
You're just what I needed
You're just what I needed
You're just what I needed
Yeah, yeah, yeah

122 Last Nite

Last night, she said:

“Oh, baby, I feel so down.

Oh it turns me off,
When I feel left out”

So I walked out:

“Oh, baby, don’t care no more

I know this for sure,
I’m walkin’ out that door”

Well, I’ve been in town for just about fifteen minutes now

And Baby, I feel so down

And I don’t know why

I keep walkin’ for miles

See, people they don’t understand

No, girlfriends, they can’t understand

Your Grandsons, they won’t understand

On top of this, I ain’t ever gonna understand...

Last night, she said:

“Oh, baby, don’t feel so down.

Oh, it turns me off,
When I feel left out”

So I, I turn ’round:

“Oh, baby, gonna be alright”

It was a great big lie

’Cause I left that night, yeah

Oh, people they don’t understand

No, girlfriends, they won’t understand

Your grandsons, they won’t understand

And me, I ain’t ever gonna understand...

Last night, she said:

“Oh, baby, I feel so down.

See, it turns me off,
When I feel left out”

So I, I turn ’round:

“Oh, little girl, I don’t care no more.

I know this for sure,

I’m walking out that door,” yeah

124 Let s Go Crazy

Dearly beloved, we have gathered here today

To get through this thing called life
Electric word life it means forever and
that's a mighty long time

But I'm here to tell you there's something
else

The afterworld, a world of never ending
happiness

You can always see the sun, day or night
So when you call up that shrink in Beverly
Hills

You know the one Dr. Everything'll Be Al-
right

Instead of asking him how much of your
time is left?

Ask him how much of your mind, baby
'Cause in this life things are much harder
than in the afterworld

This life you're on your own
And if the elevator tries to bring you down
Go crazy punch a higher floor
If you don't like the world you're living in
Take a look around you at least you got
friends

Come on lady for friendly word
She picked up the phone, dropped it on
the floor

Ahh, ahh is all I heard

Are we gonna let the elevator

Bring us down, oh, no let's go

Let's go crazy, let's get nuts

Look for the purple banana

'Til they put us in the truck, let's go

All excited but we don't know why

Maybe it's 'cause we're all gonna die

And when we do, what's it all for

Better live now before the grim reaper

Come knocking on your door

Are we gonna let the elevator

Bring us down, oh, no let's go

Let's go crazy, let's get nuts

Look for the purple banana

'Til they put us in the truck, let's go

Come on baby let's get nuts

Yeah, crazy

Let's go crazy

Are we gonna let the elevator bring us
down

Oh, no let's go, go crazy

I said let's go, go crazy

Let's go, let's go, go, let's go

Dr. Everything'll Be Alright

Make everything go wrong

Pills and thrills and daffodils will kill

Hang tough children

He's comin'

He's comin'

125 Life During Wartime

Heard of a van that is loaded with weapons,
Packed up and ready to go
Heard of some grave sites, out by the highway,
A place where nobody knows
The sound of gunfire, off in the distance,
I'm getting used to it now
Lived in a brownstone, lived in a ghetto,
I've lived all over this town
This ain't no party, this ain't no disco,
This ain't no fooling around
No time for dancing, or lovey dovey,
I ain't got time for that now
Transmit the message, to the receiver,
Hope for an answer some day
I got three passports, a couple of visas,
You don't even know my real name
High on a hillside, the trucks are loading,
Everything's ready to roll
I sleep in the daytime, I work in the night-time,
I might not ever get home
This ain't no party, this ain't no disco,
This ain't no fooling around
This ain't no Mudd Club, or C. B. G. B.,
I ain't got time for that now
Heard about Houston? Heard about Detroit?
Heard about Pittsburgh, P. A.?
You oughta know not to stand by the window
Somebody see you up there
I got some groceries, some peanut butter,
To last a couple of days
But I ain't got no speakers, ain't got no headphones,
Ain't got no records to play
Why stay in college? Why go to night school?

Gonna be different this time
Can't write a letter, can't send no postcard,
I ain't got time for that now
Trouble in transit, got through the road-block,
We blended in with the crowd
We got computers, we're tapping phone lines,
I know that that ain't allowed
We dress like students, we dress like housewives,
Or in a suit and a tie
I changed my hairstyle, so many times now,
I don't know what I look like!
You make me shiver, I feel so tender,
We make a pretty good team
Don't get exhausted, I'll do some driving,
You ought to get you some sleep
Burned all my notebooks, what good are notebooks?
They won't help me survive
My chest is aching, burns like a furnace,
The burning keeps me alive

126 Lightning Crashes

Lightning crashes, a new mother cries
Her placenta falls to the floor
The angel opens her eyes
The confusion sets in
Before the doctor can even close the door
Lightning crashes, an old mother dies
Her intentions fall to the floor
The angel closes her eyes
The confusion that was hers
Belongs now, to the baby down the hall
Oh now feel it comin' back again
Like a rollin' thunder chasing the wind
Forces pullin' from the center of the earth
again
I can feel it
Lightning crashes, a new mother cries
This moment she's been waiting for
The angel opens her eyes
Pale blue colored iris
Presents the circle
Puts the glory out to hide, hide
Oh now feel it comin' back again
Like a rollin' thunder chasing the wind
Forces pullin' from the center of the earth
again
I can feel it
I can feel it
I can feel it comin' back again
Like a rollin' thunder chasing the wind
Forces pullin' from the center of the earth
again
I can feel it
I can feel it comin' back again
Like a rollin' thunder chasing the wind
Forces pullin' from the center of the earth
again
I can feel it
I can feel it comin' back again
Like a rollin' thunder chasing the wind
Forces pullin' from the center of the earth

again
I can feel it
I can feel it
I can feel it

127 Like A Stone

On a cobweb afternoon
in a room full of emptiness
by a freeway i confess
i was lost in the pages
of a book full of death
reading how we'll die alone
and if we're good we'll lay to rest
anywhere we want to go
in your house i long to be
room by room patiently
i'll wait for you there
like a stone i'll wait for you there
alone
on my deathbed i will pray
to the gods and the angels
like a pagan to anyone
who will take me to heaven
to a place i recall
i was there so long ago
the sky was bruised
the wine was bled
and there you led me on
in your house i long to be
room by room patiently
i'll wait for you there
like a stone i'll wait for you there
alone
and on i read
until the day was gone
and i sat in regret
of all the things i've done
for all that i've blessed
and all that i've wronged
in dreams until my death
i will wander on

A little less conversation, a little more
action please

All this aggravation ain't satisfactioning
me

A little more bite and a little less bark

A little less fight and a little more spark

Close your mouth and open up your heart
and baby satisfy me

Satisfy me baby

Baby close your eyes and listen to the
music

Drifting through a summer breeze

It's a groovy night and I can show you how
to use it

Come along with me and put your mind at
ease

A little less conversation, a little more
action please

All this aggravation ain't satisfactioning

A little more bite and a little less bark

A little less fight and a little more spark

Close your mouth and open up your heart

Satisfy me baby

Come on baby I'm tired of talking

Grab your coat and let's start walking

Come on, come on

129 Little Lover

Saw you in the front row Moving to the beat
(just movin' and groovin') Killed me when
i saw The wet patch on your seat (wasn't
coca cola) Oh baby I hope you liked the
show When the band said good night I had
to say hello

Chorus: Little lover, i can't get you off my
mind (no) Little lover, i've been trying hard
to find Someone like you

Oh baby You sure looked sweet (cruisin') A
leg either side Of my motorcycle seat (just
oozin') Could have been a nightmare Could
have been a dream But on my way home,
baby I thought i heard you scream

Little lover, i can't get you off my mind
Little lover, i've been trying hard to find
Someone to give me the things that i need,
ow!

You had my picture On your bedroom wall
(next to gary glitter) I was standing on the
stage Playing rock 'n' roll (i was a guitar
picker) Never had a record Never had a hit
Oh baby You didn't mind a bit

Chorus

Baby i know you're a
Little lover

130 Little Sister

Little sister, don't you
Little sister, don't you
Little sister, don't you
Kiss me once or twice
Then say it's very nice
And then you run
Little sister, don't you do
What your big sister done
Well, I dated your big sister
And I took her to a show
I went for some candy, along came Jim
Dandy
And they snuck right out the door
Little sister, don't you
Little sister, don't you
Little sister, don't you
Kiss me once or twice
Then say it's very nice
And then you run
Little sister, don't you do
What your big sister done
Every time I see your sister
Well, she's got somebody new
She's mean and she's evil
Like that old Boll Weevil
Guess, I'll try my luck with you
Little sister, don't you
Little sister, don't you
Little sister, don't you
Kiss me once or twice
Then say it's very nice
And then you run
Little sister, don't you do
What your big sister done
Well, I used to pull your pigtailed
And pinch your turned up nose
But you been a growin'
And baby, it's been showin'
From your head down to your toes
Little sister, don't you

Little sister, don't you
Little sister, don't you
Kiss me once or twice
Then say it's very nice
And then you run
Little sister, don't you do
What your big sister done
Little sister, don't you do
What your big sister done
Little sister

131 Living After Midnight

Livin' after midnight, rockin' to the dawn
Lovin' till the mornin', then I'm gone, I'm
gone
I took the city 'bout one a.m.
Loaded, loaded
I'm all geared up to score again
Loaded, loaded
I come alive in the neon light
That's when I make my moves right
Livin' after midnight, rockin' to the dawn
Lovin' till the mornin', then I'm gone, I'm
gone
Got gleaming chrome, reflecting steel
Loaded, loaded
Ready to take on every deal
Loaded, loaded
My pulse is racing, I'm hot to take
But this motor's revved up, fit to break
Livin' after midnight, rockin' to the dawn
Lovin' till the mornin', then I'm gone, I'm
gone
I'm aiming for ya
I'm gonna floor ya
My body's comin'
All night long
The air's electric, sparkin' power
Loaded, loaded
I'm getting hotter by the hour
Loaded, loaded
I set my sights and then home in
The joint starts flying when I begin
Livin' after midnight, rockin' to the dawn
Lovin' till the mornin', then I'm gone, I'm
gone
Livin' after midnight, rockin' to the dawn
Lovin' till the mornin', then I'm gone, I'm
gone
Livin' after midnight, rockin' to the dawn

133 Lonely Is the Night

Lonely is the night when you find yourself alone

Your demons come to light and your mind is not your own

Lonely is the night when there's no one left to call

You feel the time is right, say the writin's on the wall

It's a high time to fight when the walls are closin' in

Call it what you like it's time you got to win
Lonely, lonely, lonely your spirit's sinkin' down

You find you're not the only stranger in this town

Red lights, green lights, stop and go jive
Headlines, deadlines jammin' your mind

You been stealin' shots from the side

Let your feelin's go for a ride

There's danger out tonight, the man is on the prowl

Get the dynamite, the boys are set to howl

Lonely is the night when you hear the voices call

Are you ready for a fight, do you wanna take it all?

Slowdown, showdown waitin' on line

Show time, no time for changin' your mind

Streets are ringin', march to the sound

Let your secrets follow you down

Somebody's watchin' you baby, so much you can do

Nobody's stoppin' you baby, from makin' it too

One glimpse'll show you now baby, what the music can do

One kiss'll show you now baby, it can happen to you

No more sleepin', wastin' our time

Midnight creepin's, first on our minds

No more lazin' 'round the TV
You'll go crazy, come out with me

Feelin' lonely

Lonely is the night

Feelin' lonely

Lonely is the night

Lonely, lonely, lonely

She lost her home and her family and she
won't be coming back

Without love

Where would you be right now?

Well the Illinois Central and the Southern
Central freight

Got to keep on pushin' mama

'Cause you know they're runnin' late

Without love

Where would you be now na na now?

wheels go 'round and 'round

And the steel rails lie cold and hard on the
mountains they go down

Without love

137 Lovesong

Whenever I'm alone with you
You make me feel like I am home again
Whenever I'm alone with you
You make me feel like I am whole again
Whenever I'm alone with you
You make me feel like I am young again
Whenever I'm alone with you
You make me feel like I am fun again
However far away
I will always love you
However long I stay
I will always love you
Whatever words I say
I will always love you
I will always love you
Whenever I'm alone with you
You make me feel like I am free again
Whenever I'm alone with you
You make me feel like I am clean again
However far away

I will always love you
I'll always love you
I'll always love you
I love you

138 Low

Sometimes I wanna take you down
Sometimes I wanna get you low
Brush your hair back from your eyes
Take you down let the river flow
Sometimes I go and walk the street
Behind the green sheet of glass
A million miles below their feet
A million miles, a million miles
I'll be with you girl, like being low
Hey, hey, hey like being stoned
I'll be with you girl, like being low
Hey, hey, hey like being stoned
A million poppies gonna make me sleep
Just one rose that knows your name
The fruit is rusting on the vine
The fruit is calling from the trees
Hey don't you wanna go down?
Like some junkie cosmonaut
A million miles below their feet
A million miles, a million miles
I'll be with you girl, like being low
Hey, hey, hey like being stoned
I'll be with you girl, like being low
Hey, hey, hey like being stoned
Blue, blue is the sun
Brown, brown is the sky
Green, green were her eyes
A million miles, a million miles
Hey, don't you wanna go down?
Like some disgraced cosmonaut
A million miles below their feet
A million miles, a million miles
I'll be with you girl, like being low
Hey, hey, hey like being stoned
I'll be with you girl, like being low
Hey, hey, hey like being stoned
I'll be with you girl, like being low
Hey, hey, hey like being stoned
I'll be with you girl, like being low
Hey, hey, hey like being stoned

139 Major Tom

Standing there alone, the ship is waiting
All systems are go, are you sure?
Control is not convinced
But the computer has the evidence
No need to abort
The countdown starts...
Watching in a trance, the crew is certain
Nothing left to chance, all is working
Trying to relax, up in the capsule
“Send me up a drink”, jokes Major Tom
The count goes on
4, 3, 2, 1
Earth below us
Drifting falling
Floating weightless
Calling calling home
Second stage is cut
We’re now in orbit
Stabilizers up
Running perfect
Starting to collect
Requested data
“What will it affect
When all is done?”
Thinks Major Tom
Back at ground control
There is a problem
“Go to rockets full”
Not responding
“Hello, Major Tom Are you receiving?
Turn the thrusters on
We’re standing by”
There’s no reply
Four, three, two, one
Earth below us
Drifting, falling
Floating weightless
Calling, calling home
Across the stratosphere
A final message

“Give my wife my love”
Then nothing more
Far beneath the ship
The world is mourning
They don’t realize
He’s alive
No one understands
But Major Tom sees
“Now the light commands This is my home
I’m coming home”
Earth below us
Drifting, falling
Floating weightless
Coming home
Earth below us
Drifting, falling
Floating weightless
Coming home
Earth below us
Drifting, falling
Floating weightless
Coming, coming
Home
Home
Home

140 Man In The Box

I'm the man in the box
Buried in my shit
Won't you come and save me
Save me?
Feed my eyes, can you sew them shut?
Jesus Christ, deny your maker
He who tries will be wasted
Ah, feed my eyes now you've sewn them
shut
I'm the dog who gets beat
Shove my nose in shit
Won't you come and save me
Save me?
Feed my eyes, can you sew them shut?
Jesus Christ, deny your maker
He who tries will be wasted
Ah, feed my eyes now you've sewn them
shut
Feed my eyes, can you sew them shut?
Jesus Christ, deny your maker
He who tries will be wasted
Ah, feed my eyes now you've sewn them
shut

141 Margaritaville

Intro 8x

Verse 1 16x

Nibblin' on sponge cake
Watchin' the sun bake
All of those tourists covered with oil
Strummin' my six string
On my front porch swing
Smell those shrimp they're beginnin' to
boil

Chorus 16x

Wastin' away again in Margaritaville
Searching for my lost shaker of salt
Some people claim that there's a woman
to blame
But I know it's nobody's fault

Verse 2 16x

I don't know the reason
I stayed here all season
Nothin' to show but this brand new tattoo
But it's a real beauty
A Mexican cutie
How it got here I haven't a clue

Chorus 16x

Wastin' away again in Margaritaville
Searchin' for my lost shaker of salt
Some people claim that there's a woman
to blame
Now I think
Hell, it could be my fault

Solo 16x

Verse 3 16x

I blew out my flip flop
Stepped on a pop top
Cut my heel had to cruise on back home
But there's booze in the blender

And soon it will render
That frozen concoction that helps me hang
on

Chorus 16x

Wastin' away again in Margaritaville
Searching for my lost shaker of salt
Some people claim that there's a woman
to blame
But I know it's my own damn fault

Chorus 9+x

Yes and some people claim that there's a
woman to blame
And I know it's my own damn fault

143 Mary Jane's Last Dance

She grew up in an Indiana town
Had a good lookin' mama who never was
around.

But she grew up tall and she grew up right
With them Indiana boys on an Indiana
night.

Well, she moved down here at the age of
eighteen.

She blew the boys away, was more than
they'd seen.

I was introduced and we both started
groovin'.

I said, "I dig you baby, but I got to keep
movin' on.

Keep movin' on."

Last dance with Mary Jane, one more time
to kill the pain.

I feel summer creepin' in and I'm tired of
this town again.

Well, I don't know, but I've been told

You never slow down, you never grow old.

I'm tired of screwin' up, tired of going
down

Tired of myself, tired of this town.

Oh, my, my. Oh, hell, yes.

Honey, put on that party dress.

Buy me a drink, sing me a song.

Take me as I come 'cause I can't stay long.

Last dance with Mary Jane, one more time
to kill the pain.

I feel summer creepin' in and I'm tired of
this town again.

There's pigeons down on Market Square.

She's standin' in her underwear

Lookin' down from a hotel room.

Nightfall will be comin' soon.

Oh, my, my. Oh, hell, yes.

You got to put on that party dress.

It was too cold to cry when I woke up
alone.

I hit my last number and walked to the
road.

Last dance with Mary Jane, one more time
to kill the pain.

I feel summer creepin' in and I'm tired of
this town again.

144 Melissa

Crossroads, seem to come and go, yeah.
The gypsy flies from coast to coast
Knowing many, loving none
Bearing sorrow havin' fun
But back home he'll always run
To sweet Melissa... mmm...
Freight train, each car looks the same, all
the same.
And no one knows the Gypsy's name
No one hears his lonely sighs
There are no blankets where he lies.
In all his deepest dreams the Gypsy flies
with sweet Melissa... mmm...
Again the morning's come
Again he's on the run
Sunbeams shining through his hair
Appearing not to have a care.
Well, pick up your gear and Gypsy roll on,
roll on.
Crossroads, will you ever let him go? (Lord,
Lord)
Will you hide the dead man's ghost
Or will he lie, beneath the clay
or will his spirit float away?
But I know that he won't stay without
Melissa.
Yes I know that he won't stay without
Melissa.

145 Melt With You

Moving forward using all my breath
 Making love to you was never second best
 I saw the world crashing all around your face
 Never really knowing it was always mesh and lace
 I'll stop the world and melt with you
 You've seen the difference and it's getting better all the time
 There's nothing you and I won't do
 I'll stop the world and melt with you
 (You should know better)
 Dream of better lives the kind which never hates
 (You should see why)
 Trapped in the state of imaginary grace
 (You should know better)
 I made a pilgrimage to save this humans race
 (You should see why)
 Never comprehending the race has long gone bye
 (Let's stop the world) I'll stop the world and melt with you
 (Let's stop the world) You've seen the difference and it's getting better all the time
 (Let's stop the world) There's nothing you and I won't do

 The future's open wide
 The future's open wide
 (Let's stop the world) I'll stop the world and melt with you
 (Let's stop the world) I've seen some changes but it's getting better all the time
 (Let's stop the world) There's nothing you and I won't do
 (Let's stop the world) I'll stop the world and melt with you

The future's open wide
 Hmm, hmm, hmm
 Hmm, hmm, hmm, hmm
 Hmm, hmm, hmm
 Hmm, hmm, hmm, hmm
 I'll stop the world and melt with you
 (Let's stop the world) You've seen the difference and it's getting better all the time
 (Let's stop the world) There's nothing you and I won't do
 (Let's stop the world) I'll stop the world and melt with you
 (Let's stop the world) I'll stop the world and melt with you
 (Let's stop the world) I'll stop the world and melt with you
 (Let's stop the world) I'll stop the world and melt with you
 (Let's stop the world) I'll stop the world and melt with you

148 Moves Like Jagger

Just shoot for the stars, if it feels right
Then aim for my heart, if you feel like
And take me away, and make it okay
I swear I'll behave
You wanted control, so we waited
I put on a show, now I'm naked
You say I'm a kid, my ego is big
I don't give a shit
And it goes like this
Take me by the tongue and I'll know you
Kiss me till you're drunk and I'll show you
All the moves like Jagger
I've got the moves like Jagger
I've got the moves like Jagger
I don't need to try to control you
Look into my eyes and I'll own you
With them moves like Jagger
I've got the moves like Jagger
I've got the moves like Jagger
Maybe it's hard when you feel like
You're broken and scarred
Nothing feels right
But when you're with me
I make you believe
That I've got the key
Oh, so get in the car, we can ride it
Wherever you want, get inside it
And you want to steer
But I'm shifting gears
I'll take it from here
And it goes like this
Take me by the tongue and I'll know you
Kiss me till you're drunk and I'll show you
All the moves like Jagger
I've got the moves like Jagger
I've got the moves like Jagger
I don't need to try to control you
Look into my eyes and I'll own you
With them moves like Jagger
I've got the moves like Jagger

I've got the moves like Jagger
You want to know how to make me smile
Take control, own me just for the night
But if I share my secret
You gonna have to keep it
Nobody else can see this
So watch and learn, I won't show you twice
Head to toe, ooh, baby roll me right
But if I share my secret
You gonna have to keep it
Nobody else can see this
And it goes like this
Take me by the tongue and I'll know you
Kiss me till you're drunk and I'll show you
All the moves like Jagger
I've got the moves like Jagger
I've got the moves like Jagger
I don't need to try to control you
Look into my eyes and I'll own you
With them moves like Jagger
I've got the moves like Jagger
I've got the moves like Jagger

150 My Hero

Too alarming now, to talk about
Take your pictures down, and shake it out
Truth or consequence, say it aloud
Use that evidence, race it around
There goes my hero
Watch him as he goes
There goes my hero
He's ordinary
Don't the best of them bleed it out
While the rest of them peter out
Truth or consequence say it aloud
Use that evidence race it around
There goes my hero
Watch him as he goes
There goes my hero
He's ordinary
Kudos my hero
Leaving all the best
You got my hero
One that's on
There goes my hero
Watch him as he goes
There goes my hero
He's ordinary
There goes my hero
Watch him as he goes
There goes my hero
He's ordinary

151 My Own Worst Enemy

Can we forget about the things I said
When I was drunk?
I didn't mean to call you that
I can't remember what was said
Or what you threw at me
Please tell me, please tell me why?
My car is in the front yard
And I'm sleeping with my clothes on
I came in through the window last night
And you're gone, gone
It's no surprise to me
I am my own worst enemy
'Cause every now and then
I kick the living shit out of me
The smoke alarm is going off
When there's a cigarette
Still burning
Please tell me why?
My car is in the front yard
And I'm sleeping with my clothes on
I came in through the window last night
And you're gone, gone
Please tell me why?
My car is in the front yard
And I'm sleeping with my clothes on
I came in through the window last night
It's no surprise to me
I am my own worst enemy
'Cause every now and then
I kick the living shit out of me
Can we forget about the the things I said
When I was drunk
I didn't mean to call you that

152 **Mysterious Ways**

Johnny take a walk with your sister the
moon

Let her pale light in to fill up your room
You've been living underground, eating
from a can

You've been running away from what you
don't understand

Love

She's slippy

You're sliding down

She'll be there

When you hit the ground

It's all right, it's all right, it's all right

She moves in mysterious ways

It's all right, it's all right, it's all right

She moves in mysterious ways

Johnny take a dive with your sister in the
rain

Let her talk about the things you can't
explain

To touch is to heal, to hurt is to steal

If you want to kiss the sky, better learn
how to kneel

On your knees boy

She's the wave

She turns the tide

[Incomprehensible]

She knows why

It's all right, it's all right, all right

She moves in mysterious ways

It's all right, it's all right, all right

She moves in mysterious ways

It's all right, it's all right, all right

Lift my days, light up my nights, love

One day you will look back

And you'll see where you were held how

By this love while you could stand there

You could move on this moment, follow
this feeling

It's all right, it's all right, all right

She moves in mysterious ways

It's all right, it's all right, all right

She moves in mysterious ways

Oh love, oh love

Love, no, no, no

Move you, spirit move, move

Move you, move with it

She moves with it

Lift my days, light up my nights, love

153 Never Let You Go

There's every good reason
For letting you go
She's sneaky and smoked out
And it's starting to show
I'll never let you go
I'll never let you go
I'll never let you go
I'll never let you turn around your back on
each other
That's a good idea, break a promise to
your mother
Turn around your back on each other
You say that I've changed
Well maybe I did
But even if I've changed
What's wrong with it?
I'll never let you go
I'll never let you go
I'll never let you go
I'll never let you turn around your back on
each other
That's a good idea, break a promise to
your mother
Turn around your back on each other
And our friends are gone and gone
And all the time moves on and on
And all I know is it's wrong, it's wrong
And all I know is it's wrong, it's wrong, it's
wrong
If there's a reason
It's lost on me
Maybe we'll be friends
I guess we'll see
I'll never let you go
I'll never let you go
I'll never let you go
I'll never let you go
Turn around, your back on each other
It's a good idea, break a promise to your
mother

Turn around let's turn on each other
Good idea, break a promise to your mother
Turn around your back on each other
That's a good idea, break a promise to
your mother
Turn around your back on each other
What a good idea
I remember the stupid things, the mood
rings
The bracelets and the beads
Nickels and dimes, yours and mine, did
you cash in all your dreams?
You don't dream for me, no, you don't
dream for me, no
(Goodbye, goodbye)
But I still feel you pulse like sonar from
the days in the waves
That girl is like a sunburn
I would like to say
The girl is like a sunburn
I would like to say
She's like a sunburn
(She's like a sunburn)
She's like a sunburn

154 New Year's Day

Yeah

All is quiet on New Year's Day

A world in white gets underway

I want to be with you

Be with you night and day

Nothing changes on New Year's Day

On New Year's Day

I will be with you again

I will be with you again

Under a blood red sky

A crowd has gathered in black and white

Arms entwined, the chosen few

The newspapers says, says

Say it's true, it's true

And we can break through

Though torn in two, we can be one

I, I will begin again

I, I will begin again

I will be with you again

I will be with you again

I will be with you again

I will be with you again

I will be with you again

I will be with you again

I will be with you again

155 No One Knows

We get some rules to follow
That and this
These and those
No one knows
We get these pills to swallow
How they stick in your throat?
Taste like gold
Oh what you do to me
No one knows
And I realize you're mine
Indeed a fool am I
And I realize you're mine
Indeed a fool am I
And I journey through the desert
Of the mind
With no hope
I follow
Well I drift along the ocean
Dead lifeboats
In the sun
Come undone
Pleasantly caving in
I come undone
And I realize you're mine
Indeed a fool am I
And I realize you're mine
Indeed a fool am I
Heaven smiles above me
What a gift
Here below
But no one knows
Gift that you give to me
No one know

156 No Rain

All I can say is that my life is pretty plain
I like watchin' the puddles gather rain
And all I can do is just pour some tea for
two
And speak my point of view but it's not
sane, it's not sane
I just want someone to say to me
I'll always be there when you wake
You know I'd like to keep my cheeks dry
today
So stay with me and I'll have it made
And I don't understand why I sleep all day
And I start to complain that there's no rain
And all I can do is read a book to stay
awake
And it rips my life away, but it's a great
escape, escape, escape, escape
All I can say is that my life is pretty plain
You don't like my point of view
You think I'm insane
It's not sane, it's not sane
I just want someone to say to me
I'll always be there when you wake
You know I'd like to keep my cheeks dry
today
So stay with me and I'll have it made
And I'll have it made, and I'll have it made,
oh no, no
You know we're really gonna, really gonna
have it made, yeah
We're gonna have it made

157 No, Woman, No Cry

woman, no cry No, woman, no cry

Verse 16x

'Cause—'cause—'cause I remember when
a we used to sit In a government yard in
Trenchtown, Ob—observing the hypocrites
Yeah! Mingle with the good people we
meet. Yeah!

Good friends we have. Oh. Good friends
we have lost along the way. Yeah! In this
great future you can't forget your past So
dry your tears, I say Yeah

Verse 16x

Said—said, said I remember when we used
to sit In the government yard in Trench-
town And then Georgie would make the fire
lights, As it was, log wood burnin' through
the nights

Then we would cook cornmeal porridge, of
which I'll share with you. My feet is my only
carriage And so I've got to push on through

Bridge 8x

But while I'm gone, Everything's gonna be
all right! Everything's gonna be all right!
Everything's gonna be all right, yeah! Ev-
erything's gonna be all right!

Everything's gonna be all right a! Every-
thing's gonna be all right! Everything's

gonna be all right, yeah! Everything's
gonna be all right!

Chorus 8x

So, no, woman, no cry. No, woman, no cry.
I say, oh, little—oh, little darlin', don't shed
no tears. No, woman, no cry. Eh.

Chorus 8x

No, woman—no, woman—no, woman, no
cry. No, woman, no cry. One more time I
got to say, Oh, little little darlin', please
don't shed no tears. No, woman, no cry.

bird without a song Nothing can stop these
lonely tears from falling Tell me .. where

pares ... to you

Nothing compares Nothing compares ... to
you .. to you

159 Numb

I'm tired of being what you want me to be
Feeling so faithless, lost under the surface
I don't know what you're expecting of me
Put under the pressure of walking in your shoes

(Caught in the undertow just caught in the undertow)

Every step that I take is another mistake to you

(Caught in the undertow just caught in the undertow)

I've become so numb I can't feel you there

Become so tired so much more aware

I'm becoming this all I want to do

Is be more like me and be less like you

Can't you see that you're smothering me?

Holding too tightly, afraid to lose control

~Cause everything that you thought I would be

Has fallen apart right in front of you

(Caught in the undertow just caught in the undertow)

Every step that I take is another mistake to you

(Caught in the undertow just caught in the undertow)

And every second I waste is more than I can take

I've become so numb I can't feel you there

Become so tired so much more aware

I'm becoming this all I want to do

Is be more like me and be less like you

And I know I may end up failing too

But I know you were just like me

With someone disappointed in you

I've become so numb I can't feel you there

Become so tired so much more aware

I'm becoming this all I want to do

Is be more like me and be less like you

I've become so numb I can't feel you there

I'm tired of being what you want me to be
I've become so numb I can't feel you there
I'm tired of being what you want me to be

160 One

One
One

Is it getting better?
Or do you feel the same?
Will it make it easier on you now?
You got someone to blame
You say, one love, one life
When it's one need in the night
One love, we get to share it
Leaves you baby if you don't care for it
Did I disappoint you?
Or leave a bad taste in your mouth?
You act like you never had love
And you want me to go without
Well it's too late tonight
To drag the past out into the light
We're one but we're not the same
We get to carry each other, carry each other
One!
Have you come here for forgiveness?
Have you come to raise the dead?
Have you come here to play Jesus?
To the lepers in your head
Did I ask too much? More than a lot
You gave me nothin' now it's all I got
We're one but we're not the same
Well we hurt each other then we do it again
You say love is a temple, love a higher law
Love is a temple, love the higher law
You ask me to enter but then you make me crawl
And I can't be holdin' on to what you got
When all you got is hurt
One love, one blood
One life, you got to do what you should
One life, with each other
Sisters, brothers
One life but we're not the same
We get to carry each other, carry each other

161 Outshined

I got up feeling so down
I got off being sold out
I've kept the movie rolling
But the story's getting old now
I just looked in the mirror
And things aren't looking so good
I'm looking California
And feeling Minnesota
So now you know
(Who gets mystified)
So now you know
(Who gets mystified)
Show me the power child, I'd like to say
That I'm down on my knees today
It gives me the butterflies, gives me away
'Til I'm up on my feet again
I'm feeling, I'm feeling
Outshined, outshined, outshined, outshined
Someone let the dogs out
They'll show you where the truth is
The grass is always greener
Where the dogs are shedding
I'm feeling that I'm sober
Even though I'm drinking
I can't get any lower
Still I feel I'm sinking
So now you know
(Who gets mystified)
So now you know
(Who gets mystified)
Show me the power child, I'd like to say
That I'm down on my knees today
It gives me the butterflies, gives me away
'Til I'm up on my feet again
I'm feeling, I'm feeling
Outshined, outshined, outshined, outshined
Outshined
So now you know

(Who gets mystified)
Show me the power child, I'd like to say
That I'm down on my knees today
It gives me the butterflies, gives me away
'Til I'm up on my feet again
I'm feeling, I'm feeling
Show me the power child, I'd like to say
That I'm down on my knees today
It gives me the butterflies, gives me away
'Til I'm up on my feet again
I'm feeling, I'm feeling
Outshined, outshined, outshined, outshined

162 Outside

And you
You bring me to my knees, again
And all the times
Then I could beg you please, in vain
All the times
Then I felt insecure, for you
And I leave
My burdens at the door
But I'm on the outside
I'm looking in
I can see through you
See your true colors
'Cause inside you're ugly
You're ugly like me
And I can see through you
See to the real you
All the times
That I felt like this won't end, it's for you
And I taste
What I could never have, it was from you
All the times
That I've cried my intentions, full of pride
But I waste
More time than anyone
But I'm on the outside
I'm looking in
I can see through you
See your true colors
'Cause inside you're ugly
You're ugly like me
I can see through you
See to the real you
And all the times
That I've cried, all this wasted, it's all inside
And I feel
All this pain, stuffed it down, it's back again
And I lie
Here in bed all alone
I can't mend
But I feel tomorrow will be okay

But I'm on the outside
And I'm looking in
I can see through you
See your true colors
'Cause inside you're ugly
You're ugly like me
I can see through you
See to the real you

163 Overkill

I can't get to sleep
I think about the implications
Of diving in too deep
And possibly the complications
Especially at night
I worry over situations
I know we'll be alright
Perhaps it's just imagination
Day after day it reappears
Night after night my heartbeat shows the
fear
Ghosts appear and fade away
Alone between the sheets
Only brings exasperation
It's time to walk the streets
Smell the desperation
At least there's pretty lights
And though there's little variation
It nullifies the night from overkill
Day after day it reappears
Night after night my heartbeat shows the
fear
Ghosts appear and fade away
Come back another day
I can't get to sleep
I think about the implications
Of diving in too deep
And possibly the complications
Especially at night
I worry over situations that
I know will be alright
It's just overkill
Day after day it reappears
Night after night my heartbeat shows the
fear
Ghosts appear and fade away
Ghosts appear and fade away
Ghosts appear and fade away

164 Panama

Jump back, what's that sound?
Now, here she comes, foot tap an' top
down
Hot shoe, burnin' down the avenue
Model citizen, zero discipline
Don't ya know she's comin' home with me?
You'll lose her in that turn
I'll get her, her an' her
Panama, Panama
Panama, Panama
Oh, oh, oh, oh
Ain't nothin' like it, her shiny machine
She got a feel for the road, keep the movin'
parts clean
Hot shoe, burnin' down the avenue
An' got a freeway comin' through my bed-
room
Don't you know she's comin' home with
me?
You'll lose her in that turn
I'll get her and her and her and her
Panama, Panama
Panama, ooh, Panama
Oh, oh, oh, ah ooh
Now, I'm flyin' an' she's flyin'
She's right behind in the rear view mirror
Got the foot in, power steerin'
Pistons poppin', ain't no stoppin', now
Panama, Panama
Panama, Panama
Oh, oh, oh, oh
Panama, Panama
Panama, Panama
Oh, oh, oh, oh
Panama

165 Paradise City

Take me down to the paradise city
Where the grass is green
And the girls are pretty
Take me home
(Oh, won't you please take me home?)
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Take me home
(Oh, won't you please take me home?)
Just an urchin livin' under the street
I'm a hard case that's tough to beat
I'm your charity case, so buy me somethin'
to eat
I'll pay you at another time, take it to the
end of the line
Rags to riches or so they say
You gotta keep pushin' for the fortune and
fame
You know it's, it's all a gamble when it's
just a game
You treat it like a capitol crime, everybody'
doin' their time
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Oh, won't you please take me home? Yeah,
yeah
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Take me home
Strapped in the chair of the city's gas
chamber
Why I'm here, I can't quite remember
The surgeon general says it's hazardous to
breathe
I'd have another cigarette but I can't see
Tell me that you're gonna believe
Take me down to the paradise city

Where the grass is green
And the girls are pretty
Take me home, yeah, yeah
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Oh, won't you please take me home? Yeah
So far away, so far away
So far away, so far away
Captain America's been torn apart
Now he's a court jester with a broken heart
He said turn me around and take me back
to the start
I must be losing my mind, are you blind?
I've seen it all a million times
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Take me home, yeah, yeah
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Oh, won't you please take me home?
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Take me home, yeah, yeah
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Oh, won't you please take me home,
home?
I want to go, I want to know
Oh, won't you please take me home?
I want to see, oh, look at me
Oh, won't you please take me home?
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Take me home
Take me down to the paradise city
Where the grass is green

And the girls are pretty
Oh, won't you please take me home?
Take me down, oh yeah, beat me down
Oh, won't you please take me home?
I want to see, oh, look at me
Oh, won't you please take me home?
I want to see, boy, I'm gonna be mean
Oh, oh take me home
Take me down to the paradise city
Where the grass is green
And the girls are pretty
Oh, won't you please take me home?
I want to go, I want to know
Oh, won't you please take me home, baby

166 Paralyzer

I hold on so nervously to me and my drink
I wish it was coolin' me
But so far has not been good, it's been
shitty
And I feel awkward, as I should
This club has got to be the most preten-
tious thing
Since I thought you and me
Well, I am imagining a dark lit place
Or your place or my place
Well I'm not paralyzed but I seem to be
struck by you
I wanna make you move because you're
standin' still
If your body matches what your eyes can
do
You'll probably move right through me on
my way to you
I hold out for one more drink before I think
I'm lookin' too desperately
But so far has not been fun, I should just
stay home
If one thing really means one
This club will hopefully be closed in three
weeks
That would be cool with me
Well, I'm still imagining a dark lit place
Or your place or my place
Well I'm not paralyzed but I seem to be
struck by you
I wanna make you move because you're
standin' still
If your body matches what your eyes can
do
You'll probably move right through me on
my way to you
Well I'm not paralyzed but I seem to be
struck by you
I wanna make you move because you're
standin' still

If your body matches what your eyes can
do
You'll probably move right through me on
my way to you
Not paralyzed but I seem to be struck by
you
I wanna make you move because you're
standin' still
If your body matches what your eyes can
do
You'll probably move right through me on
my way to you
You'll probably move right through me on
my way to you
You'll probably move right through me on
my way to you

 Eh eh oh, eh oh
 Eh eh oh, eh oh
 Eh eh oh, eh oh
 Eh eh oh, eh oh
 Eh eh oh, eh oh
 Eh eh oh, eh oh
 I was left to my own devices
 Many days fell away with nothing to show
 And the walls kept tumbling down
 In the city that we love
 Great clouds roll over the hills
 Bringing darkness from above
 But if you close your eyes
 Does it almost feel like nothing changed at all?
 And if you close your eyes
 Does it almost feel like you've been here before?
 How am I gonna be an optimist about this?
 How am I gonna be an optimist about this?
 We were caught up and lost in all of our vices
 In your pose as the dust settled around us
 And the walls kept tumbling down
 In the city that we love
 Great clouds roll over the hills
 Bringing darkness from above
 But if you close your eyes
 Does it almost feel like nothing changed at all?
 And if you close your eyes
 Does it almost feel like you've been here before?
 How am I gonna be an optimist about this?
 How am I gonna be an optimist about this?
 Eh oh, eh oh
 Eh eh oh, eh oh
 Eh eh oh, eh oh

Eh eh oh, eh oh
 Oh, where do we begin?
 The rubble or our sins?
 Oh, oh, where do we begin?
 The rubble or our sins?
 And the walls kept tumbling down
 In the city that we love
 Great clouds roll over the hills
 Bringing darkness from above
 But if you close your eyes
 Does it almost feel like nothing changed at all?

171 Possum Kingdom

Make up your mind
Decide to walk with me
Around the lake tonight
Around the lake tonight
By my side, by my side
I'm not gonna lie
I'll not be a gentleman
Behind the boathouse
I'll show you my dark secret
I'm not gonna lie
I want you for mine
My blushing bride
My lover, be my lover, yeah
Don't be afraid
I didn't mean to scare you
So help me, Jesus
I can promise you
You'll stay as beautiful
With dark hair
And soft skin, forever
Forever
Make up your mind
Make up your mind
And I'll promise you
I will treat you well
My sweet angel
So help me, Jesus
Hey, hey, hey
Give it up to me
Give it up to me
Do you wanna be?
My angel
Give it up to me
Give it up to me
Do you wanna be?
My angel
Give it up to me
Give it up to me
Do you wanna be?
My angel, so help me

Be my angel
Be my angel
Be my angel
Do you wanna die?
Do you wanna die?
Do you wanna die?
Do you wanna die?
Do you wanna die?
Do you wanna die?
Do you wanna die?
Do you wanna die?
Well, I promise you
I will treat you well
My sweet angel
So help me, Jesus

173 Pride

One man come in the name of love
One man come and go
One man come he to justify
One man to overthrow
In the name of love
What more in the name of love
In the name of love
What more in the name of love
One man caught on a barbed wire fence
One man he resist
One man washed on an empty beach
One man betrayed with a kiss
In the name of love
What more in the name of love
In the name of love
What more in the name of love
Early morning, April four
Shot rings out in the Memphis sky
Free at last, they took your life
They could not take your pride
In the name of love
What more in the name of love
In the name of love
What more in the name of love
In the name of love
What more in the name of love
In the name of love
What more in the name of love

176 Loosely Covered - Lead Sheets

The lead-sheet folder contains all of the “lead sheets” (lyrics, plus structure) for the songs in our repertoire. **Don’t forget** to leave a blank line at the end of every lead sheet!

Create a New Lead Sheet

For a new Lead Sheet, you should create a **new file** specific to that song using the following instructions:

1. Open a browser tab to your favorite lyrics site (e.g., azlyrics.com, song-lyrics.com); search for the lyrics to the new song; and copy the song lyrics.
2. In a separate browser tab, open this set-lists repo and click on the lead-sheet folder.
3. Then, click the “Add file” dropdown button, followed by the “Create new file” button.
4. In the “Name Your File ...” field, name the new Lead Sheet for that song as “Song-Name.md” (e.g., “Back-In-Black.md”). Each word should start with a capital letter, and replace all special characters (e.g. “-”, “'”, “&”) with a dash.
5. At a minimum, on the first line of the “Edit new file” section, type the pound sign, a space, the Song Name, then a new line.
6. Then, paste the lyrics into the “Edit new file” section, and add song structure, if desired.
7. **Don’t forget** to leave a blank line at the end of every lead sheet.

8. Click the green “Commit new file” button at the bottom of the page to save.
9. The new lead sheet now will appear in the lead-sheet folder of the repo.

Editing and Improving Lead Sheets

All lead sheets are basically plain text. The only requirements are having:

- the “#” symbol, followed by a space and the Song Name, on the first line;
- then a blank line;
- then the lyrics;
- then a blank line at the end.

However, a Lead Sheet is more useful with a little structure. Take a look at the top of the Lead Sheet for **Rebel Yell**.

```
# Rebel Yell
```

```
### Intro _B-D-C_
```

```
### Verse 16x _B-G-A_
Last night a little dancer
came dancing to my door
Last night a little angel
came pumping on the floor
```

```
She said, come on baby
You got a license for love
And if it expires
pray help from above, because
```

The following structure has been added to the plain-text lyrics:

- Section headings, like “Intro” and “Verse”, have been added using the “###” symbols. These break the song up into its major parts.

- You can add the number of bars in each section (e.g., “16x”).
- You can add blank lines to separate the different parts of each section.
- You also can add the chords for that section in italics; just put an underscore on either side of the chord progression.
- You can separate out the harmony lyrics by putting them in parentheses.

To add this kind of structure to a Lead Sheet, do the following:

1. Click on the name of the Lead Sheet in the lead-sheet folder of the repo.
2. Find the “pencil” icon (“Edit this file”) on the right side of the page above the lyrics.
3. Make the desired changes to the structure of the song.
4. Click the green “Commit changes” button at the bottom of the page to save.
5. The edited lead sheet now will appear in the lead-sheet folder of the repo.

177 Radioactive

I'm waking up to ash and dust
I wipe my brow, and I sweat my rust
I'm breathing in the chemicals
I'm breaking in and shaping up
Then checking out on the prison bus
This is it, the apocalypse
Whoa
I'm waking up
I feel it in my bones
Enough to make my system blow
Welcome to the new age, to the new age
Welcome to the new age, to the new age
Whoa oh oh oh oh
Whoa oh oh oh
I'm radioactive, radioactive
Whoa oh oh oh oh
Whoa oh oh oh
I'm radioactive, radioactive
I raise my flag, and dye my clothes
It's a revolution, I suppose
We're painted red to fit right in
Whoa
I'm breaking in and shaping up
Then checking out on the prison bus
This is it, the apocalypse
Whoa
I'm waking up
I feel it in my bones
Enough to make my system blow
Welcome to the new age, to the new age
Welcome to the new age, to the new age
Whoa oh oh oh oh
Whoa oh oh oh
I'm radioactive, radioactive
Whoa oh oh oh oh
Whoa oh oh oh
I'm radioactive, radioactive
All systems go
The sun hasn't died
Deep in my bones

Straight from inside
I'm waking up
I feel it in my bones
Enough to make my system blow
Welcome to the new age, to the new age
Welcome to the new age, to the new age
Whoa oh oh oh oh
Whoa oh oh oh
I'm radioactive, radioactive
Whoa oh oh oh oh
Whoa oh oh oh
I'm radioactive, radioactive

179 Redemption Song Live

Oh Pirates yes they rob I
Stole I from the merchant ships
Minutes after they took I
From the bottomless pit
But my hand was made strong
By the hand of the Almighty
We forward in this generation
Triumphantly
Won't you help to sing
these songs of freedom
'Cause all I ever have
Redemption Songs Ziggy & Lauryn:
Emancipate yourself from mental slavery
None but ourselves can free our minds
Have no fear for atomic energy
'Cause none of them can stop the time
How long shall they kill our prophets
While we stand aside and look
Yes, some say it's just a part of it
But we've got to fulfill the book
Won't you help us sing
Another song of freedom
'Cause all I ever have
Redemption Song L. Boogie
Yo, If they can stop this fruit
They would pop this route
Chop this fruit
Treat us like a prostitute
Knock this youth
See me in my cocky suit
God's recruit
From fallin even God's salute
Tribal truth
Ja people can't be mute
Share my youth to Babylon can't regroup
Sing, to Babylon can't regroup
Sing, to Babylon can't regroup
Lauryn & Ziggy:
Emancipate yourself from mental slavery
None but ourselves can free our minds

Have no fear for atomic energy
'Cause none of them can stop the time
How long shall they kill our prophets
While we stand aside and look
Some say it's just a part of it
We've got to fulfill the book
Won't you help to sing
Another song of freedom, yeah
'Cause all I ever have
Redemption songs(5).

180 Ride On

It's another lonely evening And another lonely town
But i ain't too young to worry And i ain't too old to cry
When a woman gets me down Got another empty bottle
And another empty bed Ain't too young to admit it
And i'm not too old to lie I'm just another empty head

That's why i'm lonely I'm so lonely But i know what i'm gonna do

I'm gonna ride on Ride on Ride on, standing on the edge of the road
Ride on, thumb in the air Ride on, one of these days i'm gonna Ride on, change my evil ways
Till then i'll just keep dragging on

Broke another promise And i broke another heart
But i ain't too young to realize That i ain't too old to try
Try to get back to the start And it's another red light nightmare
Another red light street And i ain't too old to hurry
Cause i ain't too old to die But i sure am hard to beat

But i'm lonely Lord i'm lonely What am i gonna do

Ride on Ride on, got myself a one way ticket
Ride on Ride on, going the wrong way Ride on, gonna change my evil ways

Love is a burning thing
And it makes a fiery ring
Bound by ones desire
I fell down into a ring of fire
I fell into a burning ring of fire

Went down, down, down and the flames went higher

And it burns, burns, burns that ring of fire, that ring of fire

The taste of love is sweet

When hearts like ours meet

I hide before you like a child

Oh but the fire went wild

I fell into a burning ring of fire

Went down, down, down and the flames went higher

And it burns, burns, burns that ring of fire, that ring of fire and it burns

I fell into a burning ring of fire

Went down, down, down and the flames went higher

And it burns, burns, burns that ring or fire that ring of fire

The taste of love is sweet

When hearts like ours meet

I hide before you like a child

Oh but the fire went wild

I fell into a burning ring of fire

Went down, down, down and the flames went higher

And it burns, burns, burns that ring of fire, that ring of fire

One more time

I fell into a burning ring of fire

Went down, down, down and the flames went higher

And it burns, burns, burns that ring of fire, that ring of fire

That ring of fire, that ring of fire

Been a long lonely, lonely, lonely, lonely,
lonely time

moonlight

Making vows that just can't work right

Open your arms, baby, let my love come
running in

Been a long lonely, lonely, lonely, lonely,

183 Rooster

Ain't found a way to kill me yet?
Eyes burn with stinging sweat
Seems every path leads me to nowhere
Wife and kids, household pet
Army green was no safe bet

Yeah, here come the rooster, yeah
You know he ain't gonna die
No, no, no, you know he ain't gonna die
Here they come to snuff the rooster, yeah
Yeah, here come the rooster, yeah
You know he ain't gonna die
No, no, no, you know he ain't gonna die
Walkin' tall, machine gun man
They spit on me, in my home land

Got my pills against mosquito death
My buddy's breathin' his dyin' breath
Oh God please won't you help me make it
through?
Here they come to snuff the rooster, yeah
Yeah, here come the rooster, yeah
You know he ain't gonna die

Lay where you're laying
Don't make a sound
I know they're watching
They're watching
All the commotion
The kiddie like play
Has people talking

Dark of the alley
The breaking of day
Head while I'm driving
I'm driving
Soft lips are open
Them knuckles are pale
Feels like you're dying
You're dying
You, Your sex is on fire
Consumed,
With the what's to transpire
Hot as a fever
Rattling bones
I could just taste it
Taste it
But it's not forever
But it's just tonight
Oh we're still the greatest
The greatest
The greatest

You, Your sex is on fire
Consumed,
With the what's to transpire
And you
Your sex is on fire
Consumed,
With the what's to transpire

195 Smells Like Teen Spirit

Load up on guns and bring your friends
 It's fun to lose and to pretend
 She's over bored and self assured
 Oh no, I know a dirty word
 Hello, hello, hello, how low?
 Hello, hello, hello, how low?
 Hello, hello, hello, how low?
 Hello, hello, hello

With the lights out, it's less dangerous
 Here we are now, entertain us
 I feel stupid and contagious
 Here we are now, entertain us
 A mulatto, an albino
 A mosquito, my libido
 Yeah, hey, yay

I'm worse at what I do best
 And for this gift I feel blessed
 Our little group has always been
 And always will until the end
 Hello, hello, hello, how low?
 Hello, hello, hello, how low?
 Hello, hello, hello, how low?
 Hello, hello, hello

With the lights out, it's less dangerous
 Here we are now, entertain us
 I feel stupid and contagious
 Here we are now, entertain us
 A mulatto, an albino
 A mosquito, my libido
 Yeah, hey, yay

And I forget just why I taste
 Oh yeah, I guess it makes me smile
 I found it hard, it's hard to find Oh well,
 whatever, nevermind
 Hello, hello, hello, how low?
 Hello, hello, hello, how low?
 Hello, hello, hello, how low?
 Hello, hello, hello

With the lights out, it's less dangerous
 Here we are now, entertain us

I feel stupid and contagious
 Here we are now, entertain us
 A mulatto, an albino
 A mosquito, my libido
 A denial, a denial
 A denial, a denial

196 So Lonely

Well, someone told me yesterday
About when you throw your love away
You act as if you don't care
You look as if you're going somewhere
But I just can't convince myself
I couldn't live with no one else
And I can only play that part
And sit and nurse my broken heart
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
Now no one's knocked upon my door
For a thousand years or more
All made up and nowhere to go
Welcome to this one man show
Just take a seat they're always free
No surprise, no mystery
In this theater that I call my soul
I always play the starring role
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
So lonely, so lonely, so lonely
Lonely, I'm so lonely
I feel so alone, I feel low
I feel so, feel so low
I feel low, low, low
I feel low, low, low
I feel low, low, low
I feel low, low, low
I feel low, low, low
Low, I feel low
I feel low, I feel low
I feel so lonely
I feel so lonely
I feel so lonely, lonely, lonely, lone

198 Song 2

I got my head checked
By a jumbo jet
It wasn't easy
But nothing is, no
When I feel heavy metal
And I'm pins and I'm needles
Well I lie and I'm easy all of the time
But I'm never sure why I need you
Pleased to meet you
I got my head down
When I was young
It's not my problem
It's not my problem
When I feel heavy metal
And I'm pins and I'm needles
Well I lie and I'm easy all of the time
But I'm never sure why I need you
Pleased to meet you
Yeah, yeah
Yeah, yeah
Yeah, yeah
Oh, yeah

199 Soulshine

Intro 8x

Verse 1 8x

When you can't find the light
That got you through the cloudy days
When the stars ain't shinin' bright
You feel like you've lost your way
When those candle lights of home
Burn so very far away
Well you got to let your soul shine
Just like my daddy used to say.

Chorus 8x

He used to say Soulshine
It's better than sunshine
It's better than moonshine
Damn sure better than rain.
Hey now people don't mind
We all get this way sometime
Got to let your soul shine, shine till the
break of day.

Verse 2 8x

I grew up thinkin' that i had it made
Gonna make it on my own.
Life can take the strongest man
Make him feel so alone.
Now and then i feel a cold wind
Blowin' through my achin' bones
I think back to what my daddy said
He said "boy, in the darkness before the
dawn:"

Chorus 8x

Let your soul shine
It's better than sunshine
It's better than moonshine
Damn sure better than rain.
Yeah now people don't mind
We all get this way sometimes

Gotta let your soul shine, shine till the
break of day.

Breakdown 8x

Sometimes a man can feel this emptiness
Like a woman has robbed him of his very
soul.
A woman too, god knows, she can feel like
this.
And when your world seems cold,
you got to let your spirit take control.

Solo 16x

Chorus 8x

Let your soul shine
It's better than sunshine
It's better than moonshine
Damn sure better than rain.
Lord now people don't mind
We all get this way sometimes
Gotta let your soul shine, shine till the
break of day.

Chorus 8x

Oh, it's better than sunshine
It's better than moonshine
Damn sure better than rain.
Yeah now people don't mind
We all get this way sometimes
Gotta let your soul shine, shine till the
break of day.

201 Stayin Alive

Intro Drums 2x

Verse 4x

Well, you can tell by the way I use my walk,
I'm a woman's man: no time to talk.
Music loud and women warm, I've been
kicked around
since I was born.

Pre chorus 4x

And now it's all right. It's OK.
And you may look the other way.
We can try to understand
the New York Times' effect on man.

Chorus 8x

Whether you're a brother or whether
you're a mother,
you're stayin' alive, stayin' alive.
Feel the city breakin' and everybody
shakin',
and we're stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive.

Verse 4x

Well now, I get low and I get high,
and if I can't get either, I really try.
Got the wings of heaven on my shoes.
I'm a dancin' man and I just can't lose.

Pre chorus 8x

You know it's all right. It's OK.
I'll live to see another day.
We can try to understand
the New York Times' effect on man.

Chorus 8x

Whether you're a brother or whether
you're a mother,
you're stayin' alive, stayin' alive.

Feel the city breakin' and everybody
shakin',
and we're stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive, stayin' alive.
Ah, ha, ha, ha, stayin' alive.

202 Steady As She Goes

Find yourself a girl and settle down
Live a simple life in a quiet town
Steady as she goes (steady as she goes)
Steady as she goes (steady as she goes)
So steady as she goes
Your friends have a shown a kink in the
single life
You've had too much to think, now you
need a wife
Steady as she goes (steady as she goes)
So steady as she goes (steady as she goes)
Well, here we go again
You've found yourself a friend that knows
you well
But no matter what you do
You'll always feel as though you tripped
and fell
So steady as she goes
When you have completed what you
thought you had to do
And your blood's depleted to the point of
stable glue
Then you'll get along
Then you'll get along
Steady as she goes (steady as she goes)
So steady as she goes (steady as she goes)
Well, here we go again
You've found yourself a friend that knows
you well
But no matter what you do
You'll always feel as though you tripped
and fell
So steady as she goes
Steady as she goes
Settle for a world, neither up or down
Sell it to the crowd that is gathered round
Settle for a girl, neither up or down
Sell it to the crowd that is gathered round
So steady as she goes (steady as she goes)
Steady as she goes (steady as she goes)

Steady as she goes (steady as she goes)
So steady as she goes (steady as she goes)
Steady as she goes, are you steady now?
Steady as she goes, are you steady now?
Steady as she goes, are you steady now?
Steady as she goes, are you steady now?
Steady as she goes

203 Sullivan Street

Take the way home leads back to Sullivan
Street

Cross the water home through the town
Past the shadows that fall down wherever
we meet

Pretty soon now I won't come around
I'm almost drowning in her sea
She's nearly fallen to her knees

Take the way home
Take the way home leads back to Sullivan
Street

Where all the bodies hang on the air
If she remembers, she hides it whenever
we meet

Either way now, I don't really care 'cause
I'm gone from there

I'm almost drowning in her sea
She's nearly crawling on her knees
She's down on her knees, down on her
knees

Take the way home that leads back to
Sullivan Street

Where I'm just another rider burned to the
ground

Come tumbling down
I'm almost drowning in her sea
She's nearly crawling on her knees

It's almost everything I need

I'm down on my knees

I'm down on my knees

I'm down on, down on my knees

I'm down on my knees

I'm down on my knees

See me ride out of the sunset

On your color TV screen

Out for all that I can get

If you know what I mean

Women to the left of me

And women to the right

Ain't got no gun

Ain't got no knife

Don't you start no fight

'Cause I'm T.N.T., I'm dynamite

(T.N.T.) and I'll win the fight

(T.N.T.) I'm a power load

(T.N.T.) watch me explode

I'm dirty, mean and mighty unclean

I'm a wanted man

Public enemy number one

Understand

So lock up your daughter

Lock up your wife

Lock up your back door

And run for your life

The man is back in town

So don't you mess me 'round

'Cause I'm T.N.T. I'm dynamite

And if you leave here, you leave me broken
shattered I lie

I'm just a cross hair, I'm just a shot then we
can die

I know I won't be leaving here with you

I say, "Don't you know?"

You say, "You don't know"

Don't move time is slow

I say, "Take me out"

Well I say, "You don't know"

You say, "You don't go"

I say, "Take me out"

213 The Distance

Reluctantly crouched at the starting line
Engines pumping and thumping in time
The green light flashes; the flags go up
Churning and burning, they yearn for the cup

They deftly maneuver and muscle for rank
Fuel burning fast on an empty tank
Reckless and wild, they pour through the turns

Their prowess is potent and secretly stern
As they speed through the finish, the flags go down

The fans get up, and they get out of town
The arena is empty, except for one man
Still driving and striving as fast as he can
The sun has gone down and the moon has come up

And long ago somebody left with the cup
But he's driving and striving and hugging the turns

And thinking of someone for whom he still burns

He's going the distance

He's going for speed

She's all alone (All alone)

All alone in her time of need

Because he's racing and pacing and plotting the course

He's fighting and biting and riding on his horse

He's going the distance

Ahh, ahh

Yah! Oh!

No trophy, no flowers, no flashbulbs, no line

He's haunted by something he cannot define

Bowel shaking earthquakes of doubt and remorse

Assail him, impale him with monster truck

force

In his mind, he's still driving, still making the grade

She's hoping in time that her memories will fade

'Cause he's racing and pacing and plotting the course

He's fighting and biting and riding on his horse

The sun has gone down and the moon has come up

And long ago somebody left with the cup

But he's striving and driving and hugging the turns

And thinking of someone for whom he still burns

'Cause he's going the distance

He's going for speed

She's all alone (All alone)

All alone in her time of need

Because he's racing and pacing and plotting the course

He's fighting and biting and riding on his horse

He's racing and pacing and plotting the course

He's fighting and biting and riding on his horse

He's going the distance

He's going for speed

He's going the distance

Ahh, ahh, hey!

Hey!

215 The Scientist

Come up to meet you, tell you I'm sorry
You don't know how lovely you are
I had to find you, tell you I need you
Tell you I set you apart
Tell me your secrets and ask me your ques-
tions
Oh, let's go back to the start
Running in circles, coming up tails
Heads on a science apart
Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard
Oh, take me back to the start
I was just guessing at numbers and figures
Pulling the puzzles apart
Questions of science, science and progress
Do not speak as loud as my heart
But tell me you love me, come back and
haunt me
Oh and I rush to the start
Running in circles, chasing our tails
Coming back as we are
Nobody said it was easy
Oh, it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard
I'm going back to the start
Oh ooh, ooh ooh ooh ooh
Ah ooh, ooh ooh ooh ooh
Oh ooh, ooh ooh ooh ooh
Oh ooh, ooh ooh ooh ooh

216 Thinking Out Loud

When your legs don't work like they used to before

And I can't sweep you off of your feet

Will your mouth still remember the taste of my love?

Will your eyes still smile from your cheeks?

And, darling, I will be loving you till we're 70

And, baby, my heart could still fall as hard at 23

And I'm thinking 'bout how people fall in love in mysterious ways

Maybe just the touch of a hand

Well, me, I fall in love with you every single day

And I just wanna tell you I am

So, honey, now

Take me into your loving arms

Kiss me under the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

Maybe we found love right where we are

When my hair's all but gone, and my memory fades

And the crowds don't remember my name

When my hands don't play the strings the same way

I know you will still love me the same

'Cause, honey, your soul could never grow old, it's evergreen

And, baby, your smile's forever in my mind and memory

I'm thinking 'bout how people fall in love in mysterious ways

And maybe it's all part of a plan

Well, I'll just keep on making the same mistakes

Hoping that you'll understand

That, baby, now

Take me into your loving arms

Kiss me under the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

And maybe we found love right where we are

La la la, la la la, la la la, la la la loud

So, baby, now

Take me into your loving arms

Kiss me under the light of a thousand stars

Oh, darling, place your head on my beating heart

I'm thinking out loud

Then maybe we found love right where we are

Oh, baby, we found love right where we are

And we found love right where we are

217 This Is How You Remind Me

Never made it as a wise man
 I couldn't cut it as a poor man stealin'
 Tired of livin' like a blind man
 I'm sick of sight without a sense of feelin'
 And this is how you remind me
 This is how you remind me
 Of what I really am
 This is how you remind me
 Of what I really am
 It's not like you to say sorry
 I was waiting on a different story
 This time I'm mistaken
 For handing you a heart worth breakin'
 And I've been wrong, I've been down
 Been to the bottom of every bottle
 These five words in my head
 Scream, "Are we having fun yet?"
 Yet, yet, yet, no no
 Yet, yet, yet, no no
 It's not like you didn't know that
 I said, "I love you", and I swear I still do
 It must have been so bad
 'Cause living with me must have
 Damn, near killed you
 And this is how you remind me
 Of what I really am
 This is how you remind me
 Of what I really am
 It's not like you to say sorry
 I was waiting on a different story
 This time I'm mistaken
 For handing you a heart worth breakin'
 And I've been wrong, I've been down
 Been to the bottom of every bottle
 These five words in my head
 Scream, "Are we having fun yet?"
 Yet, yet, yet, no no
 Yet, yet, yet, no no

Yet, yet, yet, no no
 Yet, yet, yet, no no
 Never made it as a wise man
 I couldn't cut it as a poor man stealing
 And this is how you remind me
 This is how you remind me
 This is how you remind me
 Of what I really am
 This is how you remind me
 Of what I really am
 It's not like you to say sorry
 I was waiting on a different story
 This time I'm mistaken
 For handing you a heart worth breakin'
 And I've been wrong, I've been down
 Been to the bottom of every bottle
 These five words in my head
 Scream, "Are we having fun yet?"
 Yet, yet, "Are we having fun yet?"
 Yet, yet, "Are we having fun yet?"
 Yet, yet, "Are we having fun yet?"

 Yet, yet, [Incomprehensible]

220 Tom Sawyer

A modern day warrior
Mean, mean stride
Today's Tom Sawyer
Mean, mean pride
Though his mind is not for rent
Don't put him down as arrogant
His reserve, a quiet defense
Riding out the day's events
The river
What you say about his company
Is what you say about society
Catch the mist, catch the myth
Catch the mystery, catch the drift
The world is, the world is
Love and life are deep
Maybe as his skies are wide
Today's Tom Sawyer
He gets high on you
And the space he invades
He gets by on you
No his mind is not for rent
To any god or government
Always hopeful, yet discontent
He knows changes aren't permanent
But change is
What you say about his company
Is what you say about society
Catch the witness, catch the wit
Catch the spirit, catch the spit
The world is, the world is
Love and life are deep
Maybe as his eyes are wide
Exit the warrior
Today's Tom Sawyer
He gets high on you
And the energy you trade
He gets right on to the friction of the day

221 Touch Too Much

It was one of those nights When you turned
out the lights And everything comes into
view She was taking her time I was los-
ing my mind There was nothing that she
wouldn't do It wasn't the first It wasn't the
last She knew we was making love I was
so satisfied Deep down inside Like a hand
in a velvet glove

Chorus: Seems like a touch, a touch too
much Seems like a touch, a touch too much
Too much for my body, too much for my
brain This kind of woman's gonna drive me
insane She's got a touch, a touch too much

She had the face of an angel Smiling with
sin A body of venus with arms Dealing with
danger Stroking my skin Let the thunder
and lightening start It wasn't the first It
wasn't the last It wasn't that she didn't
care She wanted it hard And wanted it fast
She liked it done medium rare

Chorus

Seems like a touch, touch too much You
know it's much too much, much too much
I really want to feel your touch too much
Girl you know you're getting me much too
much Seems like a touch Just a dirty little
touch I really need your touch Cause you're
much too much too much

Chorus

222 Troublemaker

Put me in a special school
'Cause I am such a fool
And I don't need a single book
To teach me how to read
Who needs stupid books?
They are for petty crooks
And I will learn by studying
The lesson in my dreams
So turn off the TV
'Cause that's what others see
And movies are as bad as
Eating chocolate ice cream
They only sicken me
Don't let me play football
I'll sack the quarterback
And jack the brother of the ball
I'm a troublemaker
Never been a faker
Doing things my own way
And never giving up
I'm a troublemaker
Not a double taker
I don't have the patience
To keep it on the up
I picked up a guitar
What does this signify?
I'm gonna play some heavy metal riffs
And you will die
You wanted arts and crafts
How's this for arts and crafts?
That's right
I'm growing out my hair
I'm movin' out to Cherokee
I'm gonna be a rock star
And you will go to bed with me
'Cause I can't work a job
Like any other slob
Punchin' in and punchin' out
And suckin' up to Bob
Marrying a bitch

Having 7 kids
Giving up and growing old
And hoping there's a God
I'm a troublemaker
Never been a faker
Doing things my own way
And never giving up
I'm a troublemaker
Not a double taker
I don't have the patience
To keep it on the up
I'm gonna be a star
And people will crane necks
To get a glimpse of me
And see if I am having sex
In studying my moves
They try to understand
Why I am so unlike the singers
In the other bands
I'm such a mystery
As anyone can see
There isn't anybody else
Exactly quite like me
And when it's party time
Like 1999
I'll party by myself
Because I'm such a special guy
I'm a troublemaker
Never been a faker
Doing things my own way
And never giving up
I'm a troublemaker
Not a double taker
I don't have the patience
To keep it on the up
(Keep it on the up)
I'm a troublemaker
(Keep it on the up)
I'm a troublemaker
(Keep it on the up)
I'm a troublemaker
(Keep it on the up)

I'm a troublemaker
Never giving up

Sax Intro 6x

Verse 1 16x

On a long and lonesome highway east of
Omaha
You can listen to the engine rolling out his
one note song
You can think about the woman
Or the girl you knew the night before
But your thoughts will soon be wanderin'
the way they always do
When your riding sixteen hours and there's
nothin much to do
And you don't feel much like riding
You just wish the trip was through

Chorus 8x

Say here I am on the road again
There I am up on the stage
Here I go playin' the star again
There I go
Turn the page

Piano Break 2x

Verse 2 16x

Well you walk into a restaurant strung out
from the road
And you feel the eyes upon you as you're
shakin' off the cold
You pretend it doesn't bother you
But you just want to explode
Most times you can't hear 'em talk other
times you can
All the same ol' cliches, is that a woman or
a man
And you always seem outnumbered
You don't dare make a stand

Chorus 8x

Here I am on the road again
There I am up on the stage
Here I go playin' the star again
There I go
Turn the page

Violin Break 4x

Verse 3 16x

Out there in the spotlight your a million
miles away
Every ounce of energy you try to give away
As the sweat pours out your body
Like the music that you play (sax riff, then
quiet) Later in the evening as you lie awake
in bed
With the echoes from the amplifiers ringin'
in your head
You smoke the day's last cigarette
Remembering what she said

Piano Break 2x

Ah here I am on the road again
There I am up on the stage
Here I go playin' the star again
There I go

Countless lovers
undercover of the street
You know that I could use somebody
You know that I could use somebody
Someone like you

Off in the night while you live it up
I'm off to sleep
Waging wars to shape the poet and the

I hope it's gonna make you notice
I hope it's gonna make you notice
Someone like me
Someone like me
Someone like me, somebody
Im ready now

229 Vasoline

One time a thing occurred to me
What's real and what's for sale?
Blew a kiss and tried to take it home
Isn't you, isn't me
Search for things that you can't see
Goin' blind, out of reach
Somewhere in the vasoline
Two times and it has rendered me
Punched, drunk and without bail
Think I'd be safer all alone
Flies in the vasoline, we are
Sometimes it blows my mind
Keep gettin' stuck here all the time
Isn't you, isn't me
Search for things that you can't see
Goin' blind, out of reach
Somewhere in the vasoline
You'll see the look and you'll see the lies
You'll eat the lies and you will
Flies in the vasoline, we are
Sometimes it blows my mind
Keep gettin' stuck here all the time
Isn't you, isn't me
Search for things that you can't see
Goin' blind, out of reach
Somewhere in the vasoline

230 Vertigo

Unos, dos, tres, catorce!
Lights go down it's dark
The jungle is your head
Can't rule your heart
A feeling so much
Stronger than a thought
Your eyes are wide and though
Your soul it can't be bought
Your mind can wander
Hello hello
(Hola)
I'm at a place called Vertigo
(Donde esta?)
It's everything I wish I didn't know
Except you give me something
I can feel, feel
The night is full of holes
As bullets rip the sky
Of ink with gold
They twinkle as the
Boys play rock and roll
They know that they can't dance
At least they know
I can't stand the beats
I'm asking for the cheque
The girl with crimson nails
Has Jesus 'round her neck
Swinging to the music
Swinging to the music
Hello hello
(Hola)
I'm at a place called Vertigo
(Donde esta?)
It's everything I wish I didn't know
But you give me something
I can feel, feel
All of this, all of this can be yours
All of this, all of this can be yours
All of this, all of this can be yours
Just give me what I want

And no one gets hurt
Hello hello
(Hola)
We're at a place called Vertigo
(Donde esta?)
Lights go down and all I know
Is that you give me something
I can feel your love teaching me how
Your love is teaching me how
How to kneel, kneel
Yea, yea, yea, yea, yea, yea, yea, yea
Yea, yea, yea, yea, yea, yea, yea, yea

231 Wagon Wheel

Headin' down south to the land of the pines
I'm thumbin' my way into North Caroline
Starin' up the road and pray to God I see headlights
I made it down the coast in seventeen hours
Picking me a bouquet of dogwood flowers
And I'm a hopin' for Raleigh, I can see my baby tonight
So, rock me mama like a wagon wheel
Rock me mama any way you feel
Hey... mama rock me
Rock me mama like the wind and the rain
Rock me mama like a south bound train
Hey... mama rock me
Runnin' from the cold up in New England
I was born to be a fiddler in an old time string band
My baby plays a guitar, I pick a banjo now
Oh, north country winters keep a getting me down
I lost my money playing poker so I had to leave town
But I ain't turning back to living that old life no more
So, rock me mamma like a wagon wheel
Rock me mama any way you feel
Hey... momma rock me
Rock me mama like the wind and the rain
Rock me mama like a south bound train
Hey... mama rock me
Walkin' to the south out of Roanoke
I caught a trucker out of Philly, had a nice long toke
But he's a heading west from the Cumberland gap
To Johnson City, Tennessee
And I gotta get a move on before the sun
I hear my baby calling my name and I know

that she's the only one
And if I died in Raleigh at least I will die free
So, rock me mama like a wagon wheel
Rock me mama any way you feel
Hey... mama rock me
Rock me mama like the wind and the rain
Rock me mama like a south bound train
Hey... mama rock me
So, rock me mama like a wagon wheel
Rock me mama any way you feel
Hey... mama rock me
Rock me mama like the wind and the rain
Rock me mama like a south bound train
Hey... mama rock me

Then you're sure to be a changin' your way
I met a cheerleader was a real young breeder

Oh the times I could reminisce
'Cause the best things of lovin' with her sister and her cousin

Only started with a little kiss

A like this

See saw swingin' with the boys in the school

And your feet flyin' up in the air

Singin' hey diddle diddle

With your kitty in the middle of the swing like you didn't care

So I took a big chance at the high school dance

With a missy who was ready to play

Wasn't me she was foolin' 'cause she knew what she was doin'

And I know love was here to stay

When she told me to

Walk this way

Walk this way

Walk this way

Walk this way

Walk this way

Walk this way

Walk this way

A just gimme a kiss

Like this

School girl sweetie with a sassy kinda classy

Little skirt's climbin' way up the knee

It was three young ladies in a school gym locker

When I noticed they were lookin' at me

I was a high school loser never made it with a lady

'Til the boys told me something I missed

Then my next door neighbor with a daughter had a favor

So I gave her just a little kiss

A like this

Seesaw swingin' with the boys in the school

And your feet flyin' up in the air

I sing hey diddle diddy

Wit'cha kitty in the middle of the swing like ya didn't care

233 Walk

A million miles away
Your signal in the distance
To whom it may concern
I think I lost my way
Getting good at starting over
Every time that I return
I'm learning to walk again
I believe I've waited long enough
Where do I begin?
I'm learning to talk again
Can't you see I've waited long enough
Where do I begin?

...

Do you remember the days
We built these paper mountains
Then sat and watched them burn
I think I found my place
Can't you feel it growing stronger
Little conquerors
I'm learning to walk again
I believe I've waited long enough
Where do I begin?
I'm learning to talk again
I believe I've waited long enough
Where do I begin?
Now

...

For the very first time
Don't you pay no mind
Set me free again
You keep alive a moment at a time
But still inside a whisper to a riot
To sacrifice but knowing to survive
The first to climb another state of mind
I'm on my knees, I'm praying for a sign
Forever, whenever
I never wanna die
I never wanna die
I never wanna die
I'm on my knees

I never wanna die
I'm dancing on my grave
I'm running through the fight
Forever, whenever
I never wanna die
I never wanna leave
I never say goodbye
Forever, whenever
Forever, whenever
I'm learning to walk again
I believe I've waited long enough
Where do I begin?
I'm learning to talk again
Can't you see I've waited long enough
Where do I begin?
I'm learning to walk again
I believe I've waited long enough
I'm learning to talk again
Can't you see I've waited long enough

236 What I Got

Intro 2x

Verse 16x

Early in the mornin', risin' to the street
Light me up that cigarette and I'll strap
shoes on my feet
Got to find the reason, reason things went
wrong
Got to find the reason why my money's all
gone
I got a Dalmatian, I can still get high
I can play the guitar like a motherfuckin'
riot ...

Verse 12x

Life is too short, so love the one you got
'Cause you might get run over or you might
get shot
Never startle static I just get it off my chest
Never had to battle with my bulletproof
vest
Take a small example, take a tip from me
Take all of your money, give it all to charity
Life is what I got it's within my reach
And the sublime style is just straight from
long beach
It all comes back to you, you finally get
what you deserve
Try and test that, you're bound to get
served
Love's what I got, don't start a riot
You'll feel it when the dance gets hot

Chorus 8x

Lovin' is what I got, I said, "Remember that"

Then I came around
And everyone I loved before
Flashed before my eyes
And nothing mattered anymore

I wished for something new
Well I wanted something beautiful
I wished to something true
Ain't looking for a reason man
Something to lose

And you feel like its all over
Here's another round for you
When the wheels come down
(When the wheels come down)

Broken hearts will mend
This is our beginning
Coming to an end
Well you wanted something better man
You wished for something new
Well you wanted something beautiful
Wished to something true
Been looking for a reason man
Something to lose

238 When I Come Around

Oh I heard you cryin' loud
All the way across town
You've been searching for that someone
And it's me out on the prowl
As you sit around feeling sorry for yourself
Well don't get lonely now
And dry your whining eyes
I'm just roaming for the moment
Sleazing my backyard so don't get so up-
tight
You've been thinking about ditching me
No time to search the world around
'Cause you know where I'll be found
When I come around
Oh I heard it all before
So don't knock down my door
I'm a loser and the user
So I don't need no accuser
To try and slag me down because I know
you're right
So it go, do what you like
Make sure you do it wise
You may find out that yourself doubt
Means nothing was ever there
You can't come forcing somethin' if it's just
not right
No time to search the world around
'Cause you know where I'll be found
When I come around
No time to search the world around
'Cause you know where I'll be found
When I come around
Oh, when I come around
Oh, when I come around
When I come around

239 When I m Gone

There's another world inside of me that
you may never see
There's secrets in this life that I can't hide
Somewhere in this darkness there's a light
that I can't find
Or maybe it's too far away
Or maybe I'm just blind
Maybe I'm just blind
So hold me when I'm here
Right me when I'm wrong
Hold me when I'm scared
and love me when I'm gone
Everything I am
and everything in me
Wants to be the one you wanted me to be
I'll never let you down
Even if I could
I'd give up everything if only for your good
So hold me when I'm here
Right me when I'm wrong
You can hold me when I'm scared you
won't always be there
So love me when I'm gone
Love me when I'm gone
When your education x ray cannot see
under my skin
I won't tell you a damn thing that I could
not tell my friends
And roaming through this darkness I'm
alive but I'm alone
Part of me is fighting this but part of me is
gone
So hold me when I'm here
Right me when I'm wrong
Hold me when I'm scared
and love me when I'm gone
Everything I am
and everything in me
Wants to be the one you wanted me to be
I'll never let you down

Even if I could
I'd give up everything if only for your good
So hold me when I'm here
Right me when I'm wrong
You can hold me when I'm scared, you
won't always be there

241 Whenever You Come Around

Intro 4x

Verse 1 8x

The face of an angel, pretty eyes that shine
I lie awake at night wishing you were mine
I'm standing here holding the biggest
heartache in town
Whenever you come around

Chorus 8+2x

I get weak in the knees and I lose my breath
Oh I try to speak but the words won't come
I'm so scared to death
And when you smile that smile, the world
turns upside down
Whenever you come around

Verse 2 8x

And I feel so helpless I feel just like a kid
What is it about you that makes me keep
my feelings hid
I wish I could tell you, but the words can't
be found
Whenever you come around

Harmony Chorus 8+2x

I get weak in the knees and I lose my breath
Oh I try to speak but the words won't come
I'm so scared to death
And when you smile that smile, the world
turns upside down
Whenever you come around

Guitar Solo 8x

Chorus 8+2x

The whole world turns upside down

It's all I can do

Guitar Vamp 4x

The city's a flood

Ah hah

243 White Wedding

Hey little sister, what have you done?
 Hey little sister, who's the only one?
 Hey little sister, who's your superman?
 Hey little sister, who's the one you want?
 Hey little sister, shotgun
 It's a nice day to start again
 It's a nice day for a white wedding
 It's a nice day to start again
 Hey little sister, what have you done?
 Hey little sister, who's the only one?
 I've been away for so long
 I've been away for so long
 I let you go for so long
 It's a nice day to start again
 It's a nice day for a white wedding
 It's a nice day to start again
 "Pick it up!"
 Take me back home, yeah
 There is nothing fair in this world
 There is nothing safe in this world
 And there's nothing sure in this world
 And there's nothing pure in this world
 Look for something left in this world
 Start again
 It's a nice day for a white wedding
 It's a nice day to start again
 It's a nice day to start again
 It's a nice day to start again
 It's a nice day for white wedding.
 Hey little sister, what have you done?
 Hey little sister, who's the only one?
 Hey little sister, shotgun
 Hey little sister, shotgun, oh yeah
 Hey little sister, shotgun
 It's a nice day to start again
 It's a nice day for a white wedding
 It's a nice day to start again
 Hey little sister, who is it you're with?
 Hey little sister, what's your vice or wish?
 Who have you sold yourself to?

Who have you sold your soul to?
 Hey little sister, shotgun
 It's a nice day to start again
 It's a nice day for a white wedding
 It's a nice day to start again
 "Pick it up!"
 Take me back home, yeah
 There is nothing fair in this world
 There is nothing safe in this world
 And there's nothing sure in this world
 And there's nothing pure in this world
 Look for something left in this world
 Start again
 It's a nice day to start again
 It's a nice day for white wedding
 It's a nice day to start again
 Take me back home, yeah
 White wedding, silk shedding
 Fancy shower, white wedding

246 With Arms Wide Open

Wide open

Well I just heard the news today
It seems my life is gonna change
I closed my eyes, begin to pray
Then tears of joy stream down my face
With arms wide open under the sunlight
Welcome to this place I'll show you every-
thing
With arms wide open
With arms wide open
Well I don't know if I'm ready
To be the man I have to be
I'll take a breath, I'll take her by my side
We stand in awe, we've created life
With arms wide open under the sunlight
Welcome to this place I'll show you every-
thing
With arms wide open now everything has
changed
I'll show you love I'll show you everything
With arms wide open
With arms wide open
I'll show you everything, aw yeah
With arms wide open, wide open
If I had just one wish only one demand
I hope he's not like me, I hope he under-
stands
That he can take this life and hold it by the
hand
And he can greet the world with arms wide
open
With arms wide open under the sunlight
Welcome to this place I'll show you every-
thing
With arms wide open now everything has
changed
I'll show you love I'll show you everything
With arms wide open
With arms wide open
I'll show you everything, aw yeah
With arms wide open

247 With Or Without You

See the stone set in your eyes
See the thorn twist in your side
I wait for you
Sleight of hand and twist of fate
On a bed of nails she makes me wait
And I wait without you
With or without you
With or without you
Through the storm we reach the shore
You give it all but I want more
And I'm waiting for you
With or without you
With or without you
I can't live, with or without you
And you give yourself away
And you give yourself away
And you give, and you give
And you give yourself away
My hands are tied
My body bruised, she got me with
Nothing to win and nothing left to lose
And you give yourself away
And you give yourself away
And you give, and you give
And you give yourself away
With or without you
With or without you
I can't live, with or without you
With or without you
With or without you
I can't live, with or without you
With or without you

248 Woman

Woman, you know you, woman
You gotta be a woman
I've got to feeling alone
When you're talking to me
See right through me
I've got to feeling alone
She's a woman
You know what I mean
You better listen, listen to me
She's gonna set you free
You've come looking for me
Like I've got to set you free
You know I can't free nobody
You've come looking for me
Like I've got to set you free
I can't be nobody
She's a woman
You know what I mean
You better listen, listen to me
She's gonna set you free
Woman, you know you, woman
You gotta be a woman
I've got to feeling alone
When you're talking to me
You see right through me
I've got to feeling alone
She's a woman
You know what I mean
You better listen, listen to me
She's gonna set you free

249 Wonderwall

Today is gonna be the day
That they're gonna throw it back to you
By now you should've somehow
Realized what you gotta do
I don't believe that anybody
Feels the way I do about you now
Back beat, the word is on the street
That the fire in your heart is out
I'm sure you've heard it all before
But you never really had a doubt
I don't believe that anybody
Feels the way I do about you now
And all the roads we have to walk are
winding
And all the lights that lead us there are
blinding
There are many things that I would like to
say to you
But I don't know how
Because maybe
You're gonna be the one that saves me
And after all
You're my wonderwall
Today was gonna be the day
But they'll never throw it back to you
By now you should've somehow
Realized what you're not to do
I don't believe that anybody
Feels the way I do about you now
And all the roads that lead you there were
winding
And all the lights that light the way are
blinding
There are many things that I would like to
say to you
But I don't know how
I said maybe
You're gonna be the one that saves me
And after all
You're my wonderwall

I said maybe
You're gonna be the one that saves me
And after all
You're my wonderwall
I said maybe
You're gonna be the one that saves me
You're gonna be the one that saves me
You're gonna be the one that saves me

250 Word Up

You pretty ladies around the world
Got a weird thing to show you
So tell all the boys and girls
Tell your brother, your sister, and your
mama too
Cuz we're about to go down
And you know just what to do
Wave your hands in the air like you don't
care
Gilde by the people as they start to look
and stare
Do your dance, do your dance, do your
dance quick mama
Come on baby tell me what's the word
Word up everybody says
When you hear the call you've got to get it
underway
Word up it's the code word
No matter where you say it, you know that
you'll be heard
Now all you sucker DJ's who think you're
fly
There's got to be a reason and we know
the reason why
Why you put on those airs and you act real
cool
But you got to realise that you're acting
like fools
If there's music we can use it
We're free to dance
We don't have the for psychichological
romance
No romance, no romance, no romance for
me mama
Come on baby tell me what's the word
Word up everybody says
When you hear the call you've got to get it
underway
Dial "L" for Love (x4)
W O R D up (x4)

All you sucker DJ's who think you're fly
There's got to be a reason and we know
the reason why
Why you put on those airs and you act real

251 Yellow Ledbetter

Unsealed on a porch, a letter sat
Then you said, "I wanna leave it again"
Once I saw her on a beach of weathered
sand
And on the sand I wanna leave it again
On a weekend I wanna wish it all away,
yeah
And they called and I said that I'll go and I
said that I'll call out again
And the reason ought to leave her calm, I
know
I said, "I don't know whether I'm the boxer
or the bag"
Oh yeah, can you see them, out on the
porch?
Yeah, but they don't wave
I see them 'round the front way, yeah
And I know, and I know I don't wanna stay
Make me cry
I see, oh, I don't know why there's some-
thing else
I wanna drum it all away
I said, "I don't, I don't know whether I was
the boxer or the bag"
Oh yeah, can you see them, out the on
porch?
Yeah, but they don't wave
I see them 'round the front way
And I know, and I know I don't want to stay
at all
I don't want to stay
I don't want to stay
I don't want to stay
I don't, I don't want to stay

252 You Can t Always Get What You Want

We do not have the lyrics for You Can't Always Get What You Want yet.

253 You Found Me

I found God on the corner of 1st and Amis-
tad

Where the West was all but won
All alone, smoking his last cigarette
I said, "Where you been?" He said, "Ask
anything"

Where were you when everything was
falling apart?

All my days were spent by the telephone
that never rang

And all I needed was a call that never
came

To the corner of 1st and Amistad

Lost and insecure, you found me, you
found me

Lying on the floor surrounded, surrounded
Why'd you have to wait? Where were you?
Where were you?

Just a little late, you found me, you found
me

But in the end everyone ends up alone
Losing her, the only one who's ever known
Who I am, who I'm not and who I wanna be
No way to know how long she will be next
to me

Lost and insecure, you found me, you
found me

Lying on the floor surrounded, surrounded
Why'd you have to wait? Where were you?
Where were you?

Just a little late, you found me, you found
me!

The early morning, the city breaks
And I've been calling for years and years
and years and years

And you never left me no messages

You never sent me no letters

You got some kind of Man taking all i want

Lost and insecure, you found me, you
found me

Lying on the floor, where were you? Where
were you?

Lost and insecure, you found me, you
found me

Lying on the floor surrounded, surrounded
Why'd you have to wait? Where were you?

Where were you?

Just a little late, you found me, you found
me!

Why'd you have to wait to find me, to find
me?

still alive

You seem very well, things look peaceful
I'm not quite as well, I thought you should

her?

255 You Shook Me All Night Long

Intro 8x

Guitar 8x

Verse 16x

She was a fast machine
She kept her motor clean
She was the best damn woman I had ever seen

She had the sightless eyes
Telling me no lies
Knockin' me out with those American thighs

Taking more than her share
Had me fighting for air
She told me to come but I was already there

'Cause the walls start shaking
The earth was quaking
My mind was aching
And we were making it, and you ..

Chorus 8x

Shook me all night long
Yeah you shook me all night long

Verse 16x

Working double time
On the seduction line
She was one of a kind, she's just mine all mine

She wanted no applause
Just another course
Made a meal out of me and came back for more

Had to cool me down
To take another round

Now I'm back in the ring to take another swing

'Cause the walls were shaking
The earth was quaking
My mind was aching
And we were making it and you ..
